- A. Revising the section heading.
- B. Revising paragraph (c)(1)(v).
- C. Revising paragraph (d).

(c) * * *

(1) * * *

(v) The Secretary notifies, or has notified, the institution that it must apply for approval of an additional educational program or a location under § 600.10(c).

* * * * *

(d) *Notice and application.* (1) *Notice and application procedures.* (i) To satisfy the requirements of paragraphs (a), (b), and (c) of this section, an institution must notify the Secretary of its intent to offer an additional educational program, or provide an application to expand its eligibility, in a format prescribed by the Secretary and provide all the information and documentation requested by the Secretary to make a determination of its eligibility and certification.

(ii)(A) An institution that notifies the Secretary of its intent to offer an educational program under paragraph (c)(3) of this section must ensure that the Secretary receives the notice described in paragraph (d)(2) of this section at least 90 days before the first day of class of the educational program.

(B) An institution that submits a notice in accordance with paragraph (d)(1)(ii)(A) of this section is not required to obtain approval to offer the additional educational program unless the Secretary alerts the institution at least 30 days before the first day of class that the program must be approved for title IV, HEA program purposes. If the Secretary alerts the institution that the additional educational program must be approved, the Secretary will treat the notice provided about the additional educational program as an application for that program.

(C) If an institution does not provide timely notice in accordance with paragraph (d)(1)(ii)(A) of this section, the institution must obtain approval of the additional educational program from

the Secretary for title IV, HEA program purposes.

(D) If an additional educational program is required to be approved by the Secretary for title IV, HEA program purposes under paragraph (d)(1)(ii)(B) or (C) of this section, the Secretary may grant approval, or request further information prior to making a determination of whether to approve or deny the additional educational program.

(E) When reviewing an application under paragraph (d)(1)(ii)(B) of this section, the Secretary will take into consideration the following:

(1) The institution's demonstrated financial responsibility and administrative capability in operating its existing programs.

(2) Whether the additional educational program is one of several new programs that will replace similar programs currently provided by the institution, as opposed to supplementing or expanding the current programs provided by the institution.

(3) Whether the number of additional educational programs being added is inconsistent with the institution's historic program offerings, growth, and operations.

(4) Whether the process and determination by the institution to offer an additional educational program that leads to gainful employment in a recognized occupation is sufficient.

(F)(1) If the Secretary denies an application from an institution to offer an additional educational program, the denial will be based on the factors described in paragraphs (d)(1)(ii)(E)(2), (3), and (4) of this section, and the Secretary will explain in the denial how the institution failed to demonstrate that the program is likely to lead to gainful employment in a recognized occupation.

(2) If the Secretary denies the institution's application to add an additional educational program, the Secretary will permit the institution to respond to the reasons for the denial and request reconsideration of the denial.

(2) *Notice format.* An institution that notifies the Secretary of its intent to offer an additional educational program under paragraph (c)(3) of this section must at a minimum—

(i) Describe in the notice how the institution determined the need for the program and how the program was designed to meet local market needs, or for an online program, regional or national market needs. This description must contain any wage analysis the institution may have performed, including any consideration of Bureau

of Labor Statistics data related to the program;

(ii) Describe in the notice how the program was reviewed or approved by, or developed in conjunction with, business advisory committees, program integrity boards, public or private oversight or regulatory agencies, and businesses that would likely employ graduates of the program;

(iii) Submit documentation that the program has been approved by its accrediting agency or is otherwise included in the institution's accreditation by its accrediting agency, or comparable documentation if the institution is a public postsecondary vocational institution approved by a recognized State agency for the approval of public postsecondary vocational education in lieu of accreditation; and

(iv) Provide the date of the first day of class of the new program.
