the end of FY 2010, FDA estimates that 445 establishments will have been billed for establishment fees, before all decisions on requests for waivers or reductions are made. FDA estimates that a total of 15 establishment fee waivers or reductions will be made for FY 2010. In addition, FDA estimates that another 15 full establishment fees will be exempted this year based on the orphan drug exemption in FDAAA (see section 736(k) of the act). Subtracting 30 establishments (15 waivers plus the estimated 15 establishments under the orphan exemption) from 445 leaves a net of 415 fee-paying establishments. FDA will use 415 for its FY 2011 estimate of establishments paying fees, after taking waivers and reductions into account. The fee per establishment is determined by dividing the adjusted total fee revenue to be derived from establishments ($206,356,667) by the estimated 415 establishments, for an establishment fee rate for FY 2011 of $497,200 (rounded to the nearest $100).

B. Product Fees

At the beginning of FY 2010, the product fee was based on an estimate that 2,380 products would be subject to and would pay product fees. By the end of FY 2010, FDA estimates that 2,460 products will have been billed for product fees, before all decisions on requests for waivers, reductions, or exemptions are made. FDA assumes that there will be about 50 waivers and reductions granted. In addition, FDA estimates that another 25 product fees will be exempted this year based on the orphan drug exemption in FDAAA (see section 736(k) of the act). FDA estimates that 2,385 products will qualify for product fees in FY 2010, after allowing for waivers and reductions, including the orphan drug products eligible under the FDAAA exemption, and will use this number for its FY 2011 estimate. Accordingly, the FY 2011 product fee rate is determined by dividing the adjusted total fee revenue to be derived from product fees ($206,356,667) by the estimated 2,385 products for a FY 2011 product fee of $86,520 (rounded to the nearest $10).

V. Fee Schedule for FY 2011

Proposed Fair Market Rents for the Housing Choice Voucher Program and Moderate Rehabilitation Single Room Occupancy Program Fiscal Year 2011

AGENCY: Office of the Assistant Secretary for Policy Development and Research, HUD.

ACTION: Notice of Proposed Fiscal Year (FY) 2011 Fair Market Rents (FMRs).

SUMMARY: Section 8(c)(1) of the United States Housing Act of 1937 (USHA) requires the Secretary to publish FMRs periodically, but not less than annually, adjusted to be effective on October 1 of each year. Today's notice proposes FMRs for FY 2011 to be used to determine payment standard amounts for the Housing Choice Voucher (HCV) program, to determine initial renewal rents for some expiring project-based Section 8 contracts, and to determine initial rents for Housing Assistance Payment (HAP) contracts in the Moderate Rehabilitation Single Room Occupancy program. Other programs may require use of FMRs for other purposes.

The proposed FY 2011 FMR areas are based on current Office of Management and Budget (OMB) metropolitan area definitions and include HUD modifications that were first used in the determination of FY 2006 FMR areas. Changes to the OMB metropolitan area definitions through December 2009 are incorporated. The principal city for three metropolitan areas changed, which resulted in a code change. In Alaska, there was a name change for a nonmetropolitan borough and two boroughs in Alaska were divided to make four new boroughs.[1] Proposed FY 2011 FMRs are based on 2000 Census data updated using more current survey data. For FY 2011, FY 2010 FMRs are updated using 2008 American Community Survey (ACS) data, and more recent Consumer Price Index (CPI) rent and utility indexes. HUD continues to use ACS data in different ways based upon the number of two-bedroom standard-quality and recent-mover sample cases that are available in the FMR area or its Core-Based Statistical Area (CBSA).

This notice also proposes Small Area FMRs for the Dallas, TX HUD Metro FMR Area in accordance with a **Federal Register** Notice published May 18, 2010, (75 FR27808) announcing a Small Area FMR Demonstration project.

DATES: *Comment Due Date:* 30 days after publication.

ADDRESSES: Interested persons are invited to submit comments regarding HUD's estimates of the FMRs, as published in this notice, to the Office of General Counsel, Rules Docket Clerk, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 10276, Washington, DC 20410–0001. Communications should refer to the above docket number and title and should contain the information specified in the "Request for Comments" section.

Submission of Hard Copy Comments.
