

Operator, and General Mobile Radio Services.

Form No.: FCC Form 605.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households, business or other for-profit, not-for-profit institutions, and state, local or tribal government.

Number of Respondents: 130,000 respondents; 130,000 responses.

Estimated Time per Response: .264 minutes (.44 hours).

Frequency of Response: On occasion and five and ten-year reporting requirements, recordkeeping requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. There is no statutory authority for this information collection.

Total Annual Burden: 57,200 hours.

Total Annual Cost: \$2,676,700.

Privacy Act Impact Assessment: Yes. Records may include information about individuals or households, e.g., personally identifiable information or PII, and the use(s) and disclosure of this information is governed by the requirements of a system of records notice (SORN), FCC/WTB-1, "Wireless Services Licensing Records." There are no additional impacts under the Privacy Act.

Nature and Extent of Confidentiality: To protect the privacy of its applicants, the FCC will redact the telephone number(s) of the applicants and the birth date of the Commercial Radio Operator applicants.

Needs and Uses: The Commission will submit this expiring information collection to the Office of Management and Budget (OMB) after this 60 day comment period in order to obtain the full three year clearance from them. The Commission is requesting OMB approval for revision of this information collection. The Commission is revising FCC 605 Schedule D to rearrange the layout of Question 2 for Vanity Call Sign Change; to further clarify the filing instructions; and to define the term "in-law". The Commission is requesting an adjustment reduction in the number of respondents from 175,000 to 130,000. There is an increase in annual cost to the respondents due to an increase in the average filing fee required to accompany applications. The cost increased by \$138,000.

FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Submitted for Review and Approval to the Office of Management and Budget (OMB), Comments Requested

December 23, 2010.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act (PRA) of 1995, 44 U.S.C. 3501-3520. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Submit written Paperwork Reduction Act (PRA) comments on or before February 14, 2011. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Submit all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or the Internet at Nicholas.A.Fraser@omb.eop.gov; and to Judith-B.Herman@fcc.gov, Federal Communications Commission. Send your PRA comments by e-mail to PRA@fcc.gov. To view a copy of this information collection request (ICR) submitted to OMB: (1) Go to the Web page <http://reginfo.gov/public/do/PRAMain>, (2) look for the section of the

Web page called "Currently Under Review", (3) click on the downward-pointing arrow in the "Select Agency" box below the "Currently Under Review" heading, (4) select "Federal Communications Commission" from the list of agencies presented in the "Select Agency" box, (5) click the "Submit" button to the right of the "Select Agency" box, and (6) when the list of FCC ICRs currently under review appears, look for the title of this ICR (or its OMB Control Number, if there is one) and then click on the ICR Reference Number to view detailed information about this ICR.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collection(s), contact Judith B. Herman at 202-418-0214 or via the Internet at Judith-B.Herman@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0800.

Title: FCC Application for Assignment of Authorization or Transfer of Control: Wireless Telecommunications Bureau and Public Safety and Homeland Security Bureau.

Form No.: FCC Form 603.

Type of Review: Revision of a currently approved collection.

Respondents: Individuals or households, business or other for-profit, not-for-profit institutions and state, local or tribal government.

Number of Respondents: 2,447 respondents; 2,447 responses.

Estimated Time per Response: .5 hours-1.75 hours.

Frequency of Response: On occasion reporting requirement and recordkeeping requirement.

Obligation to Respond: Mandatory. Statutory authority for this information collection is contained in 47 U.S.C. sections 4(i), 154(i), 303(r) and 309(j).

Total Annual Burden: 36,846 hours.

Total Annual Cost: \$335,497.

Privacy Act Impact Assessment: Yes. Records may include information about individuals or households, e.g., personally identifiable information or PII, and the use(s) and disclosure of this information are governed by the requirements of a system of records notice or "SORN", FCC/WTB-1, "Wireless Services Licensing Records." There are no additional impacts under the Privacy Act.

Nature and Extent of Confidentiality: Respondents may request materials or information submitted to the Commission be withheld from public inspection under 47 CFR 0.459 of the Commission's rules.

Needs and Uses: The Commission will submit this expiring information collection (IC) to the OMB as a revision

during this comment period to obtain the full three-year clearance from them. The Commission is reporting a 34,092 total annual hour decrease and a \$2,775,798 annual cost decrease. This adjustment is due to a 30,304 fewer responses since this was last submitted to OMB in 2008. The revision for which the Commission is seeking OMB approval is due to minor changes to the wording of FCC Form 603 data elements, adding a question inquiring if filing is the lead application on the Main Form, and changing the wording in the instructions. The FCC uses the information in FCC Form 603 to determine whether the applicant is legally, technically, and financially qualified to obtain a license. Without such information, the Commission cannot determine whether to issue the licenses to the applicants that provide telecommunications services to the public, and therefore, to fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended. Information provided on this form will also be used to update the database and to provide for proper use of the frequency spectrum.

Notice of Public Information Collection(s) Being Submitted for Review and Approval to the Office of Management and Budget (OMB), Comments Requested

December 21, 2010.

SUMMARY: As part of its continuing effort to reduce paperwork burden and as required by the Paperwork Reduction Act (PRA) of 1995 (44 U.S.C. 3501-3520), the Federal Communications Commission invites the general public and other Federal agencies to comment on the following information collection. Comments are requested concerning: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated

collection techniques or other forms of information technology; and (e) ways to further reduce the information collection burden for small business concerns with fewer than 25 employees.

The FCC may not conduct or sponsor a collection of information unless it displays a currently valid OMB control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid OMB control number.

DATES: Written Paperwork Reduction Act (PRA) comments should be submitted on or before February 14, 2011. If you anticipate that you will be submitting PRA comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the FCC contact listed below as soon as possible.

ADDRESSES: Direct all PRA comments to Nicholas A. Fraser, Office of Management and Budget, via fax at 202-395-5167 or the Internet at *Nicholas.A.Fraser@omb.eop.gov*; and to the Federal Communications Commission's PRA mailbox (*e-mail address: PRA@fcc.gov*). Include in the e-mail the OMB control number of the collection as shown in the "Supplementary Information" section below, or if there is no OMB control number, include the Title as shown in the "Supplementary Information" section. If you are unable to submit your comments by e-mail, contact the person listed below to make alternate arrangements.

FOR FURTHER INFORMATION CONTACT: For additional information, contact Judith B. Herman at 202-418-0214 or via the Internet at *Judith-b.herman@fcc.gov*.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0698.

Title: Sections 25.203(i) and 73.1030(a)(2), Radio Astronomy Coordination Zone in Puerto Rico.

Form No.: N/A.

Type of Review: Revision of a currently approved collection.

Respondents: Business or other for-profit, not-for-profit institutions, and State, local or tribal government.

Number of Respondents: 200 respondents; 1,000 responses.

Estimated Time per Response: 5-40 minutes (.0833 hours to .667 hours).

Frequency of Response: On occasion reporting requirement and third party disclosure requirement.

Obligation to Respond: Required to obtain or retain benefits. Statutory authority for this information collection is contained in 47 U.S.C. sections 154(i), 303(f), 303(r), and 309(j)(13).

Total Annual Burden: 142 hours.

Total Annual Cost: N/A.

Privacy Act Impact Assessment: N/A.

Nature and Extent of Confidentiality:

There is no need for confidentiality.

Needs and Uses: The Commission will submit this expiring information collection (IC) to the OMB during this comment period. The Commission is seeking OMB approval for a revision. The Commission is reporting a 114 hour program change decrease to the total burden hour estimate. The revision is because 47 CFR section 23.20 has been removed from this information collection since the last time OMB approved this information collection.

The Commission adopted and released a *Report and Order*, IB Docket No. 05-216, FCC 10-7, which eliminated Part 23 rules because there were no International Fixed Public Radiocommunications Services (IFPRS) licenses in operation.

The information collected is used to facilitate coordination between the Observatory and Commission-licensed services in the Commonwealth of Puerto Rico. Applicants for new or modified radio communication facilities within the Coordination Zone are required to submit technical information concerning the applicant's proposed services to enable the Observatory to determine the potential for interference with its operations. The Observatory will perform interference evaluations at no cost to the applicants. If potential interference problems are identified, applicants are required to make reasonable attempts to resolve or mitigate such problems in order to protect the Observatory.
