Defense Federal Acquisition Regulation Supplement; Acquisition of Commercial Items (2008-D011)

AGENCY: Defense Acquisition Regulations System, Department of Defense (DoD).

ACTION: Interim rule; delay in confirmation as final.

SUMMARY: DoD adopted as final, without change, effective August 20, 2010, the interim rule that amended the Defense Federal Acquisition Regulation Supplement (DFARS) to implement sections 805 and 815 of the National Defense Authorization Act for Fiscal Year 2008. Subsequently, public comments on the interim rule were located, which had not been addressed in finalization of the interim rule. These public comments must be addressed in the formulation of a final rule.

DATES: The interim rule published at 74 FR 34263 on July 15, 2009, as corrected at 74 FR 35825 on July 21, 2009, remains unconfirmed as final until further notice. When appropriate, Defense Acquisition Regulations System will publish announcement of final adoption in the **Federal Register**.

SUPPLEMENTARY INFORMATION:

A. Background

DoD published an interim rule at 74 FR 34263 on July 15, 2009, to implement sections 805 and 815 of the National Defense Authorization Act

(NDAA) for Fiscal Year 2008 (Pub. L. 110-181). A correction to the interim rule was published at 74 FR 35825 on July 21, 2009, to clarify the types of services to which this rule applies, consistent with subsections (c)(1)(A) and (c)(1)(C)(i) of section 805 of the NDAA for Fiscal Year 2008. Section 805 specified when time-and-materials or labor-hour contracts may be used for commercial item acquisitions.

Upon publication of the final rule in the **Federal Register** at 75 FR 51416 on August 20, 2010, DoD was notified of several public comments that were submitted timely but were not received by DoD or considered in the formulation of the final rule. Therefore, publication of the finalization of the interim rule was premature. At this time, DoD must address the public comments received and consider whether or not there is any impact on the regulations currently in effect. Upon completion of an analysis of the public comments received, DoD will publish another document that will either (1) finalize the interim rule without change, or (2) publish a final rule incorporating the changes resulting from consideration of the public comments. Accordingly, the interim rule published at 74 FR 34263 on July 15, 2009, as corrected at 74 FR 35825 on July 21, 2009, remains in effect until such time as DoD publishes a subsequent document to finalize the interim rule.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

Fisheries of the Northeastern United States; Spiny Dogfish Fishery; Commercial Period 1 Quota Harvested

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and

Atmospheric Administration (NOAA), Commerce.

ACTION: Temporary rule; closure of spiny dogfish fishery.

SUMMARY: NMFS announces that the spiny dogfish commercial quota available to the coastal states from Maine through Florida for the first semi-annual quota period, May 1, 2010 — October 31, 2010, has been harvested. Therefore, effective 0001 hours, August 27, 2010, federally permitted spiny dogfish vessels may not fish for, possess, transfer, or land spiny dogfish until November 1, 2010, when the Period 2 quota becomes available. Regulations governing the spiny dogfish fishery require publication of this notification to advise the coastal states from Maine through Florida that the quota has been harvested and to advise vessel permit holders and dealer permit holders that no Federal commercial quota is available for landing spiny dogfish in these states. This action is necessary to prevent the fishery from exceeding its Period 1 quota and to allow for effective management of this stock.

DATES: Quota Period 1 for the spiny dogfish fishery is closed effective at 0001 hr local time, August 27, 2010, through 2400 hr local time October 31, 2010. Effective August 27, 2010, federally permitted dealers are also advised that they may not purchase spiny dogfish from federally permitted spiny dogfish vessels.

FOR FURTHER INFORMATION CONTACT: Lindsey Feldman at (978) 675-2179, or Lindsey.Feldman@noaa.gov.

SUPPLEMENTARY INFORMATION: Regulations governing the spiny dogfish fishery are found at 50 CFR part 648. The regulations require annual specification of a commercial quota, which is allocated into two quota periods based upon percentages specified in the fishery management plan. The fishery is managed from Maine through Florida, as described in § 648.230.

The initial total commercial quota for spiny dogfish for the 2010 fishing year is 15 million lb (6,803.89 mt) (74 FR 36012, June 24, 2010). The commercial quota is allocated into two periods (May 1 through October 31, and November 1 through April 30). Vessel possession limits are set at 3,000 lb (1.36 mt) for both Quota Periods 1 and 2. Quota Period 1 is allocated 8,685,000 lb (3,943.45 mt), and Quota Period 2 is allocated 6,315,000 lb (2,864.44 mt) of the commercial quota. The total quota cannot be exceeded, so landings in excess of the amount allocated to Period
