SUPPLEMENTARY INFORMATION:

I. *Background:* The Office of Federal Contract Compliance Programs (OFCCP) is responsible for the administration of three equal opportunity programs: Executive Order 11246, as amended; Section 503 of the Rehabilitation Act of 1973, as amended; and 38 U.S.C. 4212, the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended (VEVRAA). These programs require affirmative action by Federal contractors and subcontractors and prohibit discrimination on the basis of race, color, sex, religion, national origin, status as a qualified individual with disabilities or protected veteran. No private right of action exists under the three programs that are enforced by the U.S. Department of Labor (DOL), *i.e.*, a private individual may not bring a lawsuit against an employer (or prospective employer) for

noncompliance with its contractual obligations under the laws enforced by OFCCP. However, any employee or applicant for employment with a Government contractor may file a complaint with the Department of Labor alleging discrimination by completing Complaint Form CC-4, Complaint of Discrimination in Employment under Federal Government Contracts. DOL investigates the complaint but retains the discretion whether to pursue prosecution. If a complaint filed under Executive Order 11246, as amended, involves discrimination against only one person, the OFCCP may refer it to the U.S. Equal Employment Opportunity Commission (EEOC). Such referrals are made under a Memorandum of Understanding between the two Federal agencies. Complaints that involve groups of people or indicate patterns of discrimination are generally investigated by the OFCCP. The program also investigates individual or group complaints filed under the disability and veterans laws. Under Executive Order 11246, as amended, the authority for collection of complaint information is Section 206(b). The implementing regulations which specify the content of this information collection are found at 41 CFR 60-1.23(a).

Under the Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, the authority for collecting complaints information is at 38 U.S.C. 4212(b). The implementing regulations which specify the content of this information collection are found at 41 CFR 60-250.61(b) and 41 CFR 60-300.61(b). Section 503 of the Rehabilitation Act of 1973, as amended, is the authority for collecting complaint information under the statute. The implementing regulations which specify the content of this information collection are found at 41 CFR 60-741.61(c). This information collection request covers the recordkeeping and reporting requirements for the Complaint Form CC-4, Complaint of Discrimination in Employment under Federal Government Contracts. A separate information collection request covers the recordkeeping and reporting requirements for supply and service industries, and is approved under OMB 1250-0003. This information collection is currently approved for use through September 30, 2011.

II. *Review Focus:* The DOL is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the

functions of the agency, including whether the information will have practical utility;

- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. *Current Actions:* The DOL seeks the approval of the extension of this information in order to carry out its responsibility to enforce the affirmative action and anti-discrimination provisions of the three Acts, which it administers.
