

The area described contains 10.00 acres in Nez Perce County, Idaho.

For a period of 2 years from December 2, 2010, the land will be segregated from settlement, sale, location and entry under the United States mining laws unless the application is denied or canceled or the withdrawal is approved prior to that date. The temporary land uses which may be permitted during this segregative period include activities currently consistent with applicable plans and those related to the exercise of valid existing rights, including public recreation and other activities compatible with preservation of the character of the area.

The application will be processed in accordance with the regulations set forth in 43 CFR 2300.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal may present their views in writing to the Forest Supervisor, Clearwater National Forest, at the address indicated above.

The use of a right-of-way, interagency agreement, cooperative agreement or surface management under 43 CFR 3809 would not adequately constrain non-discretionary uses that could irrevocably affect the use of the lands for mining purposes.

No water rights would be needed to fulfill the purpose of the requested withdrawal.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request to the Forest Supervisor at the address indicated above by March 2, 2011. Upon determination by the authorized officer that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** and a newspaper having a general circulation in the vicinity of the land at least 30 days before the scheduled date of the meeting.

Records relating to the application may be examined by interested parties at the address of the Clearwater National Forest Office stated above.

Comments, including names and street addresses for respondents, will be available for public review at the Clearwater National Forest Office during regular business hours, 7:30 a.m. to 4 p.m., Monday through Friday, except holidays. Before including your address, telephone number, e-mail address, or other personal identifying information

in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Authority: 43 U.S.C. 1714.

Chief, Branch of Lands, Minerals and Water Rights, Resource Services Division.

INTERNATIONAL TRADE COMMISSION

[Investigation No. 337-TA-722]

In the Matter of Certain Automotive Vehicles and Designs Therefor Notice of Request for Written Submissions on Remedy, the Public Interest, and Bonding With Respect to Respondents Found in Default

AGENCY: U.S. International Trade Commission.

ACTION: Notice.

SUMMARY: Notice is hereby given that the U.S. International Trade Commission is requesting briefing on remedy, the public interest, and bonding with respect to two respondents previously found in default in the above-captioned investigation.

General information concerning the Commission may also be obtained by accessing its Internet server at <http://www.usitc.gov>. The public record for this investigation may be viewed on the Commission's electronic docket (EDIS) at <http://edis.usitc.gov>. Hearing-impaired persons are advised that information on this matter can be obtained by contacting the Commission's TDD terminal on (202) 205-1810.

SUPPLEMENTARY INFORMATION: The Commission instituted this investigation on June 17, 2010, based on a complaint

filed by Chrysler Group LLC ("Chrysler") of Auburn Hills, Michigan. 75 FR 34483-84 (June 17, 2010). The complaint alleges violations of section 337 of the Tariff Act of 1930, as amended, 19 U.S.C. **1337, in the importation into the United States, the sale for importation, and the sale within the United States after importation of certain automotive vehicles and designs therefor by reason of infringement of U.S. Patent No. D513,395. The complaint further alleges the existence of a domestic industry. The Commission's notice of investigation named several respondents including Vehicles Online, Inc. ("Vehicles") of Charlotte, North Carolina; Boat N RV Supercenter ("Boat N RV") of Rockwood, Tennessee; and Shanghai Tandem Industrial Co., Ltd. ("Shanghai Tandem") of China.

On July 7, 2010, Chrysler moved, pursuant to 19 CFR 210.16, for: (1) An order directing respondents Vehicles and Boat N RV to show cause why they should not be found in default for failure to respond to the complaint and notice of investigation as required by § 210.13; and (2) the issuance of an initial determination ("ID") finding Vehicles and Boat N RV in default upon their failure to show cause. On July 19, 2010, the ALJ issued Order No. 8 which required Vehicles and Boat N RV to show cause no later than August 2, 2010, as to why they should not be held in default and judgment rendered against them pursuant to § 210.16. Boat N RV responded to Order No. 8, but no response was received from Vehicles.

The presiding administrative law judge ("ALJ") issued an ID on August 11, 2010, finding Vehicles in default, pursuant to §§ 210.13, 210.16, because Vehicles did not respond to the complaint and notice of investigation, or to Order No. 8 to show cause. On September 9, 2010, the Commission issued notice of its determination not to review the ALJ's ID finding Vehicles in default.

On August 19, 2010, Chrysler moved, pursuant to 19 CFR 210.16, for: (1) An order directing respondent Shanghai Tandem to show cause why it should not be found in default for failure to respond to the complaint and notice of investigation as required by § 210.13; and (2) the issuance of an ID finding Shanghai Tandem in default upon its failure to show cause. On August 31, 2010, the ALJ issued Order No. 12 which required Shanghai Tandem to show cause no later than September 14, 2010, as to why it should not be held in default and judgment rendered against it pursuant to § 210.16.

The ALJ issued an ID on September 22, 2010, finding Shanghai Tandem in default, pursuant to §§ 210.13, 210.16, because Shanghai Tandem did not respond to the complaint and notice of investigation, or to Order No. 12 to show cause. On October 14, 2010, the Commission issued notice of its determination not to review the ALJ's ID finding Shanghai Tandem in default.

On October 29, 2010, complainant Chrysler filed declarations requesting immediate relief against the defaulting respondents. On November 15, 2010, the Commission determined not to review an ID (Order No. 17) terminating the last remaining respondents, including Boat N RV, on the basis of a consent order.

Section 337(g)(1) (19 U.S.C. **1337(g)(1)) and Commission Rule 210.16(c) (19 CFR **210.16(c)) authorize the Commission to order limited relief against a respondent found in default, unless after consideration of the public interest factors, it finds that such relief should not issue. The Commission may (1) issue an order that could result in the exclusion of the subject articles from entry into the United States, and/or (2) issue one or more cease and desist orders that could result in the respondent being required to cease and desist from engaging in unfair acts in the importation and sale of such articles. Accordingly, the Commission is interested in receiving written submissions that address the form of remedy, if any, that should be ordered. If a party seeks exclusion of an article from entry into the United States for purposes other than entry for consumption, the party should so indicate and provide information establishing that activities involving other types of entry are either adversely affecting it or likely to do so. For background, see *In the Matter of Certain Devices for Connecting Computers via Telephone Lines*, Inv. No. 337-TA-360, USITC Pub. No. 2843 (December 1994) (Commission Opinion).

If the Commission contemplates some form of remedy, it must consider the effects of that remedy upon the public interest. The factors the Commission will consider include the effect that an exclusion order and/or cease and desist order would have on (1) the public health and welfare, (2) competitive conditions in the U.S. economy, (3) U.S. production of articles that are like or directly competitive with those that are subject to investigation, and (4) U.S. consumers. The Commission is therefore interested in receiving written submissions that address the

aforementioned public interest factors in the context of this investigation.

If the Commission orders some form of remedy, the President has 60 days to approve or disapprove the Commission's action. During this period, the subject articles would be entitled to enter the United States under bond, in an amount determined by the Commission and prescribed by the Secretary of the Treasury. The Commission is therefore interested in receiving submissions concerning the amount of the bond that should be imposed if a remedy is ordered.

Written Submissions: The parties to the investigation, interested government agencies, and any other interested parties are encouraged to file written submissions on the issues of remedy, the public interest, and bonding. Complainant and the investigative attorney are also requested to submit proposed remedial orders for the Commission's consideration. Complainant is requested to state the dates that the patents at issue expire and the HTSUS numbers under which the accused products are imported. The written submissions and proposed remedial orders must be filed no later than close of business on December 6, 2010. Reply submissions must be filed no later than the close of business on December 14, 2010. No further submissions on these issues will be permitted unless otherwise ordered by the Commission.

Persons filing written submissions must file the original document and 12 true copies thereof on or before the deadlines stated above with the Office of the Secretary. Any person desiring to submit a document (or portion thereof) to the Commission in confidence must request confidential treatment unless the information has already been granted such treatment during the proceedings. All such requests should be directed to the Secretary of the Commission and must include a full statement of the reasons why the Commission should grant such treatment. See 19 CFR 210.6. Documents for which confidential treatment by the Commission is sought will be treated accordingly. All nonconfidential written submissions will be available for public inspection at the Office of the Secretary.

The authority for the Commission's determination is contained in section 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1337), and in sections 210.16 and 210.50 of the Commission's Rules of Practice and Procedure (19 CFR 210.16 and 210.50).

By order of the Commission.

Issued: November 29, 2010.

Marilyn R. Abbott,

Secretary to the Commission.
