

statements and quarterly unaudited financial during the period of inactivity.

5. Statutory Basis

BSECC believes that the proposed rule change is consistent with the provisions of Section 17A of the Act,⁸ in general, and furthers the objectives of Section 17A(b)(3)(F) of the Act⁹ in particular, in that it is designed to remove impediments to and perfect the mechanism of the national market system for the clearance and settlement of securities transactions. The proposed rules seek to suspend maintenance and reporting requirements during the time when BSECC has suspended its business operations. None of these changes affect the investing public and rather are concerned solely with the administration of BSECC.

B. Self-Regulatory Organization's Statement on Burden on Competition

BSECC does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

BSECC has not solicited or received written comments relating to the proposed rule change. BSECC will notify the Commission of any written comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii) of the Act¹⁰ and Rule 19b-4(f)(3)¹¹ thereunder because the proposed rule change is concerned solely with the administration of BSECC. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act.

Comments may be submitted by any of the following methods:

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-63634; File No. SR-NSCC-2010-19]

Self-Regulatory Organizations; National Securities Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Modifications to the Fee Schedule

January 3, 2011.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on December 21, 2010, the National Securities Clearing Corporation ("NSCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I and II, which Items have been prepared primarily by NSCC. NSCC filed the proposed rule change pursuant to Section 19(b)(3)(A)(ii) of the Act² and Rule 19b-4(f)(2)³ thereunder so that the proposal was effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change amends Addendum A of NSCC's Rules & Procedures to modify NSCC's fee schedule.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, NSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. NSCC has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to revise Addendum A to NSCC's Rules and Procedures to align

fees with the costs of delivering services.⁴

Fee increases will be implemented for the following:

(1) Clearance Activity fees, which includes: (i) A tiered fee structure for the number of sides submitted for trade recording and netting and (ii) “value into the net” and “value out of the net” fees;

(2) Trade Comparison fees for bonds;

(3) Automated Customer Account Transfer Service fees for asset deliveries, asset receives, and asset additions, deletions, or changes; and

(4) Per envelope receive and deliver charges for the Envelope Settlement Service, Funds Only Settlement Service, and Dividend Settlement Service.

Separately, the existing fee structure for the Alternative Investment Products Service will be replaced with: (i) A tiered fee structure with a fee cap for broker-dealers⁵ with respect to processing of Non-Traded REITs and Managed Futures and (ii) increased charges for processing of hedge funds and other activity (other than Non-Traded REITs and Managed Futures).⁶

Additionally, a new flat monthly fee will be implemented for transmission of Networking Omnibus Activity/Position Files (Omni/SERV).⁷

Finally, NSCC is making a technical change to reflect current practice whereby all Fund/SERV transactions are subject to the same fee.

The above fee changes will take effect on January 3, 2011.

⁴ The changes to NSCC's Fee Structure, which are attached as Exhibit 5 to NSCC's proposed rule change, can be viewed at http://www.dtcc.com/downloads/legal/rule_filings/2010/nscc/2010-19.pdf.

⁵ The incentive of an annual fee cap is expected to encourage broker-dealers to use the service and expand coverage of these products and increase the value of the overall market.

⁶ The difference in pricing between (i) and (ii) reflects differing average transaction volumes. Non-Traded REITs and Managed Futures funds are typically low value transactions but have proportionally high transaction volume. These funds typically process over 10,000 trades per month and over 50,000 records per month. Conversely, Hedge Funds, Funds of Funds, and Private Equity trades have low volume but have large transaction value. Hedge Fund monthly trading is usually under 1,000 transactions with a monthly record count under 5,000 records per month.

⁷ These files are used for the transmission of: (i) Omnibus activity files which are transmitted from firms to fund companies detailing activity within subaccounts and (ii) omnibus position files, which are transmitted from firms to fund companies detailing positions within the subaccounts. These files supplement other Networking functionality, which facilitates file transmission from funds to firms. For additional information on Networking Omni/SERV files, please see NSCC Important Notices A#6968, P&S#6538, dated March 15, 2010, and A#6948, P&S#6518, dated February 18, 2010. A separate fee is not currently charged for this file type.

NSCC states that the proposed rule change is consistent with the requirements of Section 17A of the Act⁸ and the rules and regulations thereunder because it updates NSCC's fee schedule to align fees with the costs of delivering services. As such, it provides for the equitable allocation of fees among NSCC's members.

B. Self-Regulatory Organization's Statement on Burden on Competition

NSCC does not believe that the proposed rule change will have any impact or impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

NSCC has not solicited or received written comments relating to the proposed rule change. NSCC will notify the Commission of any comments it receives.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(ii) of the Act⁹ and Rule 19b-4(f)(2)¹⁰ because the proposed rule change establishes or changes a due, fee, or other charge applicable only to a member. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.
