SUPPLEMENTARY INFORMATION: OTS may not conduct or sponsor an information collection, and respondents are not required to respond to an information collection, unless the information collection displays a currently valid OMB control number. As part of the approval process, we invite comments on the following information collection.

Title of Proposal: Community Reinvestment Act.

OMB Number: 1550–0012.

Form Number: N/A.

Description: The Community Reinvestment Act regulation requires the OTS, as well as the Office of the Comptroller of the Currency, the Board of Governors of the Federal Reserve System, and the Federal Deposit Insurance Corporation (collectively, the Agencies), to evaluate and assign ratings to the efforts of institutions to help meet the credit needs of their communities, including low- and moderate-income neighborhoods, consistent with safe and sound banking practices. OTS uses the information in the examination process and in evaluating applications for mergers, branches, and certain other corporate activities. Further, the CRA statute requires the Agencies to issue regulations to carry out its purposes.

¹ A redacted, executed trackage rights agreement between CSXT and L&I was filed with the notice of exemption. The unredacted version, as required by 49 CFR 1180.6(a)(7)(ii), was concurrently filed under seal along with a motion for protective order. The motion is being addressed in a separate decision.

OTS uses the data collected under the CRA regulations to fulfill its obligations under the statute, including the assessment of each institution's record of helping to meet the credit needs of its entire community. OTS uses the data to support its conclusions regarding an institution's record of performance, in assigning a rating, and in preparing the written public evaluations that the statute requires when an institution is examined. Additionally, judgments based on these data are used in evaluating an institution's applications for mergers, branches, and other corporate activities. The public uses this information to assess independently the institution's CRA performance and to participate meaningfully in the application process.

Type of Review: Extension of a currently approved collection.

Affected Public: Business or other forprofit.

Estimated Number of Respondents: 753.

Estimated Frequency of Response: Annually; On occasion.
