

annual receipts do not exceed \$7 million, whichever is higher.

In accordance with 13 CFR 121.302(a), this rule will apply to applications for surety bond guarantees accepted for processing by SBA on or after October 1, 2010.

II. Consideration of Comments

SBA believes that this direct final rule is non-controversial since it simply adopts the temporary size standard established for the Surety Bond Guarantee Program under the Recovery Act, and would make the Surety Bond Guarantee Program size eligibility criteria consistent with SBA industry based standards. SBA also notes that it received no adverse comments to the temporary size standard that was published in the **Federal Register** on July 22, 2009 (74 FR 36110), and anticipates no significant adverse comments to this direct final rule. If SBA receives any significant adverse comments, it will publish a notice in the **Federal Register** for a timely withdrawal of this direct final rule.

Section Analysis

Section 121.301(d). SBA is permanently adopting a temporary provision of the American Recovery and Reinvestment Act of 2009 that specifies that a concern is small if it, together with its affiliates, meets the size standard corresponding to the NAICS code for the primary industry in which it, together with its affiliates, is engaged. This direct final rule will make the SBG Program size eligibility criteria consistent with SBA industry based standards. It will expand the scope of eligible small businesses and will enable SBA to assist more small businesses to obtain the bonding necessary for them to bid on and perform contracts. SBA is retaining the \$7 million alternative size standard for construction or services contracts performed in the Presidentially-declared disaster areas resulting from the 2005 Hurricanes Katrina, Rita or Wilma.

Compliance With Executive Orders 12866, 12988, and 13132, the Paperwork Reduction Act (44 U.S.C. Chapter 35), and the Regulatory Flexibility Act (5 U.S.C. 601–612)

Executive Order 12866

The Office of Management and Budget (OMB) has determined that this direct final rule does not constitute a significant regulatory action under Executive Order 12866. This rule is also not a major rule under the Congressional Review Act.

Executive Order 12988

This action meets applicable standards set forth in Sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden. The action does not have retroactive or preemptive effect.

Executive Order 13132

For purposes of Executive Order 13132, SBA has determined that this direct final rule will not have substantial, direct effects on the States, on the relationship between the national government and the States, or on the distribution of power and responsibilities among the various levels of government. Therefore, for the purpose of Executive Order 13132, Federalism, SBA has determined that this direct final rule has no federalism implications warranting preparation of a federalism assessment.

Paperwork Reduction Act, 44 U.S.C., Chapter 35

SBA has determined that this direct final rule does not impose additional reporting or recordkeeping requirements under the Paperwork Reduction Act, 44 U.S.C., Chapter 35.

Regulatory Flexibility Act, 5 U.S.C. 601–612

The Regulatory Flexibility Act (RFA), 5 U.S.C. 601, requires administrative agencies to consider the effect of their actions on small entities, small non-profit enterprises, and small local governments. Pursuant to RFA, when an agency issues a rulemaking, the agency must prepare a regulatory flexibility analysis which describes the impact of this rule on small entities. However, section 605 of the RFA allows an agency to certify a rule, in lieu of preparing an analysis, if the rulemaking is not expected to have a significant economic impact on a substantial number of small entities. Within the meaning of RFA, SBA certifies that this rule will not have a significant economic impact on a substantial number of small entities. There are 18 Sureties that participate in the SBG Program, and no part of this direct final rule would impose any significant additional cost or burden on them.

List of Subjects in 13 CFR Part 121

Administrative practice and procedure, Government procurement, Loan programs—business, Reporting and recordkeeping requirements, Small businesses.

■ For the reasons stated in the preamble, SBA amends 13 CFR part 121 as follows:

PART 121—SMALL BUSINESS SIZE REGULATIONS

■ 1. The authority citation for part 121 is revised to read as follows:

Authority: 15 U.S.C. 632, 634(b)(6), 636(b), 637(a), 644, 662(5) and 694a; Pub. L. 105–135, sec. 401 *et seq.*, 111 Stat. 2592.

■ 2. Amend § 121.301 by revising paragraph (d) to read as follows:

§ 121.301 What size standards are applicable to financial assistance programs?

* * * * *

(d) For Surety Bond Guarantee assistance—

(1) A business concern, combined with its affiliates, must meet the size standard for the primary industry in which such business concern, combined with its affiliates, is engaged.

(2) For any contract or subcontract, public or private, to be performed in the Presidentially-declared disaster areas resulting from the 2005 Hurricanes Katrina, Rita or Wilma, a construction (general or special trade) concern or concern performing a contract for services is small if it meets the size standard set forth in paragraph (d)(1) of this section, or the average annual receipts of the concern, together with its affiliates, do not exceed \$7 million, whichever is higher.

BILLING CODE 8025–01–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA–2010–0498; Airspace Docket No. 10–ASO–26]

Amendment of Class E Airspace; Pine Mountain, GA

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action amends Class E Airspace at Pine Mountain, GA, to accommodate the Standard Instrument Approach Procedures (SIAPs) developed for Harris County Airport.

DATES: Effective 0901 UTC, November 18, 2010. The Director of the Federal Register approves this incorporation by reference action under title 1, Code of Federal Regulations, part 51, subject to

the annual revision of FAA Order 7400.9 and publication of conforming amendments.

FOR FURTHER INFORMATION CONTACT: Melinda Giddens, Operations Support Group, Eastern Service Center, Federal Aviation Administration, P.O. Box 20636, Atlanta, Georgia 30320; telephone (404) 305-5610.

SUPPLEMENTARY INFORMATION:

History

On May 24, 2010, the FAA published in the **Federal Register** a notice of proposed rulemaking to amend Class E airspace at Pine Mountain, GA (75 FR 28765) Docket No. FAA-2010-0498. Interested persons were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received. Class E airspace designations are published in paragraph 6005 of FAA Order 7400.9T signed August 27, 2009, and effective September 15, 2009, which is incorporated by reference in 14 CFR Part 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

The Rule

This amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 amends the Class E airspace extending upward from 700 feet above the surface at Pine Mountain, GA to provide controlled airspace required to support the SIAPs for Harris County Airport. This action is necessary for the safety and management of IFR operations at the airport.

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this rule, when promulgated, will not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA's authority to issue rules regarding aviation safety is found in

Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority.

This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends Class E airspace at Pine Mountain, GA.

Lists of Subjects in 14 CFR Part 71

Airspace, Incorporation by reference, Navigation (Air).

Adoption of the Amendment

■ In consideration of the foregoing, the Federal Aviation Administration amends 14 CFR Part 71 as follows:

PART 71—DESIGNATION OF CLASS A, B, C, D, AND CLASS E AIRSPACE AREAS; AIR TRAFFIC SERVICE ROUTES; AND REPORTING POINTS

■ 1. The authority citation for Part 71 continues to read as follows:

Authority: 49 U.S.C. 106(g); 40103, 40113, 40120; E.O. 10854, 24 FR 9565, 3 CFR, 1959-1963 Comp., p. 389.

§ 71.1 [Amended]

■ 2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9T, Airspace Designations and Reporting Points, signed August 27, 2009, effective September 15, 2009, is amended as follows:

Paragraph 6005 Class E Airspace Areas Extending Upward From 700 Feet or More Above the Surface of the Earth.

* * * * *

ASO GA E5 Pine Mountain, GA [Amended]

Harris County Airport, GA
(Lat. 32°50'26" N., long. 84°52'57" W.)
Pine Mountain NDB, GA
(Lat. 32°50'34" N., long. 84°52'22" W.)

That airspace extending upward from 700 feet above the surface within a 8-mile radius of the Harris County Airport and within 8 miles north and 4 miles south of the 267° bearing from the Pine Mountain NDB extending from the 8-mile radius of the Harris County Airport to 16 miles from the Harris County Airport.

Issued in College Park, Georgia, on July 30, 2010.

Mark D. Ward,

Manager, Operations Support Group, Eastern Service Center, Air Traffic Organization.

Federal Aviation Administration

14 CFR Part 71

[Docket No. FAA-2010-0416; Airspace Docket No. 10-AEA-12]

Establishment of Class E Airspace; Williamson, WV

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This action establishes Class E Airspace at Williamson, WV, to accommodate the additional airspace needed for the Standard Instrument Approach Procedures (SIAPs) developed for Mingo County Regional. This action also makes a minor adjustment to the geographic coordinates of the airport.

DATES: Effective 0901 UTC, November 18, 2010. The Director of the Federal Register approves this incorporation by reference action under title 1, Code of Federal Regulations, part 51, subject to the annual revision of FAA Order 7400.9 and publication of conforming amendments.

SUPPLEMENTARY INFORMATION:

History

On May 11, 2010, the FAA published in the **Federal Register** a notice of proposed rulemaking to establish Class E airspace at Williamson, WV (75 FR 26150) Docket No. FAA-2010-0416. Subsequent to publication, the FAA found that the geographic coordinates needed to be adjusted. This action makes that adjustment by incorporating the revised geographic coordinates into the final rule. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received. Class E airspace designations are published in paragraph 6005 of FAA Order 7400.9T signed August 27, 2009, and effective
