#### Cost Burden

The public burden cost is dependent upon the number of companies and transactions. SSA based the cost estimates below upon 115 participating companies submitting 986,585 transactions. The total cost for developing the system was \$5.6 million. SSA has already expended \$3.0 million we will recoup over the depreciable life of the system based on the fee per-transaction model.

One-Time Per Company Registration Fee—\$5,000.

Estimated Per SSN Transaction Fee—\$5.00.<sup>i</sup>

Estimated Per Company Cost to Build Optional Web Service—\$200,000.<sup>ii</sup>

<sup>i</sup> The annual costs associated with the transaction to each company are dependent upon the number of SSN transactions submitted to SSA by the company on a yearly basis. For example, if a company anticipates submitting 1 million requests to SSA for the year, its total transaction cost for the year would be \$5 × 1,000,000 or \$5,000,000. Periodically, SSA will calculate its costs to provide CBSV services and adjust the fee charged as needed. SSA will notify companies in writing of any change and companies will have the opportunity to cancel the agreement or continue service using the new transaction fee.

<sup>ii</sup> A company may choose to submit batch files via the SSA web site or submit real-time individual requests via the SSA Web site. There is no public

Estimated Per Company Cost to Store Consent Forms—\$300.

#### SOCIAL SECURITY ADMINISTRATION

##### Agency Information Collection Activities: Emergency Clearance Request

The Social Security Administration (SSA) publishes a list of information collection packages requiring clearance by the Office of Management and Budget (OMB) in compliance with Public Law (Pub. L.) 104-13, the Paperwork Reduction Act of 1995, effective October 1, 1995. This notice includes a revision to an existing OMB-approved collection.

SSA is soliciting comments on the accuracy of the agency's burden estimate; the need for the information; its practical utility; ways to enhance its quality, utility, and clarity; and ways to minimize burden on respondents, including the use of automated collection techniques or other forms of information technology. Mail, e-mail, or fax your comments and

burden cost with either of these methods using the CBSV system. Companies are not required to purchase SSA's Web design service. To date, no participating companies have opted for this service.

recommendations on the information collection to the OMB Desk Officer and SSA Reports Clearance Officer to the following addresses or fax numbers.

(OMB), Office of Management and Budget, Attn: Desk Officer for SSA, Fax: 202-395-6974, E-mail address: [OIRA\\_Submission@omb.eop.gov](mailto:OIRA_Submission@omb.eop.gov).

SSA submitted the information collection below to OMB for Emergency Clearance. SSA is requesting Emergency Clearance from OMB no later than November 22, 2010. Individuals can obtain copies of the collection instrument by calling the SSA Reports Clearance Officer at 410-965-8783 or by writing to the above e-mail address.

*Medicare Income-Related Monthly Adjustment Amount—Life-Changing Event Form—0960-NEW.* Per the Medicare Modernization Act of 2003, selected Medicare insurance recipients pay an income-related monthly adjustment amount (IRMAA). The Internal Revenue Service (IRS) transmits income tax return data to SSA for SSA to determine the IRMAA. SSA will use the new Form SSA-44 to determine if a recipient qualifies for a reduction in IRMAA. If affected Medicare recipients believe SSA should use more recent tax data because a life-changing event occurred that significantly reduces their income, they can report these changes to

SSA and ask for a new initial determination of their IRMAA.

We are seeking OMB clearance for a new SSA-44 to fulfill the provisions of the Patient Protection and Affordable Care Act (Pub. L. 111-148), which mandates reductions in the Federal Medicare Part D prescription drug

coverage subsidies, resulting in higher premiums for those with income above a specific threshold who have this coverage. Since the provisions of the law become effective January 1, 2011, we are seeking emergency clearance for this form. The respondents are Medicare Part B and prescription drug coverage

recipients and enrollees with modified adjusted gross income over a high-income threshold who experience one of the eight significant life-changing events.

*Type of Request:* Request for a new information collection.
