SUPPLEMENTARY INFORMATION: The applicant, Tonopah Solar Energy, LLC, is authorized to construct the Crescent Dunes Solar Energy Project and other related project facilities, on approximately 2,250.27 acres of public lands with a nominal capacity of 110 megawatts. The Crescent Dunes Solar Energy Project is a solar facility using concentrated solar thermal power technology.

The project facility footprint will disturb approximately 1,620 acres of the project area and will include a solar field (consisting of up to 17,500 dual axis tracking heliostats mounted on concrete or steel foundations), a 653-foot central receiver tower, salt tanks, steam generation building and equipment, steam turbine and generator, water treatment facilities and evaporation ponds, evaporative cooling tower and air cooled condenser (combined to form a hybrid-cooling system), electrical equipment and buildings, heliostat assembly building, administration and operation building, an access road from Pole Line Road to the site, drainage and stormwater control facilities, and temporary construction facilities. Transmission infrastructure consists of a 5.6 mile-long 230 kV transmission line from the project area to the nearby Anaconda Moly Substation.

The Notice of Availability (NOA) for the Draft EIS analyzing impacts of the proposed project was published in the **Federal Register** on September 3, 2010 (75 FR 54177) for public review and comment. A total of 23 comment letters were received on the Draft EIS. The comments were incorporated, where appropriate, to clarify the analysis presented in the Final EIS. The NOA for the Final EIS was published in the **Federal Register** by the Environmental Protection Agency on November 19, 2010 (75 FR 70917) and the BLM on November 26, 2010 (75 FR 72836).

Three action alternatives were analyzed in addition to the No Action Alternative: the Proposed Action Alternative, Alternative 1, and Alternative 2. Alternative 2 is the BLM's preferred alternative.

Because this decision is approved by the Secretary of the Interior, it is not subject to administrative appeal [43 CFR 4.410(a)(3)].

A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements are available from the Office of the Secretary and at the Commission's Web site.

A party that filed a notice of appearance following publication of the Commission's notice of institution of the reviews need not file an additional notice of appearance. The Secretary will maintain a public service list containing the names and addresses of all persons, or their representatives, who are parties to the reviews.

Limited disclosure of business proprietary information (BPI) under an administrative protective order (APO) and BPI service list:—Pursuant to section 207.7(a) of the Commission's rules, the Secretary will make BPI gathered in these reviews available to authorized applicants under the APO issued in the reviews, provided that the application is made by 45 days after publication of this notice. Authorized applicants must represent interested parties, as defined by 19 U.S.C. 1677(9), who are parties to the reviews. A party granted access to BPI following publication of the Commission's notice of institution of the reviews need not reapply for such access. A separate service list will be maintained by the Secretary for those parties authorized to receive BPI under the APO.

Staff report:—The prehearing staff report in the reviews will be placed in the nonpublic record on May 2, 2011, and a public version will be issued thereafter, pursuant to section 207.64 of the Commission's rules.

Requests to appear at the hearing should be filed in writing with the Secretary to the Commission on or before May 18, 2011. A nonparty who has testimony that may aid the Commission's deliberations may request permission to present a short statement at the hearing. All parties and nonparties desiring to appear at the hearing and make oral presentations should attend a prehearing conference to be held at 9:30 a.m. on May 20, 2011, at the U.S. International Trade Commission Building. Oral testimony and written materials to be submitted at the public hearing are governed by sections 201.6(b)(2), 201.13(f), 207.24, and 207.66 of the Commission's rules. Parties must submit any request to present a portion of their hearing testimony in camera no later than 7 business days prior to the date of the hearing.

The deadline for filing posthearing briefs is June 6, 2011;

witness testimony must be filed no later than three days before the hearing. In addition, any person who has not entered an appearance as a party to the reviews may submit a written statement of information pertinent to the subject of the reviews on or before June 6, 2011. On June 29, 2011, the Commission will make available to parties all information on which they have not had an opportunity to comment. Parties may submit final comments on this information on or before July 1, 2011, but such final comments must not contain new factual information and must otherwise comply with section 207.68 of the Commission's rules. All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules.
