

subject to the Department's affirmative critical circumstances finding. Pursuant to section 706(a) of the Act, the Department is publishing a countervailing duty order on the subject merchandise.

Scope of the Order

The scope of this order includes certain chemically-bonded (resin or pitch), magnesia carbon bricks with a magnesia component of at least 70 percent magnesia ("MgO") by weight, regardless of the source of raw materials for the MgO, with carbon levels ranging from trace amounts to 30 percent by weight, regardless of enhancements (for example, magnesia carbon bricks can be enhanced with coating, grinding, tar impregnation or coking, high temperature heat treatments, anti-slip treatments or metal casing) and regardless of whether or not antioxidants are present (for example,

antioxidants can be added to the mix from trace amounts to 15 percent by weight as various metals, metal alloys, and metal carbides). Certain magnesia carbon bricks that are the subject of this order are currently classifiable under subheadings 6902.10.1000, 6902.10.5000, 6815.91.0000, 6815.99.2000 and 6815.99.4000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). While HTSUS subheadings are provided for convenience and customs purposes, the written description is dispositive.

Countervailing Duty Order

On September 8, 2010, the ITC notified the Department of its final determination, pursuant to section 705(b)(1)(A)(i) of the Act, that an industry in the United States is materially injured as a result of subsidized imports of MCBs from the PRC.¹

As a result of the Department's negative preliminary determination and subsequent affirmative final determination, liquidation was suspended effective the publication date of the *Final Determination*. See *Final Determination*, 75 FR at 45474.

In accordance with section 706 of the Act, CBP will continue suspension of liquidation for MCBs from the PRC, and will assess, upon further advice by the Department pursuant to section 706(a)(1) of the Act, countervailing duties for each entry of subject merchandise in an amount based on the net countervailable subsidy rates for the subject merchandise.

On or after the date of publication of the ITC's final injury determination in the **Federal Register**, CBP must require, at the same time as importers would normally deposit estimated duties on this merchandise, a cash deposit equal to the rates noted below:

Exporter/Manufacturer	Net Countervailable Subsidy Rate
RHI (RHI Refractories Liaoning Co., Ltd. and RHI Refractories (Dalian) Co., Ltd.)	24.24 % ad valorem
Mayerton (Liaoning Mayerton Refractories and Dalian Mayerton Refractories Co. Ltd.)	253.87 % ad valorem
All Others	24.24 % ad valorem

With regard to the ITC's negative critical circumstances determination on imports of the subject merchandise from the PRC, as noted above, we did not instruct CBP to suspend entries and collect a cash deposit, bond or other security until publication of our *Final Determination* on August 2, 2010. Accordingly, with respect to countervailing duties, there are no entries prior to March 12, 2010, for which CBP should lift suspension and release any bond or other security pursuant to the ITC's negative critical circumstances determination.

This notice constitutes the countervailing duty order with respect to MCBs from the PRC pursuant to section 706(a) of the Act. Interested parties may contact the Department's Central Records Unit, Room 1117 of the main Commerce building, for copies of an updated list of countervailing duty orders currently in effect.

This notice is issued and published in accordance with sections 705(c)(2), 706(a) and 777(i)(1) of the Act, and 19 CFR 351.211.

Dated: September 15, 2010.
Ronald K. Lorentzen,
Deputy Assistant Secretary for Import Administration.

Tapered Roller Bearings and Parts Thereof, Finished and Unfinished, from the People's Republic of China; Extension of Time Limit for the Final Administrative Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

FOR FURTHER INFORMATION CONTACT: Brendan Quinn or Trisha Tran, AD/CVD Operations, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, *telephone:* (202)

482-5848 or (202) 482-4852, respectively.

SUPPLEMENTARY INFORMATION:

Background

On July 29, 2009, the Department of Commerce ("Department") initiated the administrative review of the antidumping duty order on tapered roller bearings and parts thereof, finished or unfinished ("TRBs"), from the People's Republic of China ("PRC") for the period June 1, 2008, through May 31, 2009. See *Initiation of Antidumping and Countervailing Duty Administrative Reviews and Deferral of Administrative Review*, 74 FR 37690 (July 29, 2009). On July 15, 2010, the Department published its preliminary results of the administrative review of the antidumping order on TRBs from the PRC. See *Tapered Roller Bearings and Parts Thereof, Finished or Unfinished, from the People's Republic of China: Preliminary Results of the 2008-2009 Administrative Review of the Antidumping Duty Order*, 75 FR 41148 (July 15, 2010). The final results of this administrative review are currently due no later than November 12, 2010.

¹ Because the vote of the ITC with respect to imports of MCBs from the PRC was evenly divided between a determination of material injury and a

determination of threat of material injury, the Department is treating this vote, for purposes of duty assessment, as an affirmative finding of

material injury consistent with section 771(11) of the Act.

Extension of Time Limit for Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (“the Act”), requires the Department to issue the final results in an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days.

We determine that it is not practicable to complete the final results of this review within the original time limit because the Department requires additional time to analyze: (a) Issues raised in post-preliminary results supplemental questionnaire responses; (b) issues raised in recent surrogate value submissions; and (c) the anticipated complexity of arguments in the upcoming case and rebuttal briefs due to surrogate valuation, successor-in-interest, and scope issues with regard to the respondents. Therefore, given the complexity of issues in this case, we are extending the time limit for completion of the final results by 30 days.

An extension of 30 days from the current deadline of November 12, 2010, would result in a new deadline of December 12, 2010. However, since December 12, 2010, falls on a Sunday, a non-business day, the final results will now be due no later than December 13, 2010, the next business day.

This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: September 15, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

National Oceanic and Atmospheric Administration

Extension of Application Period for Seats for the Stellwagen Bank National Marine Sanctuary Advisory Council

AGENCY: Office of National Marine Sanctuaries (ONMS), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Department of Commerce (DOC).

ACTION: Notice of extension for application period and request for applications.

SUMMARY: The ONMS is extending the deadline and seeking applications for

the following vacant seats on the Stellwagen Bank National Marine Sanctuary Advisory Council:

Advisory Council: for member and alternate seats for Conservation; and alternates seats for Whalewatching, Education, At-Large and Mobile Gear Commercial Fishing.

Applicants are chosen based upon their particular expertise and experience in relation to the seat for which they are applying; community and professional affiliations; philosophy regarding the protection and management of marine resources; and possibly the length of residence in the area affected by the sanctuary. Applicants who are chosen as members should expect to serve two- to three-year terms, pursuant to the council’s Charter.

DATES: Applications are due by 11 October, 2010 (COB: close of business day).

ADDRESSES: Application kits may be obtained at <http://www.stellwagen.noaa.gov/sac/news.html>. Completed applications should be sent to Elizabeth.stokes@noaa.gov or faxed to 781-545-8036.

FOR FURTHER INFORMATION CONTACT: Nathalie Ward, Stellwagen Bank National Marine Sanctuary, 175 Edward Foster Road, Scituate, MA 02066, 781-545-8026 X206, nathalie.ward@noa.gov.

SUPPLEMENTARY INFORMATION: The Stellwagen Bank National Marine Sanctuary Advisory Council was established in March 2001 to assure continued public participation in the management of the Sanctuary. The Advisory Council’s 17 voting members represent a variety of local user groups, as well as the general public, plus 6 local, state and Federal government agencies. Since its establishment, the Council has played a vital role in advising the Sanctuary and NOAA on critical issues.

The Stellwagen Bank National Marine Sanctuary encompasses 842 square miles of ocean, stretching between Cape Ann and Cape Cod. Renowned for its scenic beauty and remarkable productivity, the sanctuary supports a rich diversity of marine life including 22 species of marine mammals, more than 30 species of seabirds, over 60 species of fishes, and hundreds of marine invertebrates and plants.
