Paragraph (a) of the clause requires the contractor to notify the contracting officer of unusual conditions associated with loading or unloading a particular cargo, for potential adjustment of contract labor rates; and to submit any associated request for price adjustment to the contracting officer within 10 working days of the vessel sailing time.

The clause at DFARS 252.247-7001, Price Adjustment, is prescribed at DFARS 247.270-4(b) for use in solicitations and contracts when using sealed bidding to acquire stevedoring services. Paragraphs (b) and (c) of the clause require the contractor to notify the contracting officer of certain changes in the wage rates or benefits that apply to its direct labor employees. Paragraph (g) of the clause requires the contractor to include with its final invoice a statement that the contractor has experienced no decreases in rates of pay for labor or has notified the contracting officer of all such decreases.

The clause at DFARS 252.247-7002, Revision of Prices, is prescribed at DFARS 247.270-4(c) for use in

solicitations and contracts when using negotiation to acquire stevedoring services. Paragraph (c) of the clause provides that, at any time, either the contracting officer or the contractor may deliver to the other a written demand that the parties negotiate to revise the prices under the contract. Paragraph (d) of the clause requires that, if either party makes such a demand, the contractor must submit relevant data upon which to base negotiations.

The clause at DFARS 252.247-7007, Liability and Insurance, is prescribed at DFARS 247.270-4(g) for use in all solicitations and contracts for the acquisition of stevedoring services. Paragraph (f) of the clause requires the contractor to furnish the contracting officer with satisfactory evidence of insurance.

Paragraph (d) of the clause requires the contractor to submit any requests for use of other than U.S.-flag vessels in writing to the contracting officer. Paragraph (e) of the clause requires the contractor to submit one copy of the rated on board vessel operating carrier's ocean bill of lading. Paragraph (f) of the clause requires the contractor to represent, with its final invoice, that: (1) No ocean transportation was used in the performance of the contract; (2) only U.S.-flag vessels were used for all ocean shipments under the contract; (3) the contractor had the written consent of the contracting officer for all non-U.S.-flag ocean transportation; or (4) shipments were made on non-U.S.-flag vessels without the written consent of the contracting officer. Contractors must flow down these requirements to noncommercial subcontracts and certain types of commercial subcontracts.

Subcontracts at or below the simplified acquisition threshold are excluded from the requirements of paragraph (f) of the clause.

The clause at DFARS 252.247-7024, Notification of Transportation of Supplies by Sea, is prescribed at DFARS 247.574(c) for use in all contracts, for which the offeror represented, by completion of the provision at DFARS 252.247-7022, that it did not anticipate transporting any supplies by sea in performance of the contract. Paragraph (a) of the clause requires the contractor to notify the contracting officer if the contractor learns after award of the contract that supplies will be transported by sea.
