[Release No. 34-62684; File No. SR-OCC-2010-11]

Self-Regulatory Organizations; The Options Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Modify the Definition of the Term Representative

August 10, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on July 29, 2010, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change described in Items I and II

¹ 15 U.S.C. 78s(b)(1).

below, which items have been prepared primarily by OCC. OCC filed the proposal pursuant to Section 19(b)(3)(A)(i) of the Act² and Rule 19b-4(f)(1)³ thereunder so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the rule change from interested parties.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change would broaden the definition of the term "Representative" found in Article I, Section 1 of OCC's By-Laws.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.⁴

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to broaden the definition of the term "Representative" found in Article I, Section 1 of OCC's By-Laws. "Representative" is defined as a director, senior officer, principal, or general partner of a Clearing Member Organization.⁵ OCC's By-Laws require that a Member Director on OCC's board of directors ("Board") be either a Clearing Member⁶ or a Representative of a Clearing Member Organization.⁷ This same qualification requirement is applied to members of the Board's nominating committee ("Nominating Committee").⁸

In certain instances, otherwise qualified candidates for the Board or the Nominating Committee were found to be ineligible because they were associated with an affiliate of a Clearing Member rather than with the Clearing Member itself. OCC does not believe a qualified candidate should be precluded from service on either the Board or Nominating Committee due to a technicality and therefore proposes to broaden the definition of "Representative" to include a representative of an entity that controls, is controlled by, or under common control with a Clearing Member.

2. Statutory Basis

OCC believes that the proposed rule change is consistent with Section 17A of the Act,⁹ as amended, because it fosters the fair representation of Clearing Members in the administration of OCC's affairs. It accomplishes this purpose by expanding the pool of qualified candidates eligible for Board and Nominating Committee service to include directors, senior officers, principals, or general partners of an affiliate of a Clearing Member. The proposed rule change is not inconsistent with the existing rules of OCC, including any other rules proposed to be amended.

(B) Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change will have any impact or impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

Written comments relating to the proposed rule change were not and are not intended to be solicited or received. OCC will notify the Commission of any written comments received by OCC.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing proposed rule change has become effective upon filing pursuant to Section 19(b)(3)(A)(i) of the Act¹⁰ and Rule 19b-4(f)(1)¹¹ thereunder because the proposed rule change constitutes an interpretation with respect to the meaning, administration or enforcement of an existing rule. At any time within 60 days of the filing of the proposed rule change, the

Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Electronic Comments

- Use the Commission's Internet comment form (<http://www.sec.gov/rules/sro.shtml>); or

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–62671; File No. SR–NYSEAmex–2010–81]

Self-Regulatory Organizations; Notice of Filing and Immediate Effectiveness of Proposed Rule Change by NYSE Amex LLC Amending its Fee Schedule

August 9, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”) ¹ and Rule 19b–4 thereunder,² notice is hereby given that, on August 4, 2010, NYSE Amex LLC. (“NYSE Amex” or the “Exchange”) filed with the Securities and Exchange Commission (“SEC” or “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to establish a new participant category for purposes of the fee schedule and to modify the fees for Firm executions. The text of the proposed rule change is attached as Exhibit 5 to the 19b–4 form. A copy of this filing is available on the Exchange’s Web site at <http://www.nyse.com>, at the Exchange’s principal office, on the Commission’s Web site at <http://www.sec.gov>, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change

and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange is proposing to establish a new participant category for purposes of the fee schedule. Presently, the Exchange makes no distinction between Broker/Dealers who clear in the customer range and Broker/Dealers who clear in the market maker range. Broker/Dealers who clear in the market maker range are registered market makers at other exchanges and accordingly will be identified on the fee schedule as Non-NYSE Amex Option Market Makers.³

The Exchange will assess Non-NYSE Amex Option Market Makers a fee of \$.40 per contract for all electronic executions. The fee for Non-NYSE Amex Option Market Maker orders executed manually will be \$.25 per contract. The Exchange notes that the \$.40 per contract rate is comparable to or less than the rate charged by other exchanges for transactions by market makers who are registered as such in the same options on another exchange.⁴

Presently the Exchange charges for manual executions that clear in the Firm range according to a tiered schedule. At this time the Exchange intends to revert back to the pricing that was in effect previously for manual executions that clear in the Firm range. The tiered pricing will be replaced with a fixed per contract fee of \$0.25 for all manual executions that clear in the Firm range. Additionally, the Exchange intends to no longer charge for any Firm Facilitations, which are defined as trades that clear in the Firm range (clearance account “F”) and customer on the contra (clearance account “C”) with the same clearing Firm symbol on both sides of the trade.

These changes are intended to be effective immediately for all transactions beginning August 4, 2010.

³ The term “Non-NYSE Amex Options Market Maker” means a market maker as defined in Section 3(a)(38) of the Securities and Exchange Act of 1934 registered in the same option class on another exchange.

⁴ See the ISE fee schedule dated July 1, 2010. The ISE charges Non-ISE Market Makers a \$.45 per contract charge for electronic executions.

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with the provisions of Section 6(b) of the Act,⁵ in general, and Section 6(b)(4) of the Act,⁶ in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange has determined, as part of an ongoing review of its operations, that the proposed changes to the fee schedule are necessary in the interests of better allocating the costs of operating the Exchange in a fair and equitable manner, taking into account that NYSE Amex Options market makers incur additional costs that Non-NYSE Amex Options market makers who do transactions here do not incur.

B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change is effective upon filing pursuant to Section 19(b)(3)(A) ⁷ of the Act and subparagraph (f)(2) of Rule 19b–4 ⁸ thereunder, because it establishes a due, fee, or other charge imposed by NYSE Amex.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.
