

("Posh Nosh"); Greenwich, Inc. of Florham Park, New Jersey ("Greenwich"); Advantage Food Distributors Ltd. of Suffolk, UK ("Advantage Food"); Wheeler Trading, Inc. of Miramar, Florida ("Wheeler Trading"); Avalon International General Trading, LLC of Dubai, United Arab Emirates ("Avalon"); and Central Supply, Inc. of Brooklyn, New York ("Central Supply"). The complaint further alleged that an industry in the United States exists as required by subsection (a)(2) of section 337. The asserted trademarks are U.S. Trademark Reg. Nos. 3,092,197; 2,946,045; 2,994,429; and 3,479,607. The asserted copyright is U.S. Copyright Registration No. VA0001410959.

On January 5, 2010, the Commission determined not to review two initial determinations ("IDs") (Order Nos. 21 and 22) finding Lamont and Avalon in default pursuant to Commission Rule 210.16. On January 28, 2010, the Commission determined not to review two additional IDs (Order Nos. 29 and 30) finding respondents Posh Nosh, Greenwich, Advantage Food, and Chicago Imports in default pursuant to Commission Rule 210.16. On February 16, 2010, the Commission determined not to review an ID (Order No. 32) finding respondent Central Supply in default pursuant to Commission Rule 210.16.

Wheeler Trading, Washington Food, India Imports, and Vending Plus were the only respondents that responded to the complaint and notice of investigation. On January 20, 2010, the Commission determined not to review four IDs (Order Nos. 24, 25, 26, and 27) terminating the investigation as to those respondents on the basis of settlement agreements. Thus, defaulting respondents Posh Nosh, Greenwich, Advantage Food, Chicago Imports, Avalon, Central Supply, and Lamont were the only respondents remaining in the investigation.

On December 2, 2009, Red Bull moved for summary determination on the issues of domestic industry, importation, and violation of Section 337. Pursuant to Commission Rule 210.16(c)(2), 19 CFR 216(c)(2), Red Bull also stated that it was seeking a general exclusion order. On March 31, 2010, the presiding ALJ issued the subject ID, Order No. 34, granting Red Bull's motion for summary determination of violation with respect to respondents Avalon, Posh Nosh, Greenwich, Advantage Food, Central Supply, and Chicago Import, but not with respect to Lamont. He also issued his recommendations on remedy and bonding in Order No. 34. Specifically,

the ALJ recommended issuance of a general exclusion order and a bond of 100 percent. No petitions for review were filed.

On May 14, 2010, the Commission issued notice of its determination not to review the ID granting summary determination of violation in part, and requesting briefing on remedy, the public interest, and bonding. On May 28, 2010, Red Bull submitted briefing on remedy, the public interest, and bonding. Specifically, Red Bull requested a general exclusion order. The IA also submitted briefing on May 28, 2010, in support of a general exclusion order. No other submissions were received.

Having reviewed the record in this investigation, including the ALJ's recommended determination, the Commission has determined that the appropriate relief is a general exclusion order prohibiting the unlicensed entry of certain energy drink products that (i) infringe U.S. Trademark Registration Nos. 3,092,197; 2,946,045; 2,994,429; or 3,479,607 or any marks confusingly similar thereto or that are otherwise misleading as to source, origin, or sponsorship, or (ii) bear Red Bull's U.S. Copyright Registration No. VA0001410959 or a design confusingly similar thereto or that are otherwise misleading as to source, origin or sponsorship.

The Commission has further determined that the public interest factors listed in section 337(d)(1) do not preclude issuance of the general exclusion order. Finally, the Commission has determined that the amount of bond to permit temporary importation during the period of Presidential review shall be in the amount of 100 percent of the value of the infringing products that are subject to the general exclusion order. The Commission's order and opinion were delivered to the President and to the United States Trade Representative on the day they were issued.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. 1337, and in sections 210.49–50 of the Commission's Rules of Practice and Procedure, 19 CFR 210.49–50.

Issued: September 8, 2010.

By order of the Commission.

Marilyn R. Abbott,

Secretary to the Commission.

BILLING CODE 4410-18-P

DEPARTMENT OF LABOR

Office of the Secretary: Combating Exploitative Child Labor by Promoting Sustainable Livelihoods and Educational Opportunities for Children in Egypt and Jordan

AGENCY: Bureau of International Labor Affairs, U.S. Department of Labor.

ACTION: Notice of Intent to Solicit Cooperative Agreement Applications.

SUMMARY: The U.S. Department of Labor (USDOL), Bureau of International Labor Affairs (ILAB), intends to award, through a competitive and merit-based process, two or more cooperative agreements to organizations to implement projects to combat exploitative child labor by promoting educational and training opportunities for target children and sustainable livelihoods for their households. In FY 2010, ILAB received Congressional authority to fund subgrants and microfinance activities.

ILAB intends to obligate up to \$9.5 million for a child labor elimination project(s) in *Egypt* and up to \$4 million for a child labor elimination project(s) in *Jordan*. Projects to be funded under these solicitations will need to address the following five goals:

1. Reducing exploitative child labor, especially the worst forms through the provision of direct educational services and by addressing root causes of child labor, including innovative strategies to promote sustainable livelihoods of target households;

2. Strengthening policies on child labor, education, and sustainable livelihoods, and the capacity of national institutions to combat child labor, address its root causes, and promote formal, nonformal and vocational education opportunities to provide children with alternatives to child labor;

3. Raising awareness of exploitative and hazardous child labor and its root causes, and the importance of education for all children and mobilizing a wide array of actors to improve and expand education infrastructures;

4. Supporting research, evaluation, and the collection of reliable data on child labor, its root causes, and effective strategies, including educational and vocational alternatives, microfinance and other income generating activities to improve household income; and

5. Ensuring the long-term sustainability of these efforts.

ILAB intends to solicit cooperative agreement applications from qualified organizations (*i.e.*, any commercial, international, educational, or non-profit organization, including any faith-based, community-based, or public international organization(s), capable of successfully developing and implementing child labor projects) to implement these projects. Please refer to <http://www.dol.gov/ILAB/grants/main.htm> for examples of previous notices of availability of funds and solicitations for cooperative agreement applications (SGAs).

Key Dates: The forthcoming SGAs will be published on <http://www.grants.gov> and USDOL/ILAB's Web site. A brief synopsis of the SGA(s), which will include Web site links to the full text solicitation(s), will be published in the **Federal Register**. The SGA(s) will remain open for at least 45 days from the date of publication. All cooperative agreement awards will be made on or before December 31, 2010.

Submission Information: Applications in response to the forthcoming SGAs may be submitted electronically via <http://www.grants.gov> or hard copy by mail. Hard copy applications must be delivered to: U.S. Department of Labor, Procurement Services Center, 200 Constitution Avenue, NW., Room S-4307, Washington, DC 20210, Attention: Georgiette Nkpa. Any application sent by other delivery methods, including e-mail, telegram, or facsimile (FAX) will not be accepted.

FOR FURTHER INFORMATION CONTACT: Mrs. Georgiette Nkpa. E-mail address: nkpa.georgiette@dol.gov. All inquiries should make reference to the USDOL Combating Exploitative Child Labor by Promoting Sustainable Livelihoods and Educational Opportunities for Children in Egypt and Jordan—Solicitations for Cooperative Agreement Applications. Information on specific target groups, sectors, geographic regions, and funding levels for the potential projects in the countries listed above will be addressed in one or more solicitations for

cooperative agreement applications to be published prior to September 30, 2010. Potential applicants should not submit inquiries to USDOL for further information on these award opportunities until after USDOL's publication of the solicitation(s). For a list of frequently asked questions on ILAB's Solicitations for Cooperative Agreement Applications (based on last year's solicitation, SGA 09-06), please visit <http://www.dol.gov/ilab/grants/20090624/SGAQandAs.pdf>.

Background Information: Since 1995, the U.S. Congress has appropriated over \$780 million to ILAB for efforts to combat exploitative child labor internationally. This funding has been used to support technical cooperation projects to combat exploitative child labor, including the worst forms, in more than 80 countries around the world. Technical cooperation projects funded by USDOL range from targeted action programs in specific sectors of work to more comprehensive programs that support national efforts to eliminate the worst forms of child labor, as defined by International Labor Organization (ILO) Convention 182. USDOL-funded projects have withdrawn or prevented over 1.4 million children from exploitative child labor.

Signed at Washington, DC, this 7th day of September, 2010.

Cassandra R. Mitchell,

Grant Officer.
