[Release No. 34-63537; File No. SR-NYSEAmex-2010-110]

### Self-Regulatory Organizations; NYSE Amex LLC; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Amending Rule 123C—NYSE Amex Equities To Clarify That Exchange Systems Enforce Rule 123C With Respect to Market At-The-Close and Limit At-The-Close Order Entry After 3:45 p.m.

December 14, 2010.

Pursuant to Section 19(b)(1)<sup>1</sup> of the Securities Exchange Act of 1934 (the “Act”) and Rule 19b-4 thereunder,<sup>2</sup> notice is hereby given that on December 6, 2010, NYSE Amex LLC (the “Exchange” or “NYSE Amex”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I and II below, which Items have been prepared by the self-regulatory organization. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

#### I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend Rule 123C—NYSE Amex Equities to clarify that Exchange systems enforce Rule 123C with respect to Market At-The-Close (“MOC”) and Limit At-The-Close (“LOC”) order entry after 3:45 p.m. The text of the proposed rule change is available at the Exchange, the Commission’s Public Reference Room, and <http://www.nyse.com>.

#### II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### A. Self-Regulatory Organization’s Statement of the Purpose of, and the Statutory Basis for, the Proposed Rule Change

##### 1. Purpose

The purpose of this proposed rule change is to amend Rule 123C—NYSE Amex Equities to clarify that Exchange systems enforce Rule 123C with respect to MOC<sup>3</sup> and LOC<sup>4</sup> order entry after 3:45 p.m.

Rule 123C governs certain closing procedures on the Exchange, including MOC, LOC and CO order entry, cancellation of such orders and the calculation and publication of imbalances. In particular, Rule 123C(2)(b) currently provides that MOC/LOC interest may be entered after 3:45 p.m. only to offset a Mandatory MOC/LOC Imbalance Publication. The rule therefore suggests that members or member organizations entering MOC or LOC orders are actively responsible for compliance therewith (*e.g.*, “orders may be entered”). However, Exchange systems enforce compliance with this rule pursuant to system functionality that allows only the entry of offsetting MOC/LOC interest after 3:45 p.m. and blocks the entry of all MOC/LOC orders that would join the same side of a published MOC/LOC imbalance and the entry of MOC/LOC orders after 3:45 p.m. for securities for which there has not been a Mandatory MOC/LOC Imbalance Publication.<sup>5</sup> Exchange systems also enforce compliance with this rule pursuant to system functionality that allows or blocks, depending upon the circumstances, MOC/LOC order entry in the event of a Trading Halt.

The Exchange proposes to amend Rule 123C(2) and (3) generally to clarify that Exchange systems enforce compliance with the rules, and therefore clarify that members and member organizations are not responsible for ensuring compliance with this aspect of the rule.

The Exchange proposes additional clean-up amendments to Rule 123C. Specifically, the Exchange proposes to

<sup>3</sup> A MOC order is a market order in a security that, by its terms, is to be executed in its entirety at the closing price. If not executed due to tick restrictions or a trading halt, the order will be cancelled. *See* Rule 13—NYSE Amex Equities (Definitions of Orders).

<sup>4</sup> A LOC order is a limit order in a security that is entered for execution at the closing price of the security on the Exchange provided that the closing price is at or within the specified limit. If not executed due to a trading halt or because, by its terms it is not marketable at the closing price, the order will be cancelled. *See* Rule 13—NYSE Amex Equities (Definitions of Orders).

<sup>5</sup> *See* Information Memos 09-12 and 10-11, respectively.

delete certain text in Rule 123C(2)(b)(ii)<sup>6</sup> and 123C(2)(c)(iii)<sup>7</sup> pertaining to a “no imbalance” notification after dissemination of an Informational Imbalance as well as the text of current Rule 123C(2)(b)(iii), because these provisions are no longer necessary due to the system-enforced compliance with MOC/LOC order entry. In addition, the Exchange proposes to amend Rule 123C(3)(c) to clarify that Exchange systems will reject cancellations of MOC, LOC and CO orders after 3:58 p.m. and to add a reference to Rule 123C(9), which pertains to alternative procedures in the case of extreme order imbalances at the close.

Because the Exchange previously disclosed this system functionality to member organizations, the Exchange believes that this rule proposal would not require technical programming and/or modification by members or member organizations.

##### 2. Statutory Basis

The Exchange believes that its proposal is consistent with Section 6(b) of the Act,<sup>8</sup> in general, and furthers the objectives of Section 6(b)(5) of the Act,<sup>9</sup> in particular, in that it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Specifically, the changes proposed herein would reflect that Exchange systems enforce compliance with Rule 123C(2) and (3) and therefore clarify that Exchange members and member organizations are not responsible for ensuring such compliance.

#### B. Self-Regulatory Organization’s Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act.

No written comments were solicited or received with respect to the proposed rule change.

**III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing proposed rule change will take effect upon filing with the Commission pursuant to Section 19(b)(3)(A)(i) of the Act<sup>10</sup> and Rule 19b-4(f)(1) thereunder,<sup>11</sup> because it constitutes a stated policy, practice, or interpretation with respect to the meaning, administration, or enforcement of an existing rule. Specifically, the change proposed herein would reflect that Exchange systems enforce compliance with Rule 123C(2) and (3) and therefore clarify that Exchange members and member organizations are not responsible for ensuring such compliance.

At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
