SUPPLEMENTARY INFORMATION: The Office of Personnel Management (OPM) established the Executive Secretariat and Ombudsman January 4, 2010. OPM established the Ombudsman to provide a neutral, independent and confidential resource to review, identify, facilitate and timely resolve individual claims, concerns or complaints by OPM customers and employees. In order to provide the best service to OPM's customers, one form is required and two forms are optional. The mandatory form, Privacy Release, enables representatives of the Ombudsman to obtain any information requested, examine and/or copy any records related to a request for assistance to identify, facilitate and timely resolve individuals' claims, concerns or complaints by OPM customers and employees. This allows OPM's representatives to properly perform their role and not violate customer privacy without the proper authorization. The second form, Third Party Authorization, allows customers of the Ombudsman to designate someone in addition to themselves, or other than themselves, to give and receive information about their request for assistance. The Third Party Authorization will not be used in every request for assistance. The third form, Request for Assistance, is web-enabled and provides customers a useful tool to provide OPM information it needs to expediently gather the facts and resolve the concern brought before the Ombudsman.
