Substance Abuse and Mental Health Services Administration

Agency Information Collection Activities: Submission for OMB Review; Comment Request

Periodically, the Substance Abuse and Mental Health Services Administration (SAMHSA) will publish a summary of information collection requests under OMB review, in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these

documents, call the SAMHSA Reports Clearance Officer on (240) 276-1243.

Project: Emergency Response Grants Regulations—42 CFR part 51—(OMB No. 0930-0229)—Extension

This rule implements section 501(m) of the Public Health Service Act (42 U.S.C. 290aa), which authorizes the Secretary to make noncompetitive grants, contracts or cooperative agreements to public entities to enable such entities to address emergency substance abuse or mental health needs in local communities. The rule establishes criteria for determining that a substance abuse or mental health emergency exists, the minimum content for an application, and reporting requirements for recipients of such funding. SAMHSA will use the information in the applications to make a determination that the requisite need exists; that the mental health and/or substance abuse needs are a direct result of the precipitating event; that no other local, State, Tribal or Federal funding are sources available to address the need; that there is an adequate plan of services; that the applicant has appropriate organizational capability; and, that the budget provides sufficient justification and is consistent with the documentation of need and the plan of services. Eligible applicants may apply to the Secretary for either of two types of substance abuse and mental health emergency response grants: Immediate

awards and Intermediate awards. The former are designed to be funded up to \$50,000, or such greater amount as determined by the Secretary on a case-by-case basis, and are to be used over the initial 90-day period commencing as soon as possible after the precipitating event; the latter awards require more documentation, including a needs assessment, other data and related budgetary detail. The Intermediate awards have no predefined budget limit. Typically, Intermediate awards would be used to meet systemic mental health and/or substance abuse needs during the recovery period following the Immediate award period. Such awards may be used for up to one year, with a possible second year supplement based on submission of additional required information and data. This program is an approved user of the PHS-5161 application form, approved by OMB under control number 0920-0428. The quarterly financial status reports in 51d.10(a)(2) and (b)(2) are as permitted by 45 CFR 92.41(b); the final program report, financial status report and final voucher in 51d.10(a)(3) and in 51d.10(b)(3-4) are in accordance with 45 CFR 92.50(b). Information collection requirements of 45 CFR part 92 are approved by OMB under control number 0990-0169. The following table presents annual burden estimates for the information collection requirements of this regulation.

42 CFR citation	Number of respondents	Responses per respondent	Hours per response	Annual burden hours
Immediate award application:				
51d.4(a) and 51d.6(a)(2)	3	1	3	9*
51d.4(b) and 51d.6(a)(2)				
Immediate Awards	3	1	10	30*
51d.10(a)(1)-Immediate awards- mid-program report if applicable	3	1	2	6*
Final report content for both types of awards:				
51d.10(c)	6	1	3	18
Total	6			18

* This burden is carried under OMB No. 0920-0428.

Written comments and recommendations concerning the proposed information collection should be sent by February 14, 2011 to: SAMHSA Desk Officer, Human Resources and Housing Branch, Office of Management and Budget, New Executive Office Building, Room 10235, Washington, DC 20503; due to potential delays in OMB's receipt and processing of mail sent through the U.S. Postal Service, respondents are encouraged to submit comments by fax to: 202-395-6974.

Dated: January 5, 2010.

DEPARTMENT OF HOMELAND SECURITY

Coast Guard

[Docket No. USCG-2009-0384]

Maritime Security Directive 104-6 (Rev 5); Guidelines for U.S. Vessels Operating in High Risk Waters

AGENCY: Coast Guard, DHS.

ACTION: Notice of Availability.

SUMMARY: The Coast Guard announces the release of Maritime Security

(MARSEC) Directive 104-6 (Rev 5). This Directive only applies to U.S. flagged vessels subject to the Maritime Transportation Security Act (MTSA) on international voyages through or in designated high risk waters, and provides additional counter-piracy guidance and mandatory measures for these vessels operating in these areas where acts of piracy and armed robbery against ships are prevalent. MARSEC Directive 104-6 (Rev 5) also includes an annex that provides specific direction for vessels operating around the Horn of Africa. MARSEC Directives are designated Sensitive Security Information (SSI) and are not subject to public release.

DATES: MARSEC Directive 104-6 (Rev 5) is available on January 13, 2011. MARSEC Directive 104-6 (Rev 4) is no longer valid after this date.

ADDRESSES: The latest MARSEC Directives are available at your local Captain of the Port (COTP) office. Phone numbers and addresses for your local COTP office can be found in the Port Directory at <http://homeport.uscg.mil>.

FOR FURTHER INFORMATION CONTACT: If you have questions on this notice, call LCDR James T. Fogle, Office of Vessel Activities, Coast Guard, telephone 202-372-1038, e-mail James.T.Fogle@uscg.mil. If you have questions on viewing material on the docket, call Renee V. Wright, Program Manager, Docket Operations, telephone 202-366-9826.

SUPPLEMENTARY INFORMATION:

Background and Purpose

Somali pirates operate along a 2,300 mile coast and in 2.5 million square miles of ocean. Given the size and complexity of the affected area, a combination of domestic and international efforts has been necessary to curb piratical activities. The combination of piracy and weak rule of law in the region offers a potential breeding ground for other transnational threats. Accordingly, the U.S. uses existing statutory authority to develop security standards designed to protect U.S.-flagged vessels and continues to work with international partners to prevent piracy.

On February 10, 2006, the Coast Guard announced the release of MARSEC Directive 104-6 (71 FR 7054) for those owners and operators of vessels subject to 33 CFR parts 101 and 104 to provide direction to U.S. flagged vessels operating in high risk areas where acts of piracy and armed robbery against ships is prevalent.

MARSEC Directive 104-6 has been revised five times. MARSEC Directive

104-6 (REV 1) provided an updated list of the high risk waters based on a biennial review of global piracy and terrorism threats.

MARSEC Directive 104-6 (Rev 2) provided additional counter-piracy guidance to U.S. flagged vessels operating in high risk waters where acts of piracy and armed robbery against ships are prevalent. It also provided a listing of additional high risk waters, updated from the previous version of the Directive.

MARSEC Directive 104-6 (Rev 3) encouraged the use of industry best management practices that have proven to be successful in thwarting pirate attacks and incorporates lessons-learned since the issuance of Revision 2.

MARSEC Directive 104-6 (Rev 4) provided clarification for U.S. flagged vessels berthed or anchored in high risk waters. Vessels at anchor should operate in a manner consistent with vessels that transit through high risk waters. Whether at anchor or underway, the vessels are subjected to the same type of threats from attacking pirates. Vessels berthed in high risk waters should implement enhanced security measures as described in the MARSEC Directive.

MARSEC Directive 104-6 (Rev 5), the Directive that is the subject of this notice of availability, addresses the expanding operating area of Somali pirates and provides U.S. flagged vessels additional guidance for operations in the Indian Ocean. With the issuance of (Rev 5), MARSEC Directive 104-6 (Rev 4) is no longer valid.

To support the issuance of MARSEC Directive 104-6 (series), we developed piracy-related Port Security Advisories (PSAs) to provide further guidance and direction to U.S. flagged vessels operating in high risk waters to help facilitate compliance with this directive. The PSAs can be found at <http://homeport.uscg.mil/piracy>, including a non-SSI version of this MARSEC Directive in PSA (2-09) (Rev 3).

Procedural

COTPs and District Commanders can access all MARSEC directives on Homeport by logging in and going to Missions > Maritime Security > Maritime Transportation Security Act (MTSA) > Policy. Owners and operators of U.S. flagged vessels that travel on international voyages must contact their local COTP, cognizant District Commander or the Office of Vessel Activities to acquire a copy of MARSEC Directive 104-6 (Rev 5). COTPs or cognizant District Commanders may provide this MARSEC Directive to appropriate vessel owners and operators

via mail or fax in accordance with SSI handling procedures.

Pursuant to 33 CFR 101.405, we consulted with the Department of State, Office of the Secretary of Defense, Joint Chiefs of Staff, Department of Transportation/Maritime Administration, Office of Naval Intelligence, Department of Commerce, Department of Justice, Military Sealift Command, Global Maritime Situational Awareness, Overseas Security Advisory Council, United States Agency for International Development, Naval Criminal Investigative Service, Customs and Border Protection, Transportation Security Administration, U.S. Africa Command, U.S. Central Command, and U.S. Transportation Command prior to issuing these Directives.

All MARSEC Directives issued pursuant to 33 CFR 101.405 are marked as SSI in accordance with 49 CFR Part 1520. COTPs and District Commanders will require individuals requesting a MARSEC Directive to prove that they meet the standards for a "covered person" under 49 CFR 1520.7, have a "need to know" the information, as defined in 49 CFR 1520.11, and that they will safeguard the SSI in MARSEC Directive 104-6 (Rev 5) as required in 49 CFR 1520.9.

Dated: January 7, 2011.

Director of Prevention Policy.
