The Coastal Zone Management Program evaluation will be conducted pursuant to section 312 of the Coastal Zone Management Act of 1972, as amended (CZMA) and regulations at 15 CFR part 923, subpart L. The CZMA requires continuing review of the performance of States with respect to coastal program implementation. Evaluation of a Coastal Management Program requires findings concerning the extent to which a State has met the national objectives, adhered to its Coastal Management Program document approved by the Secretary of Commerce, and adhered to the terms of financial assistance awards funded under the CZMA.

Each evaluation will include a site visit, consideration of public comments, and consultations with interested Federal, State, and local agencies and members of the public. A public meeting will be held as part of the site visit. When the evaluation is completed, OCRM will place a notice in the **Federal Register** announcing the availability of the Final Evaluation Findings. Notice is hereby given of the dates of the site visits for the listed evaluations, and the dates, local times, and locations of the public meetings during the site visits.

Dates and Times: The North Inlet/Winyah Bay (South Carolina) National Estuarine Research Reserve evaluation site visit will be held September 13-17, 2010. Written comments from interested parties regarding these Programs are encouraged and will be accepted until 15 days after the public meeting held for a Program. Please direct written comments to Kate Barba, Chief, National Policy and Evaluation Division, Office of Ocean and Coastal Resource Management, NOS/NOAA, 1305 East-West Highway, 10th Floor, N/ORM7, Silver Spring, Maryland 20910.

SUPPLEMENTARY INFORMATION: Notice is hereby given of the availability of the final evaluation findings for the California, Mississippi, and Maine Coastal Management Programs (CMPs) and the Old Woman Creek (Ohio) National Estuarine Research Reserve (NERR). Sections 312 and 315 of the Coastal Zone Management Act of 1972 (CZMA), as amended, require a continuing review of the performance of coastal States with respect to approval of CMPs and the operation and management of NERRs.

The States of California, Mississippi, and Maine were found to be implementing and enforcing their Federally approved coastal management programs, addressing the national coastal management objectives identified in CZMA Section 303(2)(A)-(K), and adhering to the programmatic terms of their financial assistance awards. The Old Woman Creek NERR was found to be adhering to programmatic requirements of the NERR System.

**Saccharin From the People’s Republic

Review**

AGENCY: Import Administration,
International Trade Administration,
Department of Commerce.

SUMMARY: On March 22, 2010, the
Department of Commerce
 (“Department”) published its
Preliminary Results for the July 1, 2008,
through June 30, 2009, administrative
review of saccharin from the People’s
Republic of China (“PRC”).¹ We invited
interested parties to comment on our
Preliminary Results, but no parties
submitted comments. Therefore, the
Preliminary Results are hereby adopted
as the final results.

DATES: *Effective Date:* July 23, 2010.

SUPPLEMENTARY INFORMATION:

Background

On March 22, 2010, the Department
published its *Preliminary Results* of the
review of the antidumping order on
saccharin from the PRC covering the
period July 1, 2008, through June 30,
2009. For the *Preliminary Results*,
because Kaifeng Xinhua Fine Chemical
Factory (“Kaifeng”) did not respond to
the Department’s questionnaire, we
were unable to determine if Kaifeng was
eligible for a separate rate.² Further, in

¹ See *Saccharin From the People’s Republic of
China: Preliminary Results of the 2008–2009
Antidumping Duty Administrative Review*, 75 FR
13495 (March 22, 2010) (“*Preliminary Results*”).

² On October 14, 2009, the Department confirmed
that Kaifeng signed for and received our mailing of

accordance with sections 776(a)(2)(A)
and (B) of the Tariff Act of 1930, as
amended (“Act”), because the PRC-
entity (including Kaifeng) failed to
cooperate to the best of its ability by not
responding to our questionnaire, we
found it appropriate to use adverse facts
available.³ Thus, the Department
preliminarily determined that Kaifeng
did not qualify for a separate rate and
instead was part of the PRC entity.⁴ No
parties commented on the *Preliminary
Results*.

Scope of the Order

The product covered by this
antidumping duty order is saccharin.
Saccharin is defined as a non-nutritive
sweetener used in beverages and foods,
personal care products such as
toothpaste, table top sweeteners, and
animal feeds. It is also used in
metalworking fluids. There are four
primary chemical compositions of
saccharin: (1) Sodium saccharin
(American Chemical Society Chemical
Abstract Service (“CAS”) Registry 128–
44–9); (2) calcium saccharin (CAS
Registry 6485–34–3); (3) acid (or
insoluble) saccharin (CAS Registry 81–
07–2); and (4) research grade saccharin.
Most of the U.S.-produced and imported
grades of saccharin from the PRC are
sodium and calcium saccharin, which
are available in granular, powder, spray-
dried powder, and liquid forms. The
merchandise subject to this order is
currently classifiable under subheading
2925.11.00 of the *Harmonized Tariff
Schedule of the United States*
 (“HTSUS”) and includes all types of
saccharin imported under this HTSUS
subheading, including research and
specialized grades. Although the
HTSUS subheading is provided for
convenience and customs purposes, the
Department’s written description of the
scope of this order remains dispositive.

Analysis of Comments Received

Because no parties commented on the
Preliminary Results, we have adopted
the *Preliminary Results* as the final
results, including the margin
determined therein.⁵

Final Results of Review

We find that the following weighted-
average dumping margin exists for the

the antidumping duty questionnaire. On January 6,
2009, the Department placed the FedEx
International Air Waybill receipt and delivery
confirmation for the questionnaire issued to Kaifeng
on the record of this administrative review to
confirm that we mailed, and Kaifeng signed for and
received, the questionnaire.
