

subpart F—*Exempt Abandonments* to abandon a 0.822-mile line of railroad between milepost 48.422 near Fergus Falls, and milepost 47.60 near Hoot Lake, in Otter Tail County, Minn.¹ The line traverses United States Postal Service Zip Code 56537.

OTVR has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) any overhead traffic on the line can be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on November 10, 2010, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by October 18, 2010. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by October 28, 2010, with the Surface Transportation Board, 395 E

¹ OTVR states that once abandonment authority has been approved, Otter Tail Power Corporation, one of its largest shippers, has expressed an interest in purchasing a portion of the right-of-way.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See *Exemption of Out-of-Serv. Rail Lines*, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 CFR 1002.2(f)(25).

Street, SW., Washington, DC 20423–0001.

A copy of any petition filed with the Board should be sent to OTVR's representative: Melanie B. Yasbin, Law Offices of Louis E. Gitomer, LLC, 600 Baltimore Avenue, Suite 301, Towson, MD 21204.

If the verified notice contains false or misleading information, the exemption is void *ab initio*.

OTVR has filed a combined environmental and historic report that addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by October 15, 2010. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423–0001) or by calling OEA, at (202) 245–0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1–800–877–8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), OTVR shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by OTVR's filing of a notice of consummation by October 8, 2011, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our Web site at <http://www.stb.dot.gov>.

Decided: October 5, 2010.

DEPARTMENT OF THE TREASURY

Departmental Offices; Proposed Collections; Comment Requests

ACTION: Notice and request for comments.

SUMMARY: The Department of the Treasury, as part of its continuing effort to reduce paperwork burdens, invites the general public and other Federal agencies to comment on the revision of an information collection that is to be proposed for approval by the Office of Management and Budget. The Office of International Affairs of the Department of the Treasury is soliciting comments concerning Treasury International Capital Form S, Purchases and Sales of Long-term Securities by Foreigners. The Current Actions below clarify the instructions and improve the column titles on the Form S.

DATES: Written comments should be received on or before December 7, 2010 to be assured of consideration.

ADDRESSES: Direct all written comments to Dwight Wolkow, International Portfolio Investment Data Systems, Department of the Treasury, Room 5422, 1500 Pennsylvania Avenue, NW., Washington, DC 20220. In view of possible delays in mail delivery, please also notify Mr. Wolkow by e-mail (comments2TIC@do.treas.gov), FAX (202-622-2009) or telephone (202-622-1276).

FOR FURTHER INFORMATION CONTACT:

Copies of the proposed forms and instructions are available on the Treasury's TIC Forms webpage, <http://www.treas.gov/tic/forms.html>. Requests for additional information should be directed to Mr. Wolkow.

SUPPLEMENTARY INFORMATION:

Title: Treasury International Capital Form S, Purchases and Sales of Long-term Securities by Foreigners.

OMB Control Number: 1505-0001.
Abstract: Form S is part of the Treasury International Capital (TIC) reporting system, which is required by law (22 U.S.C. 286f; 22 U.S.C. 3103; E.O. 10033; 31 CFR 128), and is designed to collect timely information on international portfolio capital movements. Form S is a monthly report used to cover transactions in long-term marketable securities undertaken directly with foreigners by banks, other depository institutions, brokers, dealers, underwriting groups, funds and other individuals and institutions. This information will be used by the U.S. Government in the formulation of international financial and monetary policies and for the preparation of the U.S. balance of payments accounts and the U.S. international investment position.

Current Actions: (a) In the title for columns 7 and 8, the word STOCKS will be replaced by U.S. EQUITY; and in the title for columns 11 and 12, the words FOREIGN STOCKS will be replaced by FOREIGN EQUITY. The purpose of this action is to clarify the type of data collected in columns 7, 8, 11 and 12 of the form. There is no change in the reporting requirements; for example the column-by-column instructions for those four columns already use the term "equity". This action also makes the terms on the Form S more consistent with the terms on other TIC forms that report data on securities, including the annual reports. This action will not affect the reporting burden of the Form S; (b) In the title of columns 5 and 6, "U.S." will be inserted at the beginning so the title reads "U.S. CORPORATE AND OTHER BONDS". This action will clarify the type of data collected and will neither change the reporting requirements nor affect the reporting burden; (c) The unnecessary word "foreign" will be deleted from the titles of columns 7 and 8 in the Memorandum section on the last page of the form. That action will bring those two titles into conformity with the other column-pairs in the form; (d) The instructions will be revised by expanding and clarifying the old section called Determining Residency. The revised section is called "Reporting the Location of Foreign Counterparties" in the General Instructions. The revised language is consistent with the same guidance in other TIC reports; (e) The instructions will be revised by expanding and clarifying the section on REPORTING OF FUND SHARES (in the Reportable Items section of the General Instructions). The revised language includes examples and is consistent with the same guidance in other TIC

reports; (f) The instructions (the Reportable Items section of the General Instructions) will be revised in accordance with (a) above so that any instruction to record data in the columns for "stocks" is changed to an instruction to record data in the column for "equities"; (g) The instructions (the Other Statistical Reports section of the Introduction) will be revised by adding a paragraph on the proposed new SLT form; (h) The instructions will be revised so that the sections in the Introduction and the General Instructions are arranged to be more consistent with the organization of the instructions of other TIC reports; (i) These changes will be effective beginning with the reports as of March 31, 2011.

Type of Review: Revision of a currently approved collection.

Affected Public: Business or other for-profit organizations. Form S (1505-0001)

Estimated Number of Respondents: 254.

Estimated Average Time per Respondent: Six hours per respondent per filing. This estimate includes 0.4 hours for the Current Actions proposed above. The estimated average time per respondent varies from 10.8 hours for the approximately 30 major reporters to 5.4 hours for the other reporters.

Estimated Total Annual Burden Hours: 18,400 hours, based on 12 reporting periods per year.

Request for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for Office of Management and Budget approval. All comments will become a matter of public record. The public is invited to submit written comments concerning: (a) Whether Form S is necessary for the proper performance of the functions of the Office, including whether the information will have practical uses; (b) the accuracy of the above estimate of the burdens; (c) ways to enhance the quality, usefulness and clarity of the information to be collected; (d) ways to minimize the reporting and/or record keeping burdens on respondents, including the use of information technologies to automate the collection of the data; and (e) estimates of capital or start-up costs of operation, maintenance and purchase of services to provide information.

Dwight Wolkow,

Administrator, International Portfolio Investment Data Systems.
