[Docket No. FWS-R9-MB-2010-0060; 91200-1231-9BPP]

**Migratory Birds; Take of Migrant Peregrine Falcons for Use in Falconry**

**AGENCY:** Fish and Wildlife Service, Interior.

**ACTION:** Notice.

**SUMMARY:** In December 2008, we completed an Environmental Assessment (EA) on take of peregrine falcons for use in falconry. This notice is to inform the public of the allocation of take of migrant peregrine falcons in 2010 agreed on by the States.

**FOR FURTHER INFORMATION CONTACT:** Dr. George Allen, Division of Migratory Bird Management, U.S. Fish and Wildlife Service, at 703-358-1825.

**SUPPLEMENTARY INFORMATION:** Our authority to govern take of raptors is derived from the Migratory Bird Treaty Act (16 U.S.C. 703-712), which prohibits any person from taking, possessing, purchasing, bartering, selling, or offering to purchase, barter, or sell, among other things, raptors (birds of prey) listed in 50 CFR 10.13 unless the activities are allowed under Federal regulations. Take and possession of raptors for use in falconry is governed by regulations at 50 CFR 21.29.

We completed an EA on take of migrant peregrine falcons in 2008 (73 FR 74508; December 8, 2008). Our preferred alternative allows a take of 36 fall first-year (passage) migrant peregrine falcons from 20 September through 20 October, from anywhere in the United States east of 100 degrees W longitude. Allocation of the 36 passage peregrine falcons to be taken from the United States east of 100 degrees W longitude was agreed upon by the Atlantic, Mississippi, and Central Flyways. We expect the allowed take of the passage peregrines in 2010 to be as follows:

State	Allowed take
<b>Atlantic Flyway</b>	
Maine .....	2
Maryland .....	2
Virginia .....	1
North Carolina .....	2
South Carolina .....	1
Georgia .....	2
Florida .....	2
<b>Mississippi Flyway</b>	
Minnesota .....	1

State	Allowed take
Arkansas .....	3
Mississippi .....	8
<b>Central Flyway</b>	
Oklahoma .....	1
Texas .....	11
Total .....	36

Interested individuals will need to contact each State that will allow take of passage peregrine falcons to learn whether the State will allow take by a resident of another State.

We expect the Flyways to review the allocation of the take of passage peregrines each year. We will continue to work with them on the issue, and may publish notices about it in the future. As noted in the Final EA on take of migrant peregrines, we will review population and harvest data for Canada, the United States, and Mexico every 5 years, or at the request of the Flyway Councils, to reassess the allowable harvest limits. We will publish a notice in the **Federal Register** if we determine that the take of passage peregrine falcons should be changed.

Dated: August 27, 2010.

**National Register of Historic Places; Notification of Pending Nominations and Related Actions**

Nominations for the following properties being considered for listing or related actions in the National Register were received by the National Park Service before August 21, 2010. Pursuant to § 60.13 of 36 CFR Part 60, written comments are being accepted concerning the significance of the nominated properties under the National Register criteria for evaluation. Comments may be forwarded by United States Postal Service, to the National Register of Historic Places, National Park Service, 1849 C St., NW., 2280, Washington, DC 20240; by all other carriers, National Register of Historic Places, National Park Service, 1201 Eye St., NW., 8th floor, Washington, DC 20005; or by fax, 202-371-6447. Written or faxed comments should be submitted by October 1, 2010.

Before including your address, phone number, e-mail address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
