The Computer Matching and Privacy Protection Act of 1988 (Pub. Section 7201 of the Omnibus Budget Reconciliation Act of 1990 (Pub. L. 101-508) further amended the Privacy Act regarding protections for such persons.

The Privacy Act, as amended, regulates the use of computer matching by Federal agencies when records in a system of records are matched with other Federal, State, or local government records. It requires Federal agencies involved in computer matching programs to:

- (1) Negotiate written agreements with the other agency or agencies participating in the matching programs;

- (2) Obtain the approval of the matching agreement by the Data Integrity Boards (DIB) of the participating Federal agencies;

- (3) Publish notice of the computer matching program in the **Federal Register**;

- (4) Furnish detailed reports about matching programs to Congress and OMB;

- (5) Notify applicants and beneficiaries that their records are subject to matching; and

- (6) Verify match findings before reducing, suspending, terminating, or denying a person's benefits or payments.
