SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62902; File No. SR-CBOE-2010-081]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Waiver of Transaction Fee for Public Customer Orders in SPDR Options Executed in Open Outcry or in the Automated Improvement Mechanism

September 14, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934, 15 U.S.C. 78s(b)(1), notice is hereby given that on September 3, 2010, Chicago Board Options Exchange, Incorporated (“CBOE” or the “Exchange”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by CBOE. The Commission is publishing this notice to

solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Chicago Board Options Exchange, Incorporated (“CBOE” or “Exchange”) proposes to amend its Fees Schedule to waive the transaction fee for public customer orders in options on Standard & Poor’s Depository Receipts that are executed in open outcry or in the Automated Improvement Mechanism. The text of the proposed rule change is available on the Exchange’s Web site (<http://www.cboe.org/legal>), at the Exchange’s Office of the Secretary and at the Commission.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, CBOE included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. CBOE has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

Public customer (“C” origin code) orders in options on Standard & Poor’s Depository Receipts (“SPDR options”) are charged a transaction fee of \$.18 per contract, except for orders of 99 contracts or less.¹ The Exchange proposes to amend its Fees Schedule to waive the transaction fee for public customer orders in SPDR options that are executed in open outcry or in the Automated Improvement Mechanism (“AIM”)², effective September 7, 2010 through November 30, 2010. The proposed fee waiver is intended to attract more customer volume on the Exchange in this product.

¹ Transaction fees are currently waived for customer orders of 99 contracts or less in ETF, ETN and HOLDRS options. See CBOE Fees Schedule, footnote 9.

² AIM is an electronic auction system that exposes certain orders electronically in an auction to provide such orders with the opportunity to receive an execution at an improved price. AIM is governed by CBOE Rule 6.74A.

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (“Act”)³, in general, and furthers the objectives of Section 6(b)(4)⁴ of the Act in particular, in that it is designed to provide for the equitable allocation of reasonable dues, fees, and other charges among its members and other persons using its facilities. The Exchange believes the proposed fee waiver is reasonable because it would result in cost savings during the waiver period for public customers trading SPDR options and is consistent with other fees assessed by the Exchange. The Exchange assesses manually executed broker-dealer orders a different rate (\$.25 per contract) as compared to electronically executed broker-dealer orders (\$.45 per contract), and a different rate (\$.20 per contract) for broker-dealer orders executed on AIM as compared to other electronic executions and manual executions of broker-dealer orders.⁵ Other exchange fee schedules also distinguish between electronically and non-electronically executed orders.⁶ The Exchange believes the proposed fee waiver is equitable because it would apply uniformly to all public customers trading SPDR options.

B. Self-Regulatory Organization’s Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of purposes of the Act.

C. Self-Regulatory Organization’s Statement on Comments Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and subparagraph (f)(2) of Rule 19b-4⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
