

Department will determine, and U.S. Customs and Border Protection (“CBP”) shall assess, antidumping duties on all appropriate entries of subject merchandise in accordance with the final results of this review. For assessment purposes, we calculated importer (or customer)-specific assessment rates for merchandise subject to this review. Where appropriate, we calculated an *ad valorem* rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total entered values associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting *ad valorem* rate against the entered customs values for the subject merchandise. Where appropriate, we calculated a per-unit rate for each importer (or customer) by dividing the total dumping margins for reviewed sales to that party by the total sales quantity associated with those transactions. For duty-assessment rates calculated on this basis, we will direct CBP to assess the resulting per-unit rate against the entered quantity of the subject merchandise. Where an importer (or customer)-specific assessment rate is *de minimis* (i.e., less than 0.50 percent), the Department will instruct CBP to assess that importer (or customer’s) entries of subject merchandise without regard to antidumping duties, in accordance with 19 CFR 351.106(c)(2). The Department intends to issue assessment instructions to CBP 15 days after the date of publication of these final results of review.

Cash Deposit Requirements

The following cash deposit requirements will be effective upon publication of the final results of this administrative review for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided for by section 751(a)(2)(C) of the Act: (1) For TMI, the cash deposit rate will be the rate listed above; (2) for previously investigated or reviewed PRC and non-PRC exporters not listed above that have separate rates, the cash deposit rate will continue to be the exporter-specific rate published for the most recent period; (3) for all PRC exporters of subject merchandise which have not been found to be entitled to a separate rate, the cash deposit rate will be the PRC-wide rate of 111.73 percent; and (4) for all non-PRC exporters of subject merchandise which have not received their own rate, the cash deposit rate will be the rate applicable to the PRC exporter that supplied that non-

PRC exporter. The deposit requirements shall remain in effect until further notice.

Notification to Importers

This notice also serves as a final reminder to importers of their responsibility under 19 CFR 351.402(f)(2) to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary’s presumption that reimbursement of the antidumping duties occurred and the subsequent assessment of double antidumping duties.

Notification to Interested Parties

This notice also serves as a reminder to parties subject to administrative protective orders (“APOs”) of their responsibility concerning the return or destruction of proprietary information disclosed under the APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

Disclosure

We will disclose the calculations performed within five days of the date of publication of this notice to parties in this proceeding in accordance with 19 CFR 351.224(b).

We are issuing and publishing the final results and notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 15, 2010.

Ronald K. Lorentzen,

Deputy Assistant Secretary for Import Administration.

Certain Frozen Fish Fillets From the Socialist Republic of Vietnam: Extension of Time Limit for the Final Results of the Sixth Antidumping Duty Administrative and New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* December 23, 2010.

FOR FURTHER INFORMATION CONTACT: Emeka Chukwudebe or Javier Barrientos, AD/CVD Operations, Office 9, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone (202) 482–0219 or (202) 482–2243, respectively.

Background

On September 15, 2010, the Department of Commerce (“Department”) published in the **Federal Register** the *Preliminary Results* of the sixth administrative and new shipper reviews of certain frozen fish fillets from the Socialist Republic of Vietnam covering the period August 1, 2008, through July 31, 2009.¹ Subsequent to the publication of the *Preliminary Results*, the Department extended the

deadlines for submission of surrogate values, rebuttal comments and case briefs.² The final results are currently due no later than January 13, 2011.

Extension of Time Limit for the Final Results

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("Act"), requires that the Department issue the final results of an administrative review within 120 days after the date on which the preliminary results are published. If it is not practicable to complete the review within that time period, section 751(a)(3)(A) of the Act allows the Department to extend the deadline for the final results to a maximum of 180 days after the date on which the preliminary results are published.

Due to the voluminous surrogate value data on the record and the additional time provided to parties to review and submit rebuttal comments and case briefs, the Department finds that it is not practicable to review the surrogate value data and analyze the case brief comments within the scheduled time limit. Therefore, in accordance with section 751(a)(3)(A) of the Act, the Department is fully extending the time for the completion of the final results of these reviews to March 14, 2011.

We are issuing and publishing this notice in accordance with sections 751(a)(1) and 777(i)(1) of the Act.

Dated: December 17, 2010.

Gary Taverman,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Correction and Clarification

On December 16, 2010, the Department of Commerce published in the Federal Register the following notice: *Proposed Methodology for Respondent Selection in Antidumping Proceedings; Request for Comment*, 75 FR 78678 (Dec. 16, 2010) (*Respondent Selection Notice*). After the publication of the *Respondent Selection Notice*, we identified an inadvertent error in this notice. Specifically, we inadvertently listed the deadline to file comments as both 30 days and 45 days following publication. The correct deadline for filing comments is 45 days after publication (*i.e.*, January 30, 2011). Because this date falls on a weekend, the deadline for filing comments is January 31, 2011.
