

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

No written comments were either solicited or received.

### III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing rule change does not: (1) Significantly affect the protection of investors or the public interest; (2) impose any significant burden on competition; and (3) become operative for 30 days after the date of this filing, or such shorter time as the Commission may designate, it has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>31</sup> and Rule 19b-4(f)(6) thereunder.<sup>32</sup>

A proposed rule change filed under 19b-4(f)(6) normally may not become operative prior to 30 days after the date of filing.<sup>33</sup> However, Rule 19b-4(f)(6)(iii)<sup>34</sup> permits the Commission to designate a shorter time if such action is consistent with the protection of investors and the public interest. The Exchange has requested that the Commission waive the 30-day operative delay. The Commission believes that waiving the 30-day operative delay is consistent with the protection of investors and the public interest. The Commission notes that it recently approved a substantially similar proposal filed by the Chicago Board Options Exchange, Incorporated,<sup>35</sup> and therefore believes that no significant purpose is served by a 30-day operative delay. For these reasons, the Commission designates the proposed rule change to be operative upon filing with the Commission.<sup>36</sup>

At any time within 60 days of the filing of such proposed rule change the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public

interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The self-regulatory organization has

<sup>33</sup> 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires that a self-regulatory organization submit to the Commission written notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. The Exchange has satisfied this requirement.

<sup>36</sup> For the purposes only of waiving the 30-day operative delay, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

prepared summaries, set forth in sections A, B and C below, of the most significant aspects of such statements.

*A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

1. Purpose

The purpose of this proposed rule change is to amend the Exchange's Schedule of Fees. The Exchange currently has a fee cap for large-size foreign currency ("FX") options orders. This fee discount applies for orders of 5,000 contracts or more and waives fees on incremental volume above 5,000 contracts. Contracts at or under the threshold are charged the constituent's prescribed execution fee. This waiver applies to customer<sup>3</sup> orders and Firm Proprietary orders. ISE adopted this fee discount to encourage members to execute large-sized FX options orders on the Exchange in a manner that is cost effective. The current pilot program is set to expire on June 30, 2010.<sup>4</sup> The Exchange now proposes to extend this fee discount through June 30, 2011 in a continuing effort to attract more activity in its FX options.

Additionally, the Exchange proposes to make one change to the current fee discount, namely to lower the threshold from 5,000 contracts to 250 contracts. When ISE initially adopted this fee discount, the Exchange believed that the 5,000 contract threshold was adequate. The Exchange's experience, however, shows that only a limited number of trades have been executed at this level. The Exchange believes lowering the threshold will provide a greater opportunity for members to avail themselves of the fee discount.

2. Basis

The basis under the Securities Exchange Act of 1934 (the "Exchange Act") for this proposed rule change is the requirement under Section 6(b)(4) that an exchange have an equitable allocation of reasonable dues, fees and other charges among its members and other persons using its facilities. In particular, this proposed rule change would extend a current fee discount, thus effectively maintaining low fees.

<sup>3</sup> The fee waiver applies to both professional and priority customer orders. A Priority Customer is defined in ISE Rule 100(a)(37A) as a person or entity that is not a broker/dealer in securities, and does not place more than 390 orders in listed options per day on average during a calendar month for its own beneficial account(s). A Customer (Professional) is a person who is not a broker/dealer and is not a Priority Customer.

<sup>4</sup> See Securities Exchange Act Release No. 60192 (June 30, 2009), 74 FR 32211 (July 7, 2009) (SR-ISE-2009-42).

*B. Self-Regulatory Organization's Statement on Burden on Competition*

The proposed rule change does not impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

*C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

The Exchange has not solicited, and does not intend to solicit, comments on this proposed rule change. The Exchange has not received any unsolicited written comments from members or other interested parties.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to section 19(b)(3) of the Act<sup>5</sup> and Rule 19b-4(f)(2)<sup>6</sup> thereunder. At any time within 60 days of the filing of such proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
