Wooden Bedroom Furniture From the People's Republic of China: Extension of Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 27, 2010.

FOR FURTHER INFORMATION CONTACT: Jeffrey Pedersen or Rebecca Pandolph, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-2769 or (202) 482-3627, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 5, 2010, the Department of Commerce ("Department") published a notice of initiation of new shipper reviews of the antidumping duty order on wooden bedroom furniture from the People's Republic of China. *See Wooden Bedroom Furniture from the People's Republic of China: Initiation of Antidumping Duty New Shipper Reviews*, 75 FR 10214 (March 5, 2010). The period of the reviews is January 1, 2009, through December 31, 2009. The

preliminary results of the new shipper reviews are currently due no later than August 28, 2010.

Extension of Time Limits for Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (“Act”), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results in a new shipper review of an antidumping duty order 180 days after the date on which the review is initiated. The Department may, however, extend the deadline for completion of the preliminary results of a new shipper review to 300 days if it determines that the case is extraordinarily complicated. See section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

The Department finds that these new shipper reviews are extraordinarily complicated and, therefore, it requires additional time to complete the preliminary results. Specifically, the Department requires additional time to examine surrogate value information in these reviews. The Department’s ability to examine this information has been limited because of the considerable resources required to complete the final results of the recent administrative review of the antidumping duty order on wooden bedroom furniture from the People’s Republic of China. Accordingly, we are extending the time for the completion of the final results of these reviews by 120 days, until December 26, 2010. However, December 26, 2010, falls on a Sunday, and it is the Department’s long-standing practice to issue a determination on the next business day when the statutory deadline falls on a weekend. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005). Accordingly, the deadline for completion of the final results of these reviews is now no later than December 27, 2010.

This notice is published in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2).

Date: August 23, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Polyethylene Terephthalate Film, Sheet and Strip From India: Extension of Time Limit for Preliminary Results of Antidumping Duty New Shipper Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: August 27, 2010.

FOR FURTHER INFORMATION CONTACT: Elfi Blum, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482–0197.

SUPPLEMENTARY INFORMATION:

Background

On March 9, 2010, the Department of Commerce (the Department) published the initiation of the new shipper review of the antidumping duty order on polyethylene terephthalate film, sheet and strip from India for the period July 1, 2009 through December 31, 2009. See *Polyethylene Terephthalate Film, Sheet and Strip from India: Initiation of Antidumping Duty and Countervailing Duty New Shipper Reviews*, 75 FR 10758 (March 9, 2010). This new shipper review covers one producer and exporter of the subject merchandise to the United States: SRF Limited. The preliminary results of this review are currently due no later than August 29, 2010. See *Notice of Clarification: Application of “Next Business Day” Rule for Administrative Determination Deadlines Pursuant to the Tariff Act of 1930, As Amended*, 70 FR 24533 (May 10, 2005).

Extension of Time Limit for the Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and section 351.214(i)(1) of the Department’s regulations require the Department to issue the preliminary results of a review within 180 days after the date on which the new shipper review was initiated, and final results of the review within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that a new shipper review is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and section 351.214(i)(2) of the Department’s regulations allow the Department to extend the 180-day period to 300 days,

and to extend the 90-day period to 150 days. The Department determines that this new shipper review involves extraordinarily complicated methodological issues, including the examination of importer and customer information. Additional time is also required to ensure that the Department can include SRF’s supplemental questionnaire response in its examination of the *bona fides* of SRF’s sale.

Therefore, the Department is extending the deadline for completion of the preliminary results of this new shipper review by a total of 54 days, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). Accordingly, the deadline for the completion of these preliminary results is now no later than October 22, 2010.

This notice is issued and published pursuant to sections 751(a)(2)(B)(iv) and 777(i)(1) of the Act.

Dated: August 18, 2010.

Edward C. Yang,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
