SUPPLEMENTARY INFORMATION: Section 4062 of the Employee Retirement Income Security Act of 1974, as amended, provides that the contributing sponsor of a single-employer pension plan and members of the sponsor's controlled group ("the employer") incur liability ("employer liability") if the plan terminates with assets insufficient to pay benefit liabilities under the plan. PBGC's statutory lien for employer liability and the payment terms for employer liability are affected by whether and to what extent employer liability exceeds 30 percent of the employer's net worth.

Section 4062.6 of PBGC's employer liability regulation (29 CFR 4062.6) requires a contributing sponsor or member of the contributing sponsor's controlled group who believes employer liability upon plan termination exceeds 30 percent of the employer's net worth to so notify PBGC and to submit net worth information. This information is necessary to enable PBGC to determine whether and to what extent employer liability exceeds 30 percent of the employer's net worth.

The collection of information under the regulation has been approved by OMB under control number 1212-0017 through March 31, 2011. PBGC intends

to request that OMB extend its approval for another three years. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

PBGC estimates that an average of five contributing sponsors or controlled group members per year will respond to this collection of information. PBGC further estimates that the average annual burden of this collection of information will be 12 hours and \$3,996 per respondent, with an average total annual burden of 60 hours and \$19,980.

PBGC is soliciting public comments to:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63314; File No. SR-CBOE-2010-084]

Self-Regulatory Organizations; Chicago Board Options Exchange, Incorporated; Order Approving Proposed Rule Change Regarding Registration and Qualification Requirements for Associated Persons

November 12, 2010.

I. Introduction

On September 10, 2010, the Chicago Board Options Exchange, Incorporated ("Exchange" or "CBOE") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act

of 1934 ("Act"),¹ and Rule 19b-4 thereunder,² a proposed rule change to apply its registration and qualification requirements to all of its members. The proposed rule change was published for comment in the **Federal Register** on September 28, 2010.³ The Commission received two comment letters on the proposal.⁴ This order approves the proposed rule change.

II. Background

Currently, registration, examination, and continuing education requirements for associated persons of trading permit holder⁵ organizations ("TPH

organizations") that conduct a public customer business are in Chapter IX, Doing Business with the Public, of CBOE's rules.⁶ The associated persons of TPH organizations register with the Exchange via the Uniform Application for Securities Industry Registration or Transfer ("Form U4") through the Financial Industry Regulatory Authority's ("FINRA") Central Registration Depository System ("WebCRD"), and must pass the General Securities Representative examination ("Series 7") to function as representatives; if acting as options principals engaged in the supervision of options sales practices, they must also pass the Registered Options Principal

⁴ See letter from Frank Vivirito, Chief Compliance Officer, XR Securities LLC, to Elizabeth M. Murphy, Secretary, Commission, dated October 14, 2010 ("XR Securities Letter") and letter from J. Micah Glick, Chief Compliance Officer, Cutler Group LP, to Elizabeth M. Murphy, Secretary, Commission, dated October 22, 2010 ("Cutler Letter").

⁵ Section 1.1 of CBOE's By-Laws provides: "The term 'Trading Permit Holder' means any individual, corporation, partnership, limited liability company or other entity authorized by the rules that holds a Trading Permit. If a Trading Permit Holder is an

individual, the Trading Permit Holder may also be referred to as an 'individual Trading Permit Holder.' If a Trading Permit Holder is not an individual, the Trading Permit Holder may also be referred to as a 'TPH organization.' A Trading Permit Holder is a 'member' solely for purposes of the Act; however, one's status as a Trading Permit Holder does not confer on that Person any ownership interest in the Exchange." See Section 3(a)(3)(A) of the Act which defines member of an exchange.

⁶ Before CBOE demutualized, Rule 3.1(a) required every individual member or member organization to have as the principal purpose of its membership the conduct of a public securities business.
