[Docket No. FR-5415-C-11]

Notice of Funding Availability for HUD's Fiscal Year (FY) 2010 Lead-Based Paint Hazard Control Grant Program and Lead Hazard Reduction Demonstration Grant Program; Technical Correction

AGENCY: Office of Healthy Homes and Lead Hazard Control, HUD.

ACTION: Notice of technical correction.

SUMMARY: On September 2, 2010, HUD posted on <http://www.Grants.gov> its Notice of Funding Availability (NOFA) for HUD's FY2010 Lead-Based Paint Hazard Control Grant Program and Lead Hazard Reduction Demonstration Grant Program. Today's **Federal Register** publication announces that HUD has posted on <http://www.Grants.gov> a technical correction that, among other things, corrects Appendix A of the NOFA. Appendix A of the NOFA inadvertently omitted listing three jurisdictions that are eligible to apply for the FY2010 Lead Hazard Reduction Demonstration NOFA. As a result, HUD is correcting Appendix A and establishing deadlines for the three affected eligible jurisdictions to submit an application and a waiver request to reduce the statutory match. HUD also posted an incorrect benchmark form for the FY2010 Lead Hazard Reduction Demonstration NOFA. As a result, HUD is extending the deadline for the submission of applications for other jurisdictions unaffected by the error in Appendix A. For jurisdictions eligible under the Lead-Based Paint Hazard Control Grant Program NOFA, there is no change to the deadline date for submission and timely receipt.

The revised Appendix A and revised benchmark form for the Lead Hazard Reduction Demonstration Grant Program NOFA can be found and downloaded from <http://www.grants.gov>, using the CFDA number for that program, 14.905.

DATES: For the jurisdictions added to Appendix A of the Lead Hazard Reduction Demonstration Program

NOFA: The Deadline Date for Submission and Timely Receipt is 11:59:59 p.m. eastern time November 4, 2010. For these jurisdictions, the deadline for submitting the match waiver request is 5 p.m. eastern time October 13, 2010.

For all other jurisdictions eligible to apply for funding under the Lead Hazard Reduction Demonstration Program NOFA: The deadline for receipt of an application is extended from 11:59:59 p.m. eastern time October 15, 2010 to 11:59:59 p.m. eastern time October 22, 2010.

FOR FURTHER INFORMATION CONTACT: For information concerning the Lead-Based Paint Hazard Control Grant Program and Lead Hazard Reduction Demonstration Grant Program, contact Michelle Miller, Director, Programs Division, Office of Healthy Homes and Lead Hazard Control, Department of Housing and Urban Development, 451 Seventh Street, SW., Room 8236, Washington, DC 20410-3000; telephone number 202-402-5769 (this is not a toll-free number). SUPPLEMENTARY INFORMATION:

I. Abstract

IEED is seeking renewal of the approval for the information collection conducted under OMB Control Number 1076-0135, Reporting System for Public Law 102-477 Demonstration Project. This information collection allows IEED to document satisfactory compliance with statutory, regulatory, and other requirements of the various integrated programs. Public Law 102-477 authorizes tribal governments to integrate federally-funded employment, training, and related services and programs into a single, coordinated, comprehensive service delivery plan. Funding agencies include the Department of the Interior, Department of Labor, and the Department of Health and Human Services. Indian Affairs is statutorily required to serve as the lead agency and provides a single, universal report format for use by tribal governments to report on integrated activities and expenditures. IEED shares the information collected from these reports with the Department of Labor and the Department of Health and Human Services.

Approval for this collection expires September 30, 2010. There are forms associated with this collection. No third party notification or public disclosure burden is associated with this collection. There is no change to the approved burden hours for this information collection.

II. Request for Comments

IEED requests that you send your comments on this collection to the location listed in the **ADDRESSES** section. Your comments should address: (a) The necessity of the information collection for the proper performance of the

agencies, including whether the information will have practical utility; (b) the accuracy of our estimate of the burden (hours and cost) of the collection of information, including the validity of the methodology and assumptions used; (c) ways we could enhance the quality, utility and clarity of the information to be collected; and (d) ways we could minimize the burden of the collection of the information on the respondents, such as through the use of automated collection techniques or other forms of information technology.

Please note that an agency may not sponsor or conduct, and an individual need not respond to, a collection of information unless it has a valid OMB Control Number.

It is our policy to make all comments available to the public for review at the location listed in the **ADDRESSES** section during the hours of 9 a.m.–5 p.m., Eastern Time, Monday through Friday except for legal holidays. Before including your address, phone number, e-mail address or other personally identifiable information, be advised that your entire comment—including your personally identifiable information—may be made public at any time. While you may request that we withhold your personally identifiable information, we cannot guarantee that we will be able to do so.

National Park Service

Notice of Intent to Repatriate Cultural Items: Northwest Museum of Arts & Culture, Spokane, WA

AGENCY: National Park Service, Interior.

ACTION: Notice.

Notice is here given in accordance with the Native American Graves Protection and Repatriation Act (NAGPRA), 25 U.S.C. 3005, of the intent to repatriate cultural items in the possession of the Northwest Museum of Arts & Culture, aka Eastern Washington State Historical Society, Spokane, WA, that meet the definition of unassociated funerary objects under 25 U.S.C. 3001.

This notice is published as part of the National Park Service's administrative responsibilities under NAGPRA, 25 U.S.C. 3003(d)(3). The determinations in this notice are the sole responsibility of the museum, institution, or Federal agency that has control of the cultural items. The National Park Service is not responsible for the determinations in this notice.

The funerary objects described below were excavated by Donald Collier, Alfred E. Hudson and Arlo Ford due to the construction of the Grand Coulee Dam and its reservoir (Lake Roosevelt) whose waters would soon cover the area. This undertaking was known as “The Columbian Basin Archaeological Survey” or the “Collier, Hudson, and Ford Project.” It was a multi-institutional venture involving the Eastern Washington State Historical Society (now Northwest Museum of Arts & Culture), University of Washington, and the State College of Washington (now Washington State University). It was also a multi-agency venture involving the Bureau of Reclamation, Bureau of Indian Affairs,

Civilian Conservation Corps, and the Works Project Administration (including the National Youth Administration). In 1940, the Eastern Washington State Historical Society became the repository for the collection, as mandated by the Bureau of Reclamation. Portions of the land from which the funerary objects derive were non-Federal lands, and other portions were Federal lands at the time of removal. Moreover, the Federal lands fell under the management authority of several different agencies.

Consequently, there has been a question of control over the collection. After several years of research, the Northwest Museum of Arts & Culture has been unable to determine additional specifics regarding the control of each site. Therefore, absent additional information, the Northwest Museum of Arts & Culture is assuming responsibility under NAGPRA with regard to publishing this Notice and repatriating the unassociated funerary objects to the culturally affiliated tribe.

During the period July 1939 - September 1940, funerary objects were systematically removed from Site 2 (45–LI–27), Lincoln County, WA, by Donald Collier, Alfred E. Hudson and Arlo Ford due to the construction of the Grand Coulee Dam and its reservoir (Lake Roosevelt), and they were accessioned by the museum in 1940 (EWSHS Accession #1027). The three unassociated funerary objects are one abalone pendant and two projectile points.

During the period July 1939 - September 1940, funerary objects were systematically removed from Site 7A (45–FE–7), Ferry County, WA, by Collier, Hudson and Ford due to the construction of the Grand Coulee Dam and its reservoir (Lake Roosevelt), and they were accessioned by the museum in 1940 (EWSHS Accession #1027). The 42 unassociated funerary objects are 7 beaver tooth dice, 1 bone awl pendant, 27 dentalia beads, 4 copper pendants, 1 copper bracelet, 1 projectile point and 1 bone awl.

During the period July 1939 - September 1940, funerary objects were systematically removed from Site 24 (45–FE–24), Ferry County, WA, by Collier, Hudson and Ford due to the construction of the Grand Coulee Dam and its reservoir (Lake Roosevelt), and they were accessioned by the museum in 1940 (EWSHS Accession #1027). The 92 unassociated funerary objects are 7 wooden burial markers, 1 dentalia fragment, 5 glass beads, 9 perforated bear claws, 1 carved beaver tooth, 3 copper bells, 1 lot of burial fill, 22 dentalia beads, 2 buckskin or leather
