DEPARTMENT OF TRANSPORTATION

Federal Highway Administration

Notice of Intent To Prepare an Environmental Impact Statement, WIS 47, Outagamie and Shawano Counties, Wisconsin

AGENCY: Federal Highway Administration (FHWA), DOT.

ACTION: Notice of Intent To Prepare an Environmental Impact Statement.

SUMMARY: The FHWA is issuing this notice to advise the public that an Environmental Impact Statement (EIS) will be prepared for long-range transportation improvements in the WIS 47 corridor in Outagamie and Shawano Counties, Wisconsin. The EIS is being prepared in conformance with 40 CFR part 1500 and FHWA regulations.

SUPPLEMENTARY INFORMATION: The Federal Highway Administration (FHWA), in cooperation with the Wisconsin Department of Transportation (WisDOT), will prepare a tiered Environmental Impact Statement (EIS) on long-range improvements to address transportation demand, traffic operations, safety concerns, and corridor preservation needs on an approximate 33-mile portion of WIS 47 between U.S. 41 in Outagamie County and WIS 29 in Shawano County. The tiered EIS will evaluate the no build alternative and a range of short-term and long-term improvement alternatives. The tiered EIS will also serve as a corridor preservation tool for protecting the land needed for future transportation improvements and to assist local officials in making compatible land use decisions. More detailed Tier 2 environmental documents would be prepared for specific improvement projects when factors such as safety concerns, traffic volumes and existing deficiencies indicate the need for such improvements.

Participation by the public, local officials, State and Federal regulatory agencies, Native American Tribes and other interests will be solicited through a stakeholder committee, public information meetings, agency coordination meetings, and a public hearing. Opportunities to be a participating and/or cooperating agency and to provide input on the project's coordination plan and impact assessment methodology will also be provided under Section 6002 of the Safe, Accountable, Flexible, Efficient Transportation Equity Act: A Legacy for Users (SAFETEA-LU).
