

FICC states that the proposed rule change is consistent with the requirements of Section 17A of the Act⁴ and the rules and regulations thereunder because the DTCC GCF Repo Index provides additional transparency to the funding market by making data available that is generated by GSD's GCF Repo product.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63213; File No. SR-CBOE-2010-098]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Related to Market Maker Tier Appointment Cost for SPX

October 29, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on October 25, 2010, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission (the "Commission") the proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Exchange filed the proposal as a "non-controversial" proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act³ and Rule 19b-4(f)(6) thereunder.⁴ The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend CBOE rules relating to the appointment cost for options on the Standard and Poor's 500 Index (SPX). The text of the proposed rule change is available on the Exchange's Web site (<http://www.cboe.org/Legal>), at the Exchange's Office of the Secretary, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in Sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of this rule change is to amend CBOE Rule 8.3, *Appointment of Market-Makers*, to revise the appointment cost for SPX options. Specifically, CBOE is proposing to amend Rule 8.3(c)(iii) to increase the appointment cost for SPX from .95 to 1.0. Among other reasons, the Exchange believes the appointment cost change is reasonable in light of the planned introduction of a multi-platform feature to SPX (discussed below).

By way of background, CBOE currently operates the Hybrid Trading System and the Hybrid 3.0 Platform.⁵ The particular trading platform on which index options and options on exchange-traded funds ("ETFs") are traded are designated by the Exchange on a class-by-class basis pursuant to Rule 8.14, *Index Hybrid Trading System Classes: Market-Maker Participants*. However, CBOE recently submitted a rule change to amend Rule 8.14 to provide that, for each Hybrid 3.0 class, the Exchange may determine to authorize a group of series of the class for trading on the Hybrid Trading System.⁶

Currently, all series of the SPX option class trade on the Hybrid 3.0 Platform. Pursuant to Rule 8.14, as amended, the Exchange may determine to designate a group of series in the SPX index option class for trading on the Hybrid Trading System. In conjunction with this change, the Exchange is proposing to increase the SPX appointment cost from .95 back to 1.0 effective December 1, 2010.⁷ The appointment cost would confer the right to trade in open outcry the SPX series that are traded on the Hybrid 3.0 Platform and also confer the right to trade any group of series of SPX that the exchange may determine to authorize for trading on the Hybrid Trading System pursuant to Rule 8.14, as amended.

⁵ The "Hybrid Trading System" refers to the Exchange's trading platform that allows Market-Makers to submit electronic quotes in their appointed classes. The "Hybrid 3.0 Platform" is an electronic trading platform on the Hybrid Trading System that allows one or more quoters to submit electronic quotes which represent the aggregate Market-Maker quoting interest in the series for the trading crowd. See Rule 1.1(aaa).

⁶ See SR-CBOE-2010-095.

⁷ The Exchange notes that the appointment cost for SPX had previously been 1.0. See Securities Exchange Act Release No. 57752 (May 1, 2008), 73 FR 25813 (May 7, 2008) (SR-CBOE-2008-051) (immediately effective rule change that changed the SPX appointment cost from 1.0 to .95).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Act and the rules and regulations under the Act applicable to a national securities exchange and, in particular, the requirements of Section 6(b) of the Act.⁸ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5) Act⁹ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, to prevent fraudulent and manipulative acts and, in general, to protect investors and the public interest. Among other reasons, the Exchange believes that the appointment cost change for SPX is reasonable in light of the introduction of the multi-platform feature to SPX.

B. Self-Regulatory Organization's Statement on Burden on Competition

CBOE does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

The Exchange neither solicited nor received comments on the proposal.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Because the foregoing proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate if consistent with the protection of investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹⁰ and Rule 19b-4(f)(6)(iii) thereunder.¹¹

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such

¹¹ 17 CFR 240.19b-4(f)(6)(iii). In addition, Rule 19b-4(f)(6)(iii) requires the self-regulatory organization to give the Commission notice of its intent to file the proposed rule change, along with a brief description and text of the proposed rule change, at least five business days prior to the date of filing of the proposed rule change, or such shorter time as designated by the Commission. CBOE has satisfied this requirement.

action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Comments may be submitted by any of the following methods:

Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for Web site viewing and printing in the Commission's Public Reference Room, 100 F Street, NE., Washington, DC 20549, on official business days between the hours of 10 a.m. and 3 p.m. Copies of the filing also will be available for inspection and copying at the principal office of the self-regulatory organization.
