Unfunded Mandates Assessment

Title II of the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4) requires each Federal agency to prepare a written statement assessing the effects of any Federal mandate in a proposed or final agency rule that may result in an expenditure of \$100 million or more (in 1995 dollars) in any one year by State, local, and tribal governments, in the aggregate, or by the private sector; such a mandate is deemed to be a "significant regulatory action." The FAA currently uses an inflation-adjusted value of \$143.1 million.

This final rule does not contain such a mandate. The requirements of Title II do not apply.

Executive Order 13132, Federalism

The FAA has analyzed this final rule under the principles and criteria of Executive Order 13132, Federalism. We determined that this action would not have a substantial direct effect on the States, on the relationship between the Federal Government and the States, or on the distribution of power and responsibilities among the various levels of government, and, therefore, would not have federalism implications.

Regulations Affecting Intrastate Aviation in Alaska

Section 1205 of the FAA Reauthorization Act of 1996 (110 Stat. 3213) requires the Administrator, when modifying regulations in Title 14 of the CFR in a manner affecting intrastate aviation in Alaska, to consider the extent to which Alaska is not served by transportation modes other than aviation, and to establish appropriate regulatory distinctions. In the NPRM, we requested comments on whether the proposed rule should apply differently to intrastate operations in Alaska. We did not receive any comments, and we have determined, based on the administrative record of this rulemaking, there is no need to make any regulatory distinctions applicable to intrastate aviation in Alaska.

Environmental Analysis

FAA Order 1050.1E identifies FAA actions that are categorically excluded from preparation of an environmental assessment or environmental impact statement under the National Environmental Policy Act in the absence of extraordinary circumstances. The FAA has determined this rulemaking action qualifies for the categorical exclusion identified in

paragraph 4(j) and involves no extraordinary circumstances.

Regulations That Significantly Affect Energy Supply, Distribution, or Use

The FAA has analyzed this final rule under Executive Order 13211, Actions Concerning Regulations that Significantly Affect Energy Supply, Distribution, or Use (May 18, 2001). We have determined that it is not a "significant energy action" under the executive order, and it is unlikely to have a significant adverse effect on the supply, distribution, or use of energy.

SECURITIES AND EXCHANGE COMMISSION

17 CFR Part 200

[Release No. 34-62690]

Delegation of Authority to the Director of Its Division of Enforcement

AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: The Commission is amending its rules to remove a sunset provision from the delegation of authority to the Director of the Division of Enforcement to issue formal orders of investigation. Formal orders designate the enforcement staff authorized to issue subpoenas in connection with investigations under the Federal securities laws. On August 5, 2009, the Commission issued a release authorizing the Division Director to issue such orders for a one-year period beginning on August 11, 2009 and ending on August 11, 2010. The sunset provision was included to permit the Commission to evaluate the Division's use of the delegation and to consider whether extension of the delegation was appropriate.

DATES: *Effective Date:* August 16, 2010.

FOR FURTHER INFORMATION CONTACT: Kenneth H. Hall, Assistant Chief Counsel, 202-551-4936, Office of Chief Counsel, Division of Enforcement, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-6553.

SUPPLEMENTARY INFORMATION: The Commission is authorized to conduct investigations of possible violations of the Federal securities laws, which provide that "any member of the Commission or any officer designated by it is empowered to administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of any books, papers, correspondence, memoranda, or other records which the

Commission deems relevant or material to the inquiry." Section 21(b) of the Securities Exchange Act of 1934, 15 U.S.C. 78u(b). See also Section 19(c) of the Securities Act of 1933, 15 U.S.C. 77(c); Section 42(b) of the Investment Company Act of 1940, 15 U.S.C. 80a-41(b); and Section 209(b) of the Investment Advisers Act of 1940, 15 U.S.C. 80b-9(b). The Commission issues formal orders of investigation that authorize specifically-designated enforcement staff to exercise the Commission's statutory power to subpoena witnesses and take the other actions authorized by the relevant cited provisions. The Commission delegated authority to issue formal orders of investigation to the Director of the Division of Enforcement on August 11, 2009. "Delegation of Authority to Director of Division of Enforcement," 74 FR 40068 (Aug. 11, 2009). The delegation was made effective for a one-year period, ending on August 11, 2010, to allow Commission review of the Division's exercise of formal order authority.

The Commission has determined that it is appropriate to extend the Division's authority to issue formal orders of investigation. In making this determination, the Commission considered the increased efficiency in the Division's conduct of its investigations permitted by the delegation, and the Division's continued effective communication and coordination in addressing pertinent legal and policy issues with other Commission Divisions and Offices when formal order authority is invoked.

Administrative Law Matters

The Commission finds, in accordance with the Administrative Procedure Act ("APA") (5 U.S.C. 553(b)(3)(A)), that this amendment relates solely to agency organization, procedure, or practice and does not relate to a substantive rule. Accordingly, the provisions of the APA regarding notice of the proposed rulemaking, opportunities for public participation, and publication of the amendment prior to its effective date, 5 U.S.C. 553, are not applicable. For the same reason, and because this amendment does not substantively affect the rights or obligations of non-agency parties, the provisions of the Small Business Regulatory Enforcement Fairness Act, 5 U.S.C. 804(3)(C), are not applicable. Additionally, the provisions of the Regulatory Flexibility Act, which apply only when notice and comment are required by the APA or other law, 5 U.S.C. 603, are not applicable. Section 23(a)(2) of the Securities Exchange Act,

15 U.S.C. 78w(a)(2), requires the Commission, in adopting rules under that Act, to consider the anticompetitive effects of any rules it adopts. Because the amendment imposes no new burdens on parties in investigations, the Commission does not believe it will have any impact on competition. Finally, this amendment does not contain any collection of information requirements as defined by the Paperwork Reduction Act of 1980, as amended. Accordingly, the amendment is effective August 16, 2010.
