Information Collection Requirement

Title: Department of Homeland Security Traveler Redress Inquiry Program.

Type of Request: Revision of a currently approved collection.

OMB Control Number: 1652-0044.

Form(s): Traveler Inquiry Form.

Affected Public: Traveling Public.

Abstract: The DHS Traveler Redress Inquiry Program (DHS TRIP) serves as a centralized intake office for traveler redress requests. Individuals may seek redress if they believe that they have been (1) denied or delayed boarding; (2) denied or delayed entry into or departure from the United States at a port of entry; (3) indentified for additional (secondary) screening at our Nation's transportation hubs, including airports, seaports, train stations, and land borders; and (4) otherwise been subjected to violations of their civil rights or privacy rights while boarding, entering, or being screened in connection with travel. To request redress, individuals complete the Traveler Inquiry Form (TIF) by providing identifying information as well as details of the travel experience. After receipt, DHS TRIP passes the information to the relevant DHS component(s) and/or the Department of State to process the request as appropriate (for example, DHS TRIP passes the TIF to TSA to initiate the Watch List Clearance Procedure). DHS is modifying the TIF by adding an optional question that asks applicants to categorize the frequencies of their travel.

DHS TRIP will use this collection to assist in prioritizing the processing of cases to support the redress of the most frequent travelers. DHS will use the information collected through the DHS TRIP to determine if errors exist in the redress requestor's record. This collection also serves to help DHS distinguish the redress requestor from an actual individual on a watch list used by DHS, while streamlining and expediting future check-in or border crossing experiences.

DHS TRIP will also conduct a voluntary customer satisfaction survey in accordance with the DHS Office of the Inspector General, *Report on Effectiveness of the Department of Homeland Security Traveler Redress Inquiry Program*. Recommendation number 24 of the report called upon DHS TRIP to "collect and report on redress-seeker impressions of the TRIP Web site, different aspects of the redress experience, and their overall satisfaction with the program, with the aim of using

this information to identify areas for improvement." DHS estimates that completing customer satisfaction survey will take approximately 10 minutes per respondent.

Number of Respondents: 62,000.

Estimated Annual Burden Hours: An estimated 72,540 hours annually.

Issued in Arlington, Virginia, on March 23, 2010.

Joanna Johnson,

TSA Paperwork Reduction Act Officer, Office of Information Technology.
