This includes the time to gather the necessary information, prepare the application, petition, or other papers, and submit the completed request to the USPTO. The USPTO calculates that, on balance, it takes the same amount of time to gather the necessary information, prepare the utility, design, or provisional application, and submit it to the USPTO, whether the applicant submits it in paper form or electronically.

Needs and Uses: This collection of information is required by 35 U.S.C. 131 and 37 CFR 1.16 through 1.84. Each patent applicant must provide sufficient information to allow the USPTO to properly examine the application, petition, or paper to determine whether the application, petition, or paper meets the criteria set forth in the patent statutes and regulations. The various fee and application transmittal forms, the declarations, the cover sheets, the petitions, and the papers filed under 37 CFR 1.41, 1.48, and 1.53(c)(2) permit applicants to supply all of the information necessary to process the application and enables the USPTO to ensure that all of the information has been provided in order to process the application.

Affected Public: Businesses or other for profits and non-profit institutions.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Notice of Correction to Amended Final Determination of Sales at Less Than Fair Value Pursuant to Court Decision

Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Ave., NW., Washington, DC 20230; *telephone:* (202) 482-2312.

SUPPLEMENTARY INFORMATION:

Correction

On September 2, 2010, the Department of Commerce ("Department") published the amended final determinations pursuant to court decision in the investigations of certain frozen warmwater shrimp from Brazil, India, the People's Republic of China, Thailand, and the Socialist Republic of Vietnam. *See Certain Frozen Warmwater Shrimp from Brazil, India, the People's Republic of China, Thailand, and the Socialist Republic of Vietnam: Notice of Amended Final Determinations of Sales at Less than Fair Value Pursuant to Court Decision*, 75 FR 53947 (September 2, 2010) ("*Amended Final Determinations*"). The *Amended Final Determinations* stated that the Department determined dusted shrimp to be within the scope of the investigations. Subsequent to the announcement and release of the *Amended Final Determinations*, the Department identified an inadvertent error. Specifically, in the table listing the antidumping duty rates for the companies in the Socialist Republic of Vietnam, several companies were inadvertently omitted. Also, incorrect antidumping duty margins were listed for three of the Vietnamese companies. To resolve these discrepancies, the table below lists all of the Vietnamese companies along with the correct margin.

Certain Preserved Mushrooms from the People's Republic of China; Extension of Time Limit for Preliminary Results of Antidumping Duty New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: September 29, 2010.

FOR FURTHER INFORMATION CONTACT: Scott Hoefke or Fred Baker, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230; telephone: (202) 482-4947 or (202) 482-2924, respectively.

SUPPLEMENTARY INFORMATION:

Background

On March 31, 2010, the Department of Commerce (the Department) published in the **Federal Register** the initiation of two new shipper reviews (NSRs) of the antidumping duty order on certain preserved mushrooms from the People's Republic of China, covering the period of February 1, 2009, to January 31, 2010. See *Certain Preserved Mushrooms From the People's Republic of China: Notice of Initiation of Antidumping Duty New Shipper Reviews*, 75 FR 16075 (March 31, 2010). The current deadline for the preliminary results of these reviews is September 22, 2010.

Extension of Time Limits for Preliminary Results of Review

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.214(i)(1), require the Department to complete the preliminary results of a NSR of an antidumping duty order within 180 days after the date on which the review is initiated. However, the Department may extend the deadline for completion of the preliminary results of a NSR to 300 days if it determines the case is extraordinarily complicated. See

Section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214 (i)(2).

The Department finds that these NSRs are extraordinarily complicated and, therefore, it requires additional time to complete the preliminary results. Specifically, the Department requires additional time to analyze certain discrepancies that exist between the entry documents that Shandong Fengyu Edible Fungus Co., Ltd., submitted to the record and those received from Customs and Border Protection regarding the same sale. With respect to Tongfa, we also require additional time to analyze the record concerning the *bona fide* nature of its sale because of its price relative to the price of other entries of subject merchandise during the period of review. Accordingly, the Department is extending the time limit for completion of the preliminary results of these NSRs by 30 days (*i.e.*, until October 22, 2010). We intend to issue the final results no later than 90 days after publication of the preliminary results.

This extension is issued and published in accordance with section 751(a)(2)(B)(iv) and 19 CFR 351.214(i)(2).

Dated: September 22, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Notice of No Sales

Under 19 CFR 351.213(d)(3), the Department may rescind a review where there are no exports, sales, or entries of subject merchandise during the respective period of review ("POR") listed below.
