

effective upon filing, the Exchange has designated this proposal to be operative for trades settling on or after September 1, 2010.

## 2. Statutory Basis

The Exchange believes that its proposal to amend its Fee Schedule is consistent with Section 6(b) of the Act<sup>14</sup> in general, and furthers the objectives of Section 6(b)(4) of the Act<sup>15</sup> in particular, in that it is an equitable allocation of reasonable fees and other charges among Exchange members and other persons using its facilities.

The Exchange believes that the increase to the NOM Routing Fee is both equitable and reasonable because the Exchange is seeking to recoup the costs incurred by the Exchange to route Customer and Professional orders to NOM on behalf of its members.

The Exchange believes that it is both equitable and reasonable to lower the Monthly Cap. By lowering the Monthly Cap, the Exchange believes a greater number of ROTs and Specialists will benefit from such a Monthly Cap.

Finally, the Exchange believes that clarifying the applicability of the rebates for adding liquidity in an electronic auction is equitable and reasonable because it clearly states when the rebate is applicable to certain transactions. Currently, Customers, Professionals and Directed Participants do not receive rebates for adding liquidity in an electronic auction.

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

No written comments were either solicited or received.

## III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act.<sup>16</sup> At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is

necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings to determine whether the proposed rule should be approved or disapproved.

## SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62767; File No. SR-FICC-2010-04]

### **Self-Regulatory Organizations; Fixed Income Clearing Corporation; Notice of Filing of Proposed Rule Change To Provide Clarity With Respect to the Close Out Netting of the Government Securities Division in the Event of the Fixed Income Clearing Corporation's Default or Insolvency**

August 26, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")<sup>1</sup> and Rule 19b-4 thereunder<sup>2</sup> notice is hereby given that on August 12, 2010, the Fixed Income Clearing Corporation ("FICC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II below, which Items have been prepared primarily by FICC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The purpose of the proposed rule change is to provide clarity with respect to the close out netting of the Government Securities Division ("GSD") in the event of FICC's default or insolvency.

#### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, FICC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. FICC has prepared

<sup>14</sup> 15 U.S.C. 78f(b).

<sup>15</sup> 15 U.S.C. 78f(b)(4).

<sup>16</sup> 15 U.S.C. 78s(b)(3)(A)(ii).

summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of these statements.<sup>3</sup>

*(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change*

FICC is proposing to add a provision to the rules of GSD to make explicit the close out netting that would be applied to obligations between FICC and its members in the event that FICC becomes insolvent or defaults in its obligations to its members.<sup>4</sup>

FICC has been approached by some of its dealer members that have requested that FICC add a provision to the rules of GSD to make explicit the close out netting of obligations between FICC and its members in the event that FICC becomes insolvent or defaults in its obligations to its members. Such members have stated that the proposed rule change will provide clarity in their application of balance sheet netting to their positions with FICC under U.S. GAAP in accordance with the criteria specified in the Financial Accounting Standards Board's Interpretation No. 39, *Offsetting of Amounts Related to Certain Contracts* (FIN 39). The members have stated further that the proposed rule change would allow them to comply with Basel Accord Standards relating to netting. Specifically, firms are able to calculate their capital requirements on the basis of their net credit exposure where they have legally enforceable netting arrangements with their counterparties, which includes a close out netting provision in the event of the default of a counterparty (in this case, the division of FICC acting as a CCP).

FICC believes the proposed rule change is consistent with the requirements of Section 17A of the Act<sup>5</sup> and the rules and regulations thereunder applicable to FICC because the proposed rule change would provide FICC members with clarity in the calculation of their capital requirements with respect to their net credit exposure where members have legally enforceable netting arrangements with their counterparties. Moreover, other clearing agencies have similar provisions in their rules for the same purpose.<sup>6</sup>

<sup>3</sup> The Commission has modified the text of the summaries prepared by FICC.

<sup>4</sup> The specific language of the proposed provision can be found at [http://www.dtcc.com/downloads/legal/rule\\_filings/2010/ficc/2010-04.pdf](http://www.dtcc.com/downloads/legal/rule_filings/2010/ficc/2010-04.pdf).

<sup>5</sup> 15 U.S.C. 78q-1.

<sup>6</sup> The Commission has previously approved a similar provision for another clearing agency for the same purpose of providing such clearing agency's members with the needed clarity. Securities

*(B) Self-Regulatory Organization's Statement on Burden on Competition*

FICC does not believe that the proposed rule change would impose any burden on competition.

*(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others*

Written comments relating to the proposed rule change have not been solicited or received. FICC will notify the Commission of any written comments received by FICC.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

Within 45 days of the date of publication of this notice in the **Federal Register** or within such longer period up to 90 days (i) as the Commission may designate if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will: (A) by order approve or disapprove the proposed rule change or (B) institute proceedings to determine whether the proposed rule change should be disapproved.
