Non-Malleable Cast Iron Pipe Fittings From the People's Republic of China: Extension of Time Limit for the Preliminary Results of the Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* December 7, 2010.

FOR FURTHER INFORMATION CONTACT: Karine Gziryan, AD/CVD Operations, Office 4, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW.,

Washington, DC 20230; *telephone:* (202) 482-4081.

SUPPLEMENTARY INFORMATION:

Background

On May 28, 2010, the Department of Commerce ("the Department") published the initiation of the administrative review of the antidumping duty order on non-malleable cast iron pipe fittings from the People's Republic of China ("PRC"). *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 75 FR 29976, 29983 (May 28, 2010). The period of review is April 1, 2009, through March 31, 2010. The preliminary results of this administrative review are currently due no later than December 31, 2010.

Extension of Time Limit for Final Results of Review

Pursuant to section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), the Department shall make a preliminary determination in an administrative review of an antidumping duty order within 245 days after the last day of the anniversary month of the date of publication of the order. Section 751(a)(3)(A) of the Act further provides, however, that the Department may extend the 245-day period to 365 days if it determines it is not practicable to complete the review within the foregoing time period.

The Department determines that it is not practicable to complete the administrative review of non-malleable cast iron pipe fittings from the PRC within the time limits mandated by section 751(a)(3)(A) of the Act because this review involves examining a number of complex issues related to factors of production and surrogate values, as well as requesting and analyzing additional information from NEP Tianjin Machinery Company in a supplemental questionnaire. Therefore, we find that additional time is needed to complete the preliminary results of this administrative review. As a result, in accordance with section 751(a)(3)(A) of the Act, the Department is extending the time period for completion of the preliminary results of this administrative review, which is currently due on December 31, 2010, by 30 days to January 30, 2011.¹ The deadline for the final results of the review continues to be 120 after the publication of the preliminary results.

This notice is published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.

¹ As the 30-day extension falls on Sunday, January 30, 2011, the deadline for the preliminary results of review will be the next business day, which is January 31, 2011.

Dated: November 30, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain Frozen Warmwater Shrimp From the Socialist Republic of Vietnam: Final Results of the First Five-year "Sunset" Review of the Antidumping Duty Order

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: On January 4, 2010, the Department of Commerce ("the Department") published the notice of initiation of the first sunset review of the antidumping duty order on certain frozen warmwater shrimp from the Socialist Republic of Vietnam ("Vietnam"). On the basis of the notices of intent to participate by domestic interested parties and adequate substantive responses filed on behalf of the domestic and respondent interested parties, the Department conducted a full sunset review of the antidumping duty order pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"), and 19 CFR 351.218(e)(2)(i). As a result of this sunset review, the Department finds that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping at the levels listed below in the section entitled "Final Results of Review."

DATES: *Effective Date:* December 7, 2010.

FOR FURTHER INFORMATION CONTACT: Jerry Huang, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; *telephone:* 202-482-4047.

SUPPLEMENTARY INFORMATION:

Background

On January 4, 2010, the Department published in the *Federal Register* the notice of initiation of its sunset reviews of the antidumping duty orders on certain frozen warmwater shrimp from Brazil, the People's Republic of China, India, Thailand, and Vietnam, in accordance with section 751(c) of the Act. *See Initiation of Five-Year*

("Sunset") Review, 75 FR 103 (January 4, 2010) ("*Notice of Initiation*").

The Department received notices of intent to participate from domestic interested parties, the Ad Hoc Shrimp Trade Action Committee ("AHSTAC"), and the American Shrimp Processors Association ("ASPA"), within the 15-day deadline specified in 19 CFR 351.218(d)(1)(i). The domestic interested parties claimed interested party status under section 771(9)(C) of the Act, as manufacturers of a domestic-like product in the United States.

The Department received substantive responses to the *Notice of Initiation* from respondent interested parties (collectively "Vietnamese Respondents") and domestic interested parties within the 30-day deadline specified in 19 CFR 351.218(d)(3)(i). On February 12, 2010, Vietnamese Respondents and ASPA filed rebuttal comments to parties' substantive responses.

19 CFR 351.218(e)(1)(ii)(A) provides that the Secretary normally will conclude that respondent interested parties have provided adequate response to a notice of initiation where the Department receives complete substantive responses from respondent interested parties accounting on average for more than 50 percent, by volume, or value, if appropriate, of the total exports of the subject merchandise to the United States over the five calendar years preceding the year of publication of the notice of initiation. On March 2, 2010, the Department determined that Vietnamese Respondents accounted for more than 50 percent of exports by volume of the subject merchandise and, therefore, submitted an adequate substantive response to the Department's *Notice of Initiation*. *See Memorandum to James C. Doyle: Adequacy Determination in Antidumping Duty Sunset Review of Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam*, dated March 2, 2010. The Department also determined that domestic interested parties submitted an adequate response as at least one domestic interested party submitted a complete substantive response. *See* 19 CFR 351.218(e)(1)(i). In accordance with 19 CFR 351.218(e)(2)(i), the Department determined to conduct a full sunset review of this antidumping duty order.

On May 6, 2010, in accordance with section 751(c)(5)(B) of the Act, the Department extended the deadlines for the preliminary and final results of this sunset review by 90 days from the scheduled dates. *See Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Extension of Time Limits for Preliminary and Final Results*

of Full Five-year ("Sunset") Review of Antidumping Duty Order, 75 FR 24883 (May 6, 2010).

The Department published the preliminary results of this sunset review on August 6, 2010. *See Certain Frozen Warmwater Shrimp from the Socialist Republic of Vietnam: Preliminary Results of the First Five-year "Sunset" Review of the Antidumping Duty Order*, 75 FR 47546 (August 6, 2010) ("*Preliminary Results*"). In the *Preliminary Results*, the Department found that revocation of the order would likely result in continuation or recurrence of dumping at margins found in the original investigation.

On September 7, 2010, within the deadline specified in 19 CFR 351.309(c)(1)(i), the Department received a case brief on behalf of Vietnamese Respondents. On September 13, 2010, the Department received rebuttal briefs on behalf of AHSTAC and ASPA.

Scope of the Order

The scope of the order includes certain frozen warmwater shrimp and prawns, whether wild-caught (ocean harvested) or farm-raised (produced by aquaculture), head-on or head-off, shell-on or peeled, tail-on or tail-off,¹ deveined or not deveined, cooked or raw, or otherwise processed in frozen form.

The frozen warmwater shrimp and prawn products included in the scope of the order, regardless of definitions in the Harmonized Tariff Schedule of the United States ("HTSUS"), are products which are processed from warmwater shrimp and prawns through freezing and which are sold in any count size.

The products described above may be processed from any species of warmwater shrimp and prawns. Warmwater shrimp and prawns are generally classified in, but are not limited to, the Penaeidae family. Some examples of the farmed and wild-caught warmwater species include, but are not limited to, whiteleg shrimp (*Penaeus vannamei*), banana prawn (*Penaeus merguensis*), fleshy prawn (*Penaeus chinensis*), giant river prawn (*Macrobrachium rosenbergii*), giant tiger prawn (*Penaeus monodon*), redspotted shrimp (*Penaeus brasiliensis*), southern brown shrimp (*Penaeus subtilis*), southern pink shrimp (*Penaeus notialis*), southern rough shrimp (*Trachypenaeus curvirostris*), southern white shrimp (*Penaeus schmitti*), blue shrimp (*Penaeus stylirostris*), western white shrimp (*Penaeus occidentalis*),

¹ "Tails" in this context means the tail fan, which includes the telson and the uropods.
