The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

2. Statutory Basis

The proposed rule change is consistent with Section 6(b)⁷ of the Securities Exchange Act of 1934 (the “Act”), in general, and furthers the objectives of Section 6(b)(5),⁸ in particular, in that it is designed to prevent fraudulent and manipulative

acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, and to remove impediments to and perfect the mechanism of a free and open market and a national market system. Specifically, the proposed rule change will allow the Exchange to continue receiving inbound routes of equities orders from Arca Securities acting in its capacity as a facility of the NYSE Arca and NYSE Amex, in a manner consistent with prior approvals and established protections. Employment Network Report Card

AGENCY: Social Security Administration (SSA).

ACTION: Notice of Webinar and National Teleconference Call listening sessions—announcing two opportunities for SSA to hear public comments on Employment Network quality assurance, including a ticket consumer Employment Network Report Card.

SUMMARY: We are soliciting the views of the public, beneficiaries, advocates, Employment Networks (EN), and other professionals on a key part of our quality assurance and performance measurement system for the Ticket to Work (TTW) program. An EN is a private or public entity that provides employment support and/or vocational rehabilitation services to Social Security Disability Insurance (SSDI) and Supplemental Security Income (SSI) disabled beneficiaries who choose to participate in the TTW program.

We are seeking to expand and improve the mechanism used to monitor and evaluate EN performance under the TTW program. We plan to accomplish this goal by combining a user-friendly EN Report Card, which contains customer satisfaction feedback, with the current administrative data that EN's submit annually. The EN Report Card will be useful to beneficiaries in making informed choices regarding their selection of ENs under the TTW program. We will use the findings to inform ENs about the service expectations of TTW beneficiaries, the level of satisfaction of beneficiaries who
