

injured in overseas contingency operations by administering a voluntary web, phone, or mail survey bi-annually for a period of three (3) to six (6) years. In all cases, informed consent will be obtained prior to survey administration. The information collected will be used to ascertain the long-term effects of traumatic brain injury (TBI), Post-traumatic Stress Disorder (PTSD), and other injuries on quality of life outcomes. Pinpointing the effects of these injuries will allow for the development of more effective treatments and early interventions in the management of TBI, PTSD, and other injuries sustained by U.S. military personnel in overseas contingency operations.

Proposed Collection; Comment Request

AGENCY: Office of the Under Secretary of Defense (Personnel and Readiness), DoD.

ACTION: Notice.

SUMMARY: In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, the Office of the Under Secretary of Defense (Personnel and Readiness) announces the following proposed public information collection and seeks public comment on the provisions thereof. Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of burden of the proposed information collection; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the information collection on respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Consideration will be given to all comments received by February 25, 2011.

ADDRESSES: You may submit comments, identified by docket number and title, by any of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>. Follow the instructions for submitting comments.

- *Mail:* Federal Docket Management System Office, Room 3C843, 1160 Defense Pentagon, Washington, DC 20301-1160.

Instructions: All submissions received must include the agency name, docket number, and title for this **Federal Register** document. The general policy for comments and other submissions from members of the public is to make these submissions available for public viewing on the Internet at <http://www.regulations.gov> as they are received without change, including any personal identifiers or contact information.

FOR FURTHER INFORMATION CONTACT: To request more information on this proposed information collection or to obtain a copy of the proposal and associated collection instruments, please write to the Office of the Under Secretary of Defense (Personnel and Readiness), Department of Defense Education Activity, (Human Resources Regional Service Center, Staffing Section), ATTN: Ms. Patti Ross, 4040 North Fairfax Drive, Arlington, VA 22203, or call (703) 588-3915.

Title, Associated Form, and OMB Control Number: Department of Defense Education Activity, Student Teacher Application, DoDEA Form 5308.1-F1, and OMB Number 0704-TBD.

Needs and Uses: This information collection requirement, including the Social Security Number (SSN), will be used by security personnel for National Crime Information Center, State Criminal Histories, and Federal Bureau of Investigation record checks to determine eligibility to serve as a student teacher volunteer. The information will also be used to ensure that the student teacher is not in a pay status as a Department of Defense Education (DoDEA) employee at the time of the student teaching experience.

Affected Public: Individuals or households.

Annual Burden Hours: 50 hours.

Number of Respondents: 150.

Responses per Respondent: 1.

Average Burden per Response: 20 minutes.

Frequency: One-time. Filling out a new application only occurs when a student teacher volunteer changes from one school to another school or if the student teacher volunteer has a 2-year break in school volunteer service.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

The data collection is necessary to collect information from applicants for student teaching positions from which to determine eligibility for appointment as a student teacher volunteer. Information collection is necessary to determine if a student teacher applicant is suitable for a position involving extensive, frequent, or recurring unsupervised interaction with a student or students under the age of 18. The DoDEA Form 5308.1-F1, "Student Teacher Application," records the name, SSN, address, phone numbers, and e-mail address of the student teacher applicant.

Dated: December 20, 2010.

Title and OMB Control Number: DoDEA Continuous School Improvement Student and Parent Surveys, OMB Control Number 0704-TBD.

Needs and Uses: This information collection requirement is necessary in order for schools to identify areas for improvement. Under the DoDEA Community Strategic Plan, individual schools have a need to collect data from student(s) and parent(s)/guardian(s) to identify school-related issues to be addressed through the school improvement process. Information gathered via these voluntary data collections will provide individual schools information to determine student and parent/guardian perceptions of school processes; provide early detection of school problems; and focus attention on areas that will improve the quality of education. Schools do not have existing data to meet this need.

Affected Public: Individuals or households.

Annual Burden Hours: 720.

Number of Respondents: 2160.

Responses per Respondent: 1.

Average Burden per Response: 20 minutes.

Frequency: Annually.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Every school in the Department of Defense Education Activity is required

annually to develop a school improvement plan. This plan is necessary to fulfill DoDEA's Community Strategic Plan as well as meet the requirements set forth by AdvancED, the accrediting agency for DoDEA's schools. To develop their individual plans, schools have a need to collect information from students and parents in seven primary areas: (1) School's vision and purpose, (2) leadership, (3) instruction, (4) assessments, (5) available resources and support, (6) communication, and (7) commitment to continuous improvement. The information gained from this data collection will be used to guide schools in identifying areas of need, developing strategies to address areas of concern, and to monitor effects of strategies on major stakeholders.
