*B. How can I get copies of this document and other related information?*

EPA has established a docket for this action under docket identification (ID) number EPA-HQ-OPP-2007-0092. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the Office of Pesticide Programs (OPP) Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

In accordance with section 3(c)(2) of FIFRA, a copy of the approved label, the list of data references, the data and other scientific information used to support registration, except for material specifically protected by section 10 of FIFRA, are also available for public inspection. Requests for data must be made in accordance with the provisions of the Freedom of Information Act and must be addressed to the Freedom of Information Office (A-101), 1200 Pennsylvania Ave., NW., Washington, DC 20460-0001. Such requests should: Identify the product name and registration number and specify the data or information desired.

A paper copy of the fact sheet, which provides more detail on this registration, may be obtained from the National Technical Information Service (NTIS), 5285 Port Royal Rd., Springfield, VA 22161.

**II. Did EPA conditionally approve the application?**

A conditional registration may be granted under section 3(c)(7)(C) of FIFRA for a new active ingredient where certain data are lacking, on condition that such data are received by the end of the conditional registration period and do not meet or exceed the risk criteria set forth in 40 CFR 154.7; that use of the pesticide during the conditional registration period will not cause unreasonable adverse effects; and that use of the pesticide is in the public interest. The Agency has considered the available data on the risks associated with the proposed use of dimethyl disulfide (DMDS), and information on social, economic, and environmental

benefits to be derived from such use. Specifically, the Agency has considered the nature and its pattern of use, application methods and rates, and level and extent of potential exposure. Based on these reviews, the Agency was able to make basic health and safety determinations which show that use of DMDS during the period of conditional registration will not cause any unreasonable adverse effect on the environment, and that use of the pesticide is in the public interest.

Consistent with section 3(c)(7)(C) of FIFRA, the Agency has determined that these conditional registrations are in the public interest. Use of the pesticides are of significance to the user community, and appropriate labeling, use directions, and other measures have been taken to ensure that use of the pesticides will not result in unreasonable adverse effects to man and the environment.

**III. Conditional Approval Form**

EPA issued a notice, published in the **Federal Register** of May 1, 2009 (74 FR 20298) (FRL-8404-9), which announced that Arkema, Inc., 639 Freedom Business Center, Suite 402, King of Prussia, PA 19406, had submitted an application to conditionally register the following pesticide products:

## FEDERAL TRADE COMMISSION

### Statement of Policy Regarding Communications in Connection With Collection of a Decedent's Debt

**AGENCY:** Federal Trade Commission.

**ACTION:** Request for public comment.

**SUMMARY:** The Federal Trade Commission ("FTC" or "Commission") requests public comment on a proposed statement of enforcement policy regarding communications in connection with collection of a decedent's debts.<sup>1</sup> The statement addresses three issues pertaining to debt collectors who attempt to collect on the debts of deceased debtors. First, the proposed statement announces that the FTC will not bring enforcement actions for violations of Section 805(b) of the Fair Debt Collection Practices Act ("FDCPA"), 15 U.S.C. 1692c(b), against collectors who, in connection with the collection of a decedent's debt, communicate with a person who has authority to pay the decedent's debts from the assets of the decedent's estate. Second, the proposed statement clarifies how a debt collector may locate the appropriate person with whom to discuss the decedent's debt. Third, the proposed statement emphasizes to collectors that misleading consumers about their personal obligation to pay a decedent's debt is a violation of the FDCPA and Section 5 of the Federal Trade Commission Act ("FTC Act"), 15 U.S.C. 45.

**DATES:** Public comments must be received by November 8, 2010.

**ADDRESSES:** Interested parties are invited to submit written comments electronically or in paper form by following the instructions in the Invitation To Comment part of the **SUPPLEMENTARY INFORMATION** section below. Comments in electronic form should be submitted by using the following weblink: <https://ftcpublic.commentworks.com/ftc/deceaseddebtcollection> (and following the instructions on the web-based form). Comments in paper form should be mailed or delivered to the following address: Federal Trade Commission, Office of the Secretary, Room H-135 (Annex W), 600 Pennsylvania Avenue,

<sup>1</sup> An enforcement policy statement describes the Commission's future enforcement plans, goals, and objectives with respect to a particular industry or practice. Enforcement policy statements do not have the force or effect of law, but they may reflect the Commission's interpretation of a legal requirement. The Commission issues this proposed statement pursuant to its general legal authority to enforce the Fair Debt Collection Practices Act, 15 U.S.C. 1692(a), and Section 5 of the Federal Trade Commission Act, 15 U.S.C. 45.
