

virus (CHIKV) envelope proteins. The invention also describes DNA, viral or other gene-based vector and VLP vaccines, methods of making and methods of their use in inducing immunity to alphavirus infection. Alphaviruses are RNA-containing viruses that cause a wide variety of mosquito-transmitted diseases, including equine encephalitis. CHIKV, an alphavirus in the family *Togaviridae*, was first isolated in Tanzania in 1952 and is transmitted to humans by mosquitoes. The disease caused by CHIKV resembles infection by dengue virus, characterized by rash, high fever, and severe, sometimes persistent arthritis.

The field of use may be limited to "Prevention, prophylaxis, cure, amelioration, and/or treatment of infection and/or the effects thereof of Chikungunya infections in humans".

Properly filed competing applications for a license filed in response to this notice will be treated as objections to the contemplated license. Specifically: (1) Reviews, ranks and selects participants for the scholarship and loan repayment programs; (2) verifies and processes loan and lender related payments in prescribed manner and maintains current information on scholarship and loan repayment applications and awards through automated BCRS information systems; (3) manages scholar in-school activities; and (4) facilitates scholar placement.

#### Division of External Affairs (RU7)

Serves as the focal point for the development of all messaging both internal and external and dissemination of promotional materials, brochures, speeches, and articles. Specifically: (1) Leads, coordinates, and conducts student, clinician and site recruitment, retention and outreach strategies and related activities; (2) coordinates all Bureau conferences and clinician and site training; (3) establishes and manages partner collaboration, NHSC alumni and the State Primary Care Offices (PCOs); (4) performs marketplace analysis; (5) maintains a speaker for the Bureau communicating clinician and site success stories and promotes the Bureau's programs; and (6) maintains responsibility for all communication functions including but not limited to the Bureau Web site, BCRS Call Center and customer service portal, and newsletters.

#### Office of Policy and Program Development (RU8)

Serves as the focal point for the development of BCRS programs and policies. Specifically: (1) Leads and coordinates the analysis, development and drafting of policy impacting BCRS programs; (2) coordinates program planning and tracking of legislation and other information related to BCRS programs; (3) leads and monitors the development of workforce projections relating to BCRS program; (4) provides oversight, processing and coordination for the J1-visa program; (5) works collaboratively with other components

within HRSA and HHS, and with other Federal agencies, State and local governments, and other public and private organizations on issues affecting BCRS programs and policies; (6) performs environmental scanning on issues that affect BCRS programs and assesses the impact of programs on underserved communities; (7) monitors BCRS activities in relation to HRSA's Strategic Plan; (8) develops budget projections and justifications; and (9) serves as the Bureau's focal point for program information.

#### Division of Program Operations (RU9)

Serves as the organizational focal point for the Bureau's centralized, comprehensive customer service function to support program participants. Provides regular and ongoing communication, technical assistance and support to program participants through the period of obligated service and closeout. Specifically: (1) Manages the staff and daily operations of the Bureau's Call Center and centralized customer service function; (2) initiates contact with and monitors program participants throughout their service; (3) manages clinician support, site transfers, in-service reviews and recommends suspensions, waivers and defaults; (4) manages the 6-month verification process; (5) conducts closeout activities for each program participant and issues completion certificates; and (6) maintains program participants' case files in the Bureau's management information system.

#### Division of Regional Operations (RU10)

Serves as the regional component of BCRS cutting across all Divisions and working with BCRS programs as a whole. Specifically, the Regional Offices will support BCRS by: (1) Completing NHSC site visits; (2) providing support for recruitment and retention of primary health care providers in Health Professions Shortage Areas; (3) providing ongoing surveillance and analysis of workforce trends and making recommendations on ways to improve the effectiveness of policies and programs; (4) understanding needs of the States as it relates to recruitment and retention of clinicians to improve public health and health care systems; and (5) conducting other activities designed to improve access to quality care, reduce disparities and improve public health in accordance with HRSA authorities and in partnership with related public and private sector organizations.

#### Office of Business Operations (RU11)

Serves as the focal point for the Bureau's management information systems and reports, data analysis, and automation of business processes to support the recruitment and retention of health professionals in underserved areas and supporting communities' efforts to build more integrated and sustainable systems of care. Specifically: (1) Provides leadership for implementing BCRS systems development, enhancement and administration; (2) designs and implements data systems to assess and improve program performance; (3) provides user support and training to facilitate the effectiveness of the Bureau's information systems; (4) coordinates quality and performance reporting activities; (5) identifies, provides and coordinates assistance to BCRS programs to support performance reporting activities; and (6) continuously identifies, reduces or eliminates suboptimal business processes throughout the Bureau.

#### Section RU-30, Delegations of Authority

All delegations of authority and re-delegations of authority made to HRSA officials that were in effect immediately prior to this reorganization, and that are consistent with this reorganization, shall continue in effect pending further re-delegation.

This reorganization is upon date of signature.

Dated: September 20, 2010.
