

income students for school year 2010–2011.

Also, in determining whether to approve an application for a new award (including the amount of the award) from an applicant with a current grant under this program, the Department will consider the amount of any carryover funds under the existing grant.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section of this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* Under the Government Performance and Results Act of 1993 (GPRA), the Department has developed five performance measures to evaluate the overall effectiveness of the AP Test Fee and Advanced Placement Incentive (API) programs: (1) The number of advanced placement tests taken by low-income public school students nationally; (2) The number of advanced placement tests taken by minority (Hispanic, Black, Native American) public school students nationally; (3) The percentage of advanced placement tests passed (for AP exams, receiving scores of 3–5) by low-income public school students nationally; (4) The number of advanced placement tests passed (for AP exams, receiving scores of 3–5) by low-income public school students nationally; and (5) The cost per passage of an advanced placement test taken by a low-income public school student. The information provided by grantees in their final

performance reports will be one of the sources of data for this measure. Other sources of data include the College Board and IB Americas.
