**Determinations Terminating Investigations of Petitions for Worker Adjustment Assistance**

After notice of the petitions was published in the **Federal Register** and

on the Department's Web site, as required by Section 221 of the Act (19 U.S.C. 2271), the Department initiated investigations of these petitions.

The following determinations terminating investigations were issued because the petitioner has requested that the petition be withdrawn.

TA-W No.	Subject firm	Location	Impact date
73,979 .....	Hagemeyer North America, Chambersburg Distribution Center ....	Chambersburg, PA.	
74,067 .....	Kartheiser Trucking, Inc. ....	Columbia Falls, MT.	
74,485 .....	Akzo Nobel Nonstick Coatings .....	Des Plaines, IL.	

The following determinations terminating investigations were issued in cases where these petitions were not filed in accordance with the requirements of 29 CFR 90.11. Every petition filed by workers must be signed

by at least three individuals of the petitioning worker group. Petitioners separated more than one year prior to the date of the petition cannot be covered under a certification of a petition under Section 223(b), and

therefore, may not be part of a petitioning worker group. For one or more of these reasons, these petitions were deemed invalid.

TA-W No.	Subject firm	Location	Impact date
73,145 .....	M & L Manufacturing, Inc. and The Jewelry Stream .....	Los Angeles, CA.	

The following determinations terminating investigations were issued because the petitioning groups of

workers are covered by active certifications. Consequently, further investigation in these cases would serve

no purpose since the petitioning group of workers cannot be covered by more than one certification at a time.

TA-W No.	Subject firm	Location	Impact date
73,770A .....	Chrysler Group, LLC, St. Louis North Plant .....	Fenton, MO.	
73,807 .....	Keane, Inc., Working On-Site at Teachers Insurance Annuity Association (TIAA-CREF).	Boston, MA.	
73,937 .....	Apria Healthcare, Customer Service Division .....	Duluth, GA.	

The following determinations terminating investigations were issued because the petitions are the subject of ongoing investigations under petitions filed earlier covering the same petitioners.

TA-W No.	Subject firm	Location	Impact date
74,522 .....	HealthPlan Services .....	Tampa, FL.	

The following determinations terminating investigations were issued because the Department issued a negative determination on petitions related to the relevant investigation period applicable to the same worker group. The duplicative petitions did not present new information or a change in circumstances that would result in a reversal of the Department's previous negative determination, and therefore, further investigation would duplicate efforts and serve no purpose.

TA-W No.	Subject firm	Location	Impact date
73,770 .....	Chrysler Group, LLC, St. Louis South Plant .....	Fenton, MO.	

I hereby certify that the aforementioned determinations were issued during the period of August 16, 2010 through August 20, 2010. Copies of these determinations may be requested under the Freedom of Information Act. Requests may be submitted by fax, courier services, or mail to FOIA Disclosure Officer, Office of Trade Adjustment Assistance (ETA), U.S. Department of Labor, 200 Constitution Avenue, N., Washington, DC 20210 or [tofoiarequest@dol.gov](mailto:tofoiarequest@dol.gov).
