The Proposal

The FAA is considering an amendment to Title 14, Code of Federal Regulations (14 CFR) part 71 to establish Class E airspace at Bamberg, SC to provide controlled airspace required to support the SIAPs developed for Bamberg County Airport. Class E airspace extending upward from 700 feet above the surface would be

established for the safety and management of IFR operations.

Class E airspace designations are published in Paragraph 6005 of FAA order 7400.9T, signed August 27, 2009, and effective September 15, 2009, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designation listed in this document will be published subsequently in the Order.

The FAA has determined that this proposed regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current. It, therefore, (1) is not a "significant regulatory action" under Executive Order 12866; (2) is not a "significant rule" under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a Regulatory Evaluation as the anticipated impact is so minimal. Since this is a routine matter that will only affect air traffic procedures and air navigation, it is certified that this proposed rule, when promulgated, would not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code. Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This proposed rulemaking is promulgated under the authority described in Subtitle VII, Part, A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This proposed regulation is within the scope of that authority as it would establish Class E airspace at Bamberg County Airport, Bamberg, SC.

The Proposed Amendment

In consideration of the foregoing, the Federal Aviation Administration proposes to amend 14 CFR Part 71 as follows:

1. The authority citation for Part 71 continues to read as follows:

§ 71.1 [Amended]

2. The incorporation by reference in 14 CFR 71.1 of Federal Aviation Administration Order 7400.9T, Airspace Designations and Reporting Points, signed August 27, 2009, effective September 15, 2009, is amended as follows:

SUPPLEMENTARY INFORMATION:

I. Background

Under section 609(c) of the Fair Credit Reporting Act (FCRA), consumer reporting agencies (CRAs) are required to include a summary of consumer rights with every consumer report they provide to consumers.¹ The Commission is required to provide a model summary of rights (Summary of Rights) to be used for this purpose. In addition, section 607(d)(2) of the FCRA requires the Commission to prescribe the content of notices that CRAs must provide to those who furnish information to them (Furnisher Notice) and to those who obtain consumer reports from them (User Notice).²

The Commission originally issued these three documents in 1997.³ It issued revised versions in 2004⁴ to reflect changes made to the FCRA by the Fair and Accurate Credit Transactions Act of 2003 (FACT Act).⁵ Since then, the Commission and other financial regulators have finalized new rules under the FACT Act. The Commission is now proposing a newly revised Summary of Rights, User Notice, and

¹ 15 U.S.C. 1681g(c). Under section 609(a) of the FCRA, 15 U.S.C. 1681g(a), CRAs are required to disclose to consumers the information in their files upon request. CRAs generally refer to these disclosures as "file disclosures" and provide them in a different format than the consumer reports they provide to third parties. For purposes of this notice, the term "consumer report" includes a "file disclosure" from a CRA to a consumer.
