

We are issuing this AD to prevent the pump from exceeding the fuel pressure, which could result in engine malfunction or a massive fuel leak. These conditions could cause loss of control of the airplane or a fire.

Actions and Compliance

(e) Unless already done, do the following actions.

(1) At the next maintenance, or within the next 25 hours of engine operation, whichever occurs first, after the effective date of this AD, remove affected fuel pumps, P/Ns 892230, 892232, 892235, 892236, 892540, or 892545.

(2) After the effective date of this AD, do not install fuel pump, P/Ns 892230, 892232, 892235, 892236, 892540, or 892545, on any engine.

FAA AD Differences

(f) This AD differs from the MCAI and/or service information as follows: The MCAI requires replacing an affected fuel pump with fuel pump, P/N 892542 or 892546. This AD requires replacement of an affected fuel pump with a fuel pump eligible for installation on the airplane.

Other FAA AD Provisions

(g) *Alternative Methods of Compliance (AMOCs)*: The Manager, Engine Certification Office, FAA, has the authority to approve AMOCs for this AD, if requested using the procedures found in 14 CFR 39.19.

BILLING CODE 4910-13-P

SECURITIES AND EXCHANGE COMMISSION

17 CFR Part 200

[Release No. 34-62821]

Delegation of Authority to the Director of Its Division of Enforcement

AGENCY: Securities and Exchange Commission.

ACTION: Final rule.

SUMMARY: The Commission is amending its rules to delegate authority to the Director of the Division of Enforcement, in connection with the collection of delinquent debts arising from actions to enforce the federal securities laws, to terminate collection activity or discharge debts, to accept or reject offers to compromise debts, to accept or reject offers to enter into payment plans. This action is intended to facilitate the Commission's debt resolution process.

DATES: *Effective Date:* September 8, 2010.

FOR FURTHER INFORMATION CONTACT:

Kenneth H. Hall, 202-551-4936, Office of Chief Counsel, Division of Enforcement, Securities and Exchange Commission, 100 F Street, NE., Washington, DC 20549-6553.

SUPPLEMENTARY INFORMATION: The Division of Enforcement seeks actively to collect amounts imposed in the civil actions that it files in federal district court and in administrative proceedings; these amounts represent disgorgement of ill-gotten gains from violations of the Federal securities laws and civil penalties. The Division pursues debts through further litigation, including contempt proceedings, against the debtor, and is authorized to refer delinquent debts to the U.S. Department of the Treasury for administrative collection activity, including offset of debts against amounts otherwise owed by the government to the debtor and administrative garnishment of a debtor's wages.

Based upon a debtor's financial condition, as substantiated by creditable evidence, the Commission may determine to accept a debtor's offer to pay the debt in installments, or to compromise, *i.e.*, satisfy the debt by payment of a lesser amount than the outstanding balance. In addition, when all reasonable steps have been taken to collect a debt, the Commission may authorize its staff to terminate collection activity or discharge the debt. Termination of collection activity preserves the debt as an obligation of the debtor, and does not bar future activity to collect the debt should that

become practicable. Discharge of the debt is essentially a forgiveness of the debtor's obligation to pay, which may have tax consequences for the debtor. The Commission is delegating to the Director of the Division of Enforcement the authority to resolve certain debts arising from actions to enforce the federal securities laws; in particular, the Director is authorized to terminate collection activity or discharge debts, to accept offers to compromise debts (when the principal amount of the debt is \$5 million or less) or to reject any offers to compromise debts, and to accept or reject offers to enter into payment plans. This delegation will improve the efficiency of the Division's debt collection program.

In any case the Division Director deems appropriate, the recommendation that a debt be resolved through termination of collection activity, discharge or by payment plan or compromise, may be submitted to the Commission for review.

Administrative Law Matters:

The Commission finds, in accordance with section 553(b)(3)(A) of the Administrative Procedure Act ("APA") (5 U.S.C. 553(b)(3)(A)) that this amendment relates solely to agency organization, procedure, or practice, and does not relate to a substantive rule. Accordingly, notice, opportunity for public comment, and publication of the amendment prior to its effective date are unnecessary. For the same reason, and because this amendment does not substantively affect the rights or obligations of non-agency parties, the provisions of the Small Business Regulatory Enforcement Fairness Act, 5 U.S.C. 804(3)(C), are not applicable. Additionally, the provisions of the Regulatory Flexibility Act, which apply only when notice and comment are required by the APA or other law, 5 U.S.C. 603, are not applicable. Section 23(a)(2) of the Securities Exchange Act of 1934, 15 U.S.C. 78w(a)(2), requires the Commission, in adopting rules under that Act, to consider the anticompetitive effects of any rules it adopts. The Commission does not believe that the amendment the Commission is adopting today will have any impact on competition. Finally, this amendment does not contain any collection of information requirements as defined by the Paperwork Reduction Act of 1980, as amended.

I. Introduction

As part of the Dodd-Frank Act, signed into law by President Obama on July 21, 2010, Congress amended Section 15B(a) of the Exchange Act⁴ to, among other things, make it unlawful for municipal advisors, as defined below,⁵ to provide certain advice or solicit municipal entities or certain other persons without registering with the Commission.⁶ The registration requirement for municipal advisors becomes effective on October 1, 2010, meaning that municipal advisors must be registered on that date in order to continue their municipal advisory services.⁷

The Commission is today adopting, on an interim final temporary basis, new Rule 15Ba2-6T⁸ under the Exchange Act, which will permit municipal advisors to temporarily satisfy the registration requirement. The adoption of Rule 15Ba2-6T serves as a transitional step to the implementation of a final permanent registration program, makes relevant information available to the public and municipal entities, and permits municipal advisors to continue their business after October 1, 2010. A municipal advisor may temporarily satisfy the statutory registration requirement by submitting certain information electronically through the Commission’s public Web
