Recovery Policy RP9523.12, Debris Operation—Hand-Loaded Trucks and Trailers

AGENCY: Federal Emergency Management Agency, DHS.

ACTION: Notice of availability.

SUMMARY: The Federal Emergency Management Agency (FEMA) is issuing Recovery Policy RP9523.12, *Debris Operation—Hand-Loaded Trucks and Trailers*.

DATES: This policy is effective April 12, 2010.

ADDRESSES: This final policy is available at <http://www.regulations.gov> and on FEMA's Web site at <http://www.fema.gov>. You may also view a hard copy of the final policy at the Office of Chief Counsel, Federal Emergency Management Agency, Room 835, 500 C Street, SW., Washington, DC 20472-3100.

SUPPLEMENTARY INFORMATION: This policy establishes procedures for reimbursing applicants for eligible debris removal accomplished with trucks and trailers loaded physically by hand, rather than with mechanical equipment.

FEMA previously issued this policy on May 1, 2006. FEMA reviewed this policy according to the established schedule for FEMA Public Assistance policies. Therefore, FEMA requested review and comment on the draft policy in September 2009. FEMA did not receive substantive comments on the policy. This policy does not implement any major changes to the previously effective policy dated May 1, 2006. However, this policy does state that debris monitors should not reduce the capacity of each hand-loaded truck or trailer for debris types that mechanical

loading methods cannot significantly reduce volumes.

Submitted comments may also be inspected at FEMA, Office of Chief Counsel, Room 835, 500 C Street, SW., Washington, DC 20472-3100.

II. Background

The purpose of this policy is to describe the criteria the Federal Emergency Management Agency (FEMA) will use to determine eligibility of costs under the Public Assistance (PA) Program incurred through mutual aid agreements between applicants and other entities after major disasters and emergencies declared by the President pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act.

This policy was previously issued on August 13, 2007. The previous version indicated that mutual aid costs for permanent work was not eligible for Public Assistance funding. The significant change to the proposed policy is the allowance of mutual aid for permanent work. The primary reason of the limitation of mutual aid costs to emergency work is the assumption that mutual aid is provided for assistance with emergency work only. The intent of the policy was not to make emergency power restoration through

permanent repairs performed through mutual aid ineligible for Public Assistance funding. Further there is no restriction in FEMA regulations on mutual aid assistance for permanent work.

FEMA seeks comment on the proposed policy, which is available online at <http://www.regulations.gov> in docket ID FEMA-2010-0055. Based on the comments received, FEMA may make appropriate revisions to the proposed policy. Although FEMA will consider any comments received in the drafting of the final policy, FEMA will not provide a response to comments document. When or if FEMA issues a final policy, FEMA will publish a notice of availability in the **Federal Register** and make the final policy available at <http://www.regulations.gov>.
