SUPPLEMENTARY INFORMATION: The PDA/FDA Joint Public Conference offers the unique opportunity for participants to join FDA representatives and industry experts in face-to-face dialogues. Each year, FDA speakers provide updates on current efforts affecting the development of global regulatory strategies, while industry professionals from some of today's leading pharmaceutical companies present case studies on how they employ global strategies in their daily processes.

Through a series of sessions and meetings, the conference will provide participants with the opportunity to hear directly from FDA experts and representatives of global regulatory authorities on best practices, including:

- Pharmaceutical Safety and Good Distribution Practices
- Patient Requirements and Product Development
- Quality Unit Responsibility
- Continual Improvement
- Technology Transfer
- Supply Chain
- Combination Products
- Recall Root Causes
- Biologics
- Knowledge Management
- Foreign Inspection Practices
- Process Validation
- Risk Management in Manufacturing
- Change Control
