

the Preliminary Determination, we assigned to the PRC-wide entity the margin alleged in the petition, *i.e.*, 231.40 percent.⁵ For the final determination, we have assigned to the PRC-wide entity the rate of 247.65 percent.⁶ To corroborate the AFA margin that we have selected, we compared it to the model-specific margins we found for the participating mandatory respondent, Yama. We found that the margin of 247.65 percent has probative value because it is in the range of Yama's model-specific margins.⁷ Accordingly, we find that the rate of 247.65 percent is corroborated within the meaning of section 776(c) of the Act.⁸

Continuation of Suspension of Liquidation:

In accordance with section 735(c)(1)(B) of the Act, the Department has instructed U.S. Customs and Border Protection ("CBP") to continue to suspend liquidation of all entries of narrow woven ribbons from the PRC, as described in the "Scope of Investigation" section, entered, or withdrawn from warehouse, for consumption on or after, February 18, 2010, the date of publication of the *Preliminary Determination* in the **Federal Register**. See *Preliminary Determination*. The Department has instructed CBP to require a cash deposit or the posting of a bond equal to the weighted-average dumping margin amount by which the normal value exceeds U.S. price.

This determination is issued and published in accordance with sections 735(d) and 777(i)(1) of the Act and 19 CFR 351.224(e).

Dated: August 17, 2010.

Deputy Assistant Secretary for Import Administration.

Hand Trucks and Certain Parts Thereof from the People's Republic of China; Extension of Time Limit for Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 24, 2010.

FOR FURTHER INFORMATION CONTACT: Scott Hoefke or Fred Baker, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4947 or (202) 482-2924, respectively.

SUPPLEMENTARY INFORMATION:

Background

On January 29, 2010, the Department of Commerce (the Department) published in the **Federal Register** the initiation of administrative review of the antidumping duty order on hand trucks and certain parts thereof from the People's Republic of China, covering the period of December 1, 2008, to November 30, 2009. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Request for Revocation in Part, and Deferral of Initiation of Administrative Review*, 75 FR 4770 (January 29, 2010). The current deadline for the preliminary results of this review is September 9, 2010.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires that the Department complete the preliminary results of an administrative review within 245 days after the last day of the anniversary month of an order for which a review is requested. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the preliminary results to a maximum of

365 days after the last day of the anniversary month of an order for which a review is requested.

The Department finds that it is not practicable to complete the preliminary results of this review within the original time frame because comments from interested parties have necessitated the solicitation and subsequent analysis of additional information from the respondent, New-Tec Integration (Xiamen) Co., Ltd. This additional information covers a wide range of issues and is extensive. The Department requires additional time to gather and analyze the additional information. Thus, the Department finds it is not practicable to complete this review within the original time limit (i.e., September 9, 2010). Accordingly, the Department is extending the time limit for completion of the preliminary results of this administrative review by 120 days (i.e., until January 7, 2011), in accordance with section 751(a)(3)(A) of the Act and 19 CFR 351.213(h)(2). We intend to issue the final results no later than 120 days after publication of the preliminary results notice.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

Dated: August 17, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Polychloroprene Rubber from Japan: Final Results of Sunset Review and Revocation of Finding

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On July 9, 2010, the Department of Commerce (“the Department”) initiated the sunset review of the antidumping finding on polychloroprene rubber from Japan. Because the domestic interested parties did not participate in this sunset review, the Department is revoking this antidumping finding.

EFFECTIVE DATE: August 4, 2010

FOR FURTHER INFORMATION CONTACT: Martha Douthit, AD/CVD Operations, Import Administration, International

Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5050.

SUPPLEMENTARY INFORMATION: On December 6, 1973, the Department of the Treasury published in the **Federal Register** the antidumping finding on polychloroprene rubber from Japan. *See Polychloroprene Rubber from Japan*, 38 FR 33593 (December 6, 1973). On August 4, 2005, the Department published its most recent continuation of the finding. *See Continuation of Antidumping Duty Order; Polychloroprene Rubber from Japan*, 70 FR 44893 (August 4, 2005). On July 9, 2010, the Department initiated a sunset review of this finding. *See Initiation of Five-year (“Sunset”) Review*, 75 FR 39494 (July 9, 2010).

The domestic interested parties did not file a notice of intent to participate in this sunset review. As a result, in accordance with 19 CFR 351.218(d)(1)(iii)(A), the Department determined that no domestic interested party intends to participate in the sunset review and on July 29, 2010 we notified the International Trade Commission, in writing, that we intended to revoke this antidumping finding. *See* 19 CFR 351.218(d)(1)(iii)(B)(2).

Scope of the Finding:

Imports covered by the finding are shipments of polychloroprene rubber, an oil resistant synthetic rubber also known as polymerized chlorobutadiene or neoprene, currently classifiable under items 4002.41.00, 4002.49.00, 4003.00.00 of the Harmonized Tariff Schedule of the United States (“HTSUS”).¹ HTSUS item numbers are

¹ *See Polychloroprene Rubber from Japan: Final Changed Circumstances Review and Determination to Revoke Finding in Part*, 71 FR 57470 (September 29, 2006), in which the Department determined to revoke the antidumping finding with respect to the following products: (1) aqueous dispersions of polychloroprenes that are dipolymers of chloroprene and methacrylic acid, where the dispersion has a pH of 8 or lower (this category is limited to aqueous dispersions of these polymers and does not include aqueous dispersions of these polychloroprenes that contain comonomers other than methacrylic acid); (2) aqueous dispersions of polychloroprenes that are dipolymers of chloroprene and 2,3-dichlorobutadiene-1,3 modified with xanthogen disulfides, where the dispersion has a solids content of greater than 59 percent (this category is limited to aqueous dispersions of these polymers and does not include aqueous dispersions of polychloroprenes that contain comonomers other than 2,3-dichlorobutadiene-1,3); and (3) solid polychloroprenes that are dipolymers of chloroprene and 2,3-dichlorobutadiene-1,3 having a 2,3-dichlorobutadiene-1,3 content of 15 percent or greater (this category is limited to polychloroprenes in solid form and does not include aqueous

dispersions). *See also* Notice of Scope Rulings, 74 FR 14521 (March 31, 2009).

Determination to Revoke:

Pursuant to section 751(c)(3)(A) of the Tariff Act of 1930, as amended (“the Act”) and 19 CFR 351.218(d)(1)(iii)(B)(3), if no domestic interested party files a notice of intent to participate, the Department shall, within 90 days after the initiation of the review, issue a final determination revoking the finding. Because the domestic interested parties did not file a notice of intent to participate in this sunset review, the Department finds that no domestic interested party is participating in this sunset review. Therefore, consistent with 19 CFR 351.222(i)(1)(i) and section 751(c)(3)(A) of the Act, we are revoking this antidumping finding. The effective date of revocation is August 4, 2010, the fifth anniversary of the date of publication in the **Federal Register** of the most recent notice of continuation of this antidumping duty finding.

Termination of Suspension of Liquidation:

Pursuant to section 751(c)(3)(A) of the Act and 19 CFR 351.222(i)(2)(i), the Department intends to issue instructions to U.S. Customs and Border Protection, to terminate the suspension of liquidation of the merchandise subject to this finding entered, or withdrawn from warehouse, on or after August 4, 2010. Entries of subject merchandise prior to the effective date of revocation will continue to be subject to suspension of liquidation and antidumping duty deposit requirements. The Department will complete any pending administrative reviews of this finding and will conduct administrative reviews of subject merchandise entered prior to the effective date of revocation in response to appropriately filed requests of review.

This five-year (sunset) review and notice are published in accordance with sections 751(c) and 777(i)(1) of the Act.

Dated: August 17, 2010.

Deputy Assistant Secretary for Import Administration.
