**SUPPLEMENTARY INFORMATION:** The  
Commission has received a complaint  
filed on behalf of Gaumard Scientific

The complaint alleges violations of  
section 337 of the Tariff Act of 1930 (19  
U.S.C. 1337) in the importation into the  
United States, the sale for importation,  
and the sale within the United States

simulators and associated systems. The  
complaint names as respondents  
Shanghai Honglian Medical Instrument

The complainant, proposed  
respondents, other interested parties,  
and members of the public are invited  
to file comments, not to exceed five  
pages in length, on any public interest  
issues raised by the complaint.  
Comments should address whether  
issuance of an exclusion order and/or a  
cease and desist order in this  
investigation would negatively affect the  
public health and welfare in the United  
States, competitive conditions in the  
United States economy, the production  
of like or directly competitive articles in  
the United States, or United States  
consumers.

In particular, the Commission is  
interested in comments that:

(i) Explain how the articles  
potentially subject to the orders are used  
in the United States;

(ii) Identify any public health, safety,  
or welfare concerns in the United States  
relating to the potential orders;

(iii) Indicate the extent to which like  
or directly competitive articles are  
produced in the United States or are  
otherwise available in the United States,  
with respect to the articles potentially  
subject to the orders; and

(iv) Indicate whether Complainant,  
Complainant's licensees, and/or third  
party suppliers have the capacity to  
replace the volume of articles  
potentially subject to an exclusion order  
and a cease and desist order within a  
commercially reasonable time.

Written submissions must be filed no  
later than by close of business, five  
business days after the date of  
publication of this notice in the **Federal  
Register**. There will be further  
opportunities for comment on the  
public interest after the issuance of any  
final initial determination in this  
investigation.

Persons filing written submissions  
must file the original document and 12  
true copies thereof on or before the  
deadlines stated above with the Office  
of the Secretary. Submissions should  
refer to the docket number ("Docket No.  
2778") in a prominent place on the  
cover page and/or the first page. The  
Commission's rules authorize filing  
submissions with the Secretary by  
facsimile or electronic means only to the  
extent permitted by section 201.8 of the

**SUPPLEMENTARY INFORMATION:**

*Background.*—On December 9, 2010, the Court of International Trade (per Judge Barzilay) issued an opinion in *NSK Corp. et al. v. United States*, Slip Op. 10-133 ("NSK V"). In that opinion, the Court has again affirmed-in-part and remanded-in-part the Commission's determinations in *Certain Bearings and Parts Thereof from Japan and the United Kingdom*, Inv. Nos. 731-TA-394-A & 399-A (Second Review) (Third Remand), USITC Pub. 4194 (Aug. 2010). In *NSK V*, the Court affirmed the Commission's determination not to cumulate subject imports from the United Kingdom because they would not likely have a discernible adverse impact. *NSK V* at 4-6. The Court also affirmed the Commission's negative determination with respect to the United Kingdom. *Id.* at 6.

As to the remaining issues with respect to the cumulated subject imports from France, Germany, Italy, and Japan, the Court again affirmed the Commission's findings that the cumulated imports would likely have significant volume and price effects. *Id.* at 7. Nevertheless, with respect to the likely impact by cumulated subject imports, the Court again remanded the issue to the Commission. *Id.* at 8-12.

Under the remand schedule ordered by the Court, the Commission was required to file a status report with the Court on December 20, 2010, advising the Court as to whether it would be re-opening the record on the likely impact issue. The Court also directed the parties to submit a proposed joint scheduling order for the fourth remand proceedings.

On December 20, 2010, the Commission filed the requested status report with the Court, advising the Court that it will not be re-opening the record. On December 20, 2010, the parties also submitted a proposed joint scheduling order. On December 22, 2010, the Court approved the proposed scheduling order and directed the Commission to file its fourth remand determination by March 1, 2011. Under the remand schedule ordered by the Court, Plaintiffs, Plaintiff-Intervenors, and Defendant-Intervenors may file their comments with the Court regarding the Commission's fourth remand determination by April 1, 2011.

*Participation in the proceeding.*— Only those persons who were interested

parties to the reviews (*i.e.*, persons listed on the Commission Secretary's service list) and parties to the appeal may participate in the remand proceeding. Such persons need not make any additional filings with the Commission to participate in the remand proceeding, unless they are adding new individuals to the list of persons entitled to receive business proprietary information under administrative protective order. Business proprietary information ("BPI") referred to during the remand proceeding will be governed, as appropriate, by the administrative protective order issued in the reviews.

*Written submissions.*—The Commission is not re-opening the record in this remand proceeding. The Commission will permit the parties to file comments pertaining to the specific issues that are the subject of the Court's remand instructions. Comments should be limited to no more than fifteen (15) double-spaced and single-sided pages of textual material. No appendices or other attachments are allowed. The parties may not themselves submit any new factual information in their comments and may not address any issue other than those that are the subject of the Court's remand instructions. Any such comments must be filed with the Commission no later than January 14, 2011.

All written submissions must conform with the provisions of section 201.8 of the Commission's rules; any submissions that contain BPI must also conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means, except to the extent permitted by section 201.8 of the Commission's rules, as amended, 67 Fed. Reg. 68036 (Nov. 8, 2002).

In accordance with sections 201.16(c) and 207.3 of the Commission's rules, each document filed by a party to the investigation must be served on all other parties to the investigation (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Parties are also advised to consult with the Commission's Rules of Practice and Procedure, part 201, subparts A through E (19 CFR part 201), and part 207, subpart A (19 CFR part 207) for provisions of general applicability concerning written submissions to the Commission.

By order of the Commission.
