DEPARTMENT OF HEALTH AND HUMAN SERVICES

Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C.

chapter 35). To request a copy of these documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Proposed Project: Evaluation of the SOAR Initiative—NEW

SAMHSA will evaluate the implementation and outcomes of the Supplemental Security Income (SSI)/ Social Security Disability Income (SSDI) Outreach Access and Recovery (SOAR) initiative. The SSI and SSDI programs provide cash assistance to individuals with qualifying disabilities. SOAR aims to increase access to these programs among people who are homeless and thereby improve their quality of life. The crux of the initiative is the provision of technical assistance (TA) to help states and local communities develop strategies to increase the quality of SSI/SSDI applications homeless individuals submit.

To evaluate SOAR's implementation and outputs, SAMHSA will collect data from the following sources:

- In-person interviews with state and local SOAR stakeholders;
- A social network survey of state and local SOAR stakeholders;
- Focus groups with participants of in-person SOAR trainings;
- Evaluative materials completed by participants of in-person SOAR trainings, including pre/post training evaluation forms and a customer satisfaction survey;
- Evaluative materials completed by users of web-based SOAR trainings, including pre/post training evaluation screens and an online customer satisfaction survey.

The first four data collections will be conducted in eight local communities in eight different states that will begin receiving federally-funded SOAR TA for the first time in 2010. For the fifth data collection, SAMHSA will collect data from pre- and post-training evaluation forms and a customer satisfaction survey nationwide for users of a newly developed Web-based SOAR training.

Respondents to the in-person interviews and social network survey will include an average of 15 state and local SOAR stakeholders in each of the eight local communities included in the study (for a total of 120 respondents). Stakeholders include state and local SOAR leaders, administrators and staff from Social Security Administration field offices and state Disability Determination Services offices, SOAR trainers, and administrators and staff from state mental health agencies, housing and other public assistance agencies, homeless service providers, and community-based agencies. Focus group respondents will include an average of 11 individuals who participated in an in-person SOAR training in each of the eight local communities included in the study (for a total of 88 respondents). The majority of respondents will be staff from community-based agencies. Respondents to the in-person training evaluative materials include an average of 15 individuals who participated in the first in-person training in each of the eight local communities included in the study (for a total of 120 respondents). Respondents to the web-based training evaluative materials will be the universe of users who ever log on to the web-based training and receive a user identification number, regardless of in which state or community users reside. SAMHSA anticipates that 2,706 users will access the web-based training in lieu of attending an in-person training. These users will complete all three components of the evaluative materials. In addition, SAMHSA anticipates that 2,050 users will access the web-based training to refresh or supplement what they learned in an in-person training. These users will complete only the first portion of the pre-training evaluation form, which asks for basic background information about the user.

BURDEN ESTIMATES

Data collection activity	Estimated number of respondents	Responses per respondent	Total responses	Average hours per response	Total hour burden
In-person interviews	120	1	120	1	120
Social network survey	120	1	120	.17	20.4
Focus groups	88	1	88	1.5	132
Subtotal	208	—	328	—	272.4
In-person Training Evaluative Materials:					
Pre-training evaluation form	120	1	120	.17	20.4
Post-training evaluation form	120	1	120	.17	20.4
Customer satisfaction survey	120	1	120	.17	20.4
Subtotal	120	—	360	—	61.2
Web-based Training Evaluative Materials:					

BURDEN ESTIMATES—Continued

Data collection activity	Estimated number of respondents	Responses per respondent	Total responses	Average hours per response	Total hour burden
Pre-training evaluation form	2,706	1	2,706	.17	460
Post-training evaluation form	2,706	1	2,706	.17	460
Customer satisfaction survey	2,706	1	2,706	.17	460
Background form	2,050	1	2,050	.10	205
Subtotal	4,756	—	10,168	—	1,585
Total	5,084	—	10,856	—	1,918.6

Written comments and recommendations concerning the proposed information collection should be sent by January 24, 2011 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-7285.

Dated: December 15, 2010.

Elaine Parry,

Director, Office of Management, Technology and Operations.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket No. USCG-2010-1110]

Shipboard Air Emission Reduction Technology Report

AGENCY: Coast Guard, DHS.

ACTION: Notice and request for comments.

SUMMARY: In Section 305 of the Coast Guard Authorization Act of 2010, Congress directs the Secretary of the Department in which the Coast Guard is operating to conduct a study, in conjunction with the Environmental Protection Agency, on Ship Emission Reduction Technology for cargo and passenger vessels that operate in United States waters and ports. For this study, the Coast Guard and the Environmental Protection Agency will survey new technology and new applications of existing technology for reducing air emissions from cargo and passenger vessels regulated under the Clean Air Act and the Act to Prevent Pollution from Ships, and identify the

impediments, including any laws or regulations, to the implementation of this technology. Through this notice, the Coast Guard and the Environmental Protection Agency invite the public to provide information on the state of current and future air emission reduction technology, including specific comments on any impediments to this technology.

DATES: Comments and related material must either be submitted to our online docket via <http://www.regulations.gov> on or before January 18, 2011 or reach the Docket Management Facility by that date.

ADDRESSES: You may submit comments identified by docket number USCG-2010-1110 using any one of the following methods:

(1) Federal eRulemaking Portal:

<http://www.regulations.gov>.

(2) Fax: 202-372-1925.

(3) Mail: Docket Management Facility (M-30), U.S. Department of Transportation, West Building Ground Floor, Room W12-140, 1200 New Jersey Avenue, SE., Washington, DC 20590-0001.

(4) Hand delivery: Same as mail address above, between 9 a.m. and 5 p.m., Monday through Friday, except Federal holidays. The telephone number is 202-366-9329.

To avoid duplication, please use only one of these four methods. See the "Public Participation and Request for Comments" portion of the **SUPPLEMENTARY INFORMATION** section below for instructions on submitting comments.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call or e-mail LT Nicholas Woessner, U.S. Coast Guard; telephone 202-372-1307, e-mail Nicholas.A.Woessner@uscg.mil. If you have questions on viewing or submitting material to the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Public Participation and Request for Comments

We encourage you to submit comments and related material to be incorporated into the Shipboard Air Emission Reduction Technology report to Congress. All comments received will be posted, without change, to <http://www.regulations.gov> and will include any personal information you have provided.

Submitting comments: If you submit a comment, please include the docket number for this notice (USCG-2010-1110) and provide a reason for each suggestion or recommendation. You may submit your comments and material online, or by fax, mail or hand delivery, but please use only one of these means. We recommend that you include your name and a mailing address, an e-mail address, or a telephone number in the body of your document so that we can contact you if we have questions regarding your submission.

To submit your comment online, go to <http://www.regulations.gov>, click on the "submit a comment" box, which will then become highlighted in blue. In the "Document Type" drop down menu select "Notices" and insert "USCG-2010-1110" in the "Keyword" box. Click "Search" then click on the balloon shape in the "Actions" column. If you submit your comments by mail or hand delivery, submit them in an unbound format, no larger than 8½ by 11 inches, suitable for copying and electronic filing. If you submit them by mail and would like to know that they reached the Facility, please enclose a stamped, self-addressed postcard or envelope. We will consider all comments and material received during the comment period.

Viewing the comments: To view the comments for the report to Congress on Ship Emission Reduction Technology, go to <http://www.regulations.gov>, click on the "read comments" box, which will then become highlighted in blue. In the "Keyword" box insert "USCG-2010-1110" and click "Search." Click the
