

(FLSF) will conduct an educational workshop, "Exploring Tools for Improving Management of Data Poor Stocks." The intent of this workshop is to discuss tools that the region may find useful in advancing data collection and management of data poor stocks and provide a venue to discuss the best ways to move forward.

DATES: The workshop will be held Wednesday and Thursday, February 23–24, 2011.

ADDRESSES: The workshop will be held at La Concha Resort, 1077 Ashford Avenue, San Juan, Puerto Rico 00907; telephone: (787) 721–7500.

Council address: Caribbean Fishery Management Council, 268 Munoz Rivera Ave., Suite 1108, San Juan, Puerto Rico 00918; telephone: (787) 766–5926.

FOR FURTHER INFORMATION CONTACT: Miguel Rolon, Executive Director, Caribbean Fishery Management Council; telephone: (787) 766–5926.

SUPPLEMENTARY INFORMATION: The workshop will begin with participants' registration at 2 p.m. on Tuesday, February 22, 2011 and recess at 5:30 p.m. or when business is completed; reconvene at 8:30 a.m. on Wednesday, February 23, 2011 and recess at 5:45 p.m. or when business is completed; and, reconvene at 8:30 a.m. on Thursday, February 24, 2011 and recess at 5:45 p.m. or when business is completed. An agenda and briefing materials will be posted to the Council Web site (<http://www.caribbeanfmc.com>) as they become available.

The workshop will be an educational forum to discuss data collection and management for data poor stocks. The 2006 reauthorization of the Magnuson-Stevens Act (MSRA) requires the Council to establish annual catch limits (ACLs) for all managed stocks by 2011. For data poor stocks where scientific information is either lacking or insufficient, establishing ACLs is particularly challenging. Given the approaching deadlines for establishing ACLs and the recent work undertaken by the Southeast Fisheries Science Center (SEFSC) and Marine Resource Assessment Group (MRAG Americas) to develop recommendations on how the region could improve data collection, the Council concluded that an educational workshop dedicated to data poor issues would be beneficial for its members and partners.

Although non-emergency issues not contained in this agenda may come before this group for discussion, those issues may not be the subject of formal action during this meeting. Action will

be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Fishery Conservation and Management Act, provided the public has been notified of the Council's intent to take final action to address the emergency.

DEPARTMENT OF EDUCATION

Proposed Waiver and Extension of Project Period

AGENCY: Office of Innovation and Improvement, Education.

ACTION: Notice of proposed waiver and extension of project period.

SUMMARY: The Secretary proposes to waive the requirements in 34 CFR 75.250 and 75.261(c)(2) of the Education Department General Administrative Regulations (EDGAR) that, respectively, generally prohibit project periods exceeding five years and project period extensions involving the obligation of additional Federal funds. The FY 2010 appropriation provided the fifth year of funding for 60 of the 62 Parental Information and Resource Center (PIRC) grants that were funded in FY 2006, and the fourth year of funding for the remaining two grants that were funded in FY 2007. The proposed waivers would enable 60 of the 62 current grantees under the PIRC program to continue to receive Federal funding beyond the five-year limitation contained in 34 CFR 75.250 and enable the Department to obligate an additional year of Federal funds for all 62 current eligible grantees notwithstanding the limitation in 34 CFR 75.261(c)(2), which prohibits the extension of a project period if it involves the obligation of additional Federal funds. This additional year of Federal funds would be contingent on final Congressional action on the FY 2011 budget.

DATES: We must receive your comments on or before February 14, 2011.

ADDRESSES: Address all comments about this proposed waiver and extension of project period to Monique Toussaint, U.S. Department of Education, 400 Maryland Avenue, SW., Room 4W243, Washington, DC 20202–5970. *Telephone:* (202) 260–0964.
