Privacy Act of 1974; Report of an Altered System of Records

AGENCY: Department of Health and Human Services (HHS), Health Resources and Services Administration (HRSA).

ACTION: Notice of an altered system of records.

SUMMARY: In accordance with the requirements of the Privacy Act of 1974, the Health Resources and Services Administration (HRSA) is proposing to alter the system of records for the National Vaccine Injury Compensation Program, 09-15-0056. In accordance with the National Childhood Vaccine Injury Act of 1986, as amended (42 U.S.C. 300aa-10, *et seq.*) (the Vaccine Act), the National Vaccine Injury Compensation Program receives records from individuals or representatives of individuals alleged to be injured by vaccines.

The purposes of these alterations are to update the system name, authority, and location; make a minor change to the purposes, add new routine uses

(numbers 10, 11, 12, 13, and 14); update the safeguards; update retention and disposal; and update the system manager contact information.

DATES: HRSA filed an altered system report with the Chair of the House Committee on Government Reform and Oversight, the Chair of the Senate Committee on Homeland Security and Governmental Affairs, and the Administrator, Office of Information and Regulatory Affairs, Office of Management and Budget (OMB) on 6/9/2010. To ensure all parties have adequate time in which to comment, the altered systems, including the routine uses, will become effective 30 days from the publication of the notice or 40 days from the date it was submitted to OMB and Congress, whichever is later, unless HRSA receives comments that require alterations to this notice.

ADDRESSES: Please address comments to the Director, Division of Vaccine Injury Compensation, HRSA/HSB, 5600 Fishers Lane, Room 11C-26, Rockville, Maryland 20857. Comments received will be available for review and inspection, by appointment, at this same address from 9 a.m. to 3 p.m., Eastern Standard Time, Monday through Friday. **FOR FURTHER INFORMATION CONTACT:** Dr. Geoffrey Evans, Director, Division of Vaccine Injury Compensation, HRSA/HSB, 5600 Fishers Lane, Room 11C-26, Rockville, Maryland 20857; Telephone 301-443-6593. This is not a toll-free number.

SUPPLEMENTARY INFORMATION: The Health Resources and Services Administration proposes to alter this system of records by updating the name of the system from the National Vaccine Injury Compensation Program, HHS/HRSA/BHPr to the National Vaccine Injury Compensation Program; updating the location from the Bureau of Health Professions (BHPr) to the Healthcare Systems Bureau (HSB); add an additional authority (the Vaccine Act, 42 U.S.C. 300aa-10, *et seq.*, which established the National Vaccine Injury Compensation Program; make a minor change to the second purpose (extending the purpose beyond the amount of compensation to the manner of compensation), add new routine uses 10, 11, 12, 13, and 14 (described below), modifying the safeguards by replacing the words "can be locked and secured" to "are kept in a locked and secured room" under physical safeguards; and updating the system manager contact information to "Associate Administrator, Healthcare Systems Bureau, Health Resources and Services Administration, 5600 Fishers Lane, Room 12-105, Rockville, Maryland

20857. The new routine uses are as follows: Routine use 10 (disclosures to ensure that a Government Reversionary Trust established in connection with a Program award is being properly administered); routine use 11 (disclosures regarding specific medical services provided to an unemancipated minor to the minor's parent or legal guardian); routine use 12 (disclosures concerning compensation awarded on behalf of an unemancipated minor or an incompetent adult in the Program to the guardian or conservator of the estate of the minor or incompetent adult, as determined by a court of competent jurisdiction); routine use 13 (disclosures in the event a violation or potential violation of law is indicated); and routine use 14 (disclosures of information for the purpose of assisting the Department of Health and Human Services in efforts to respond to breaches of security or confidentiality maintained in the system); updating the retention and disposal by noting that the closed case files are transferred to the Washington National Records Center periodically and that written approval by the Program is needed before records are disposed of by shredding twenty-five years after the termination of all administrative and judicial proceedings, determined by a final adjudication; and updating the system manager contact information from BHPR to the Associate Administrator, Healthcare Systems Bureau, Health Resources and Administration, 5600 Fishers Lane, Room 12-105, Rockville, MD 20857.
